## Kottakkal Farook College on Track to Secure NAAC

### Accreditation

Kottakkal, Malappuram -: Kottakkal Farook Arts and Science College, a premier institution in the region, is intensifying preparations for the upcoming National Assessment and Accreditation Council (NAAC) peer team visit. The college administration has formed various committees to oversee the preparation process. Faculty members, staff, and students are working tirelessly to ensure that all necessary documentation, infrastructure, and quality benchmarks are in place.

"We are confident that our collective efforts will yield a positive outcome," said Prof. M Abdul Azeez Principal of Farook Arts and Science College. The college has revised its curriculum to align with the latest industry trends and NAAC guidelines. The institution has invested in modernizing its infrastructure, including state-of-the-art laboratories, libraries, and college has implemented innovative teaching methods, including flipped classrooms, blended learning, and experiential learning. The institution has strengthened its research focus, with faculty members and students engaging in various projects and community extension activities. The NAAC peer team is scheduled to visit the college on Dec 2,3. The team will assess the institution's performance across seven criteria, including curricular aspects, teaching-learning and evaluation, research, innovation and extension, infrastructure and learning resources, student support and progression, and governance, leadership and management. Farook Arts and Science College is poised to demonstrate its excellence in education and research. With its meticulous preparations, the institution is confident of securing a positive NAAC accreditation outcome. Stay tuned for further updates on the NAAC accreditation process.
