## About

KOTTAKKAL FAROOK ARTS AND SCIENCE COLLEGE is a self financing college under the university of Calicut, established in the year 2005 to cater to the higher education requirements of the locality. The College functions under the guidance and leadership of farook educational society, a premier educational society which entered into the realm of imparting knowledge and education through the establishment of many institutions since 1980's. The society established pre-primary, primary and higher secondary level institutions besides the establishment of training school and Training College. Now the Farook campus is an integrated centre of learning where these institutions are harmoniously combined. Having expanded in terms of institutions, infrastructure, staff and students, these institutions have emerged as leading centres of learning offering quality and excellence. The mission and vision of farook educational society is intrinsically related to the aims and objectives of the society

## Vision

Our vision is to empower and uplift underprivileged communities through education, enabling them to become active contributors to the nation's growth.

## Mission

Our mission is to provide exceptional educational infrastructure and an academic environment that promotes higher learning, fosters strong moral values, and encourages personal and professional growth. We are committed to offering students diverse opportunities to realize their full potential through a range of curricular and co-curricular activities, emphasizing excellence and quality teaching with a modern outlook. Our ultimate goal is to promote education as a means to enrich lives and make a positive impact on society.
