IQAC ANNUAL REPORT

2019-20

Annual Report 2019-20

Introduction:

In the academic year 2019-20, the Internal Quality Assurance Cell (IQAC) at Kottakkal Farook Arts and Science College has seen an unprecedented surge in activities, surpassing the achievements of previous years. Established in 2012, our IQAC has become a key driver of quality enhancement within the institution. Throughout the past year, we've organized various workshops, seminars, and initiatives to improve academic and administrative standards. Our dedication to excellence has propelled us to address challenges and capitalize on growth opportunities. As we look forward, the IQAC remains committed to advancing the institution's mission, guiding Kottakkal Farook Arts and Science College toward a future of innovation, excellence, and continuous improvement.

IQAC COMPOSITION

Sl. No	Position	Name of the Member	Designation
1.	Chairman	Prof. M. Abdul Azeez	Principal
2.	Coordinator	Mohammed Safwan. N	IQAC Coordinator
3.	Member	Mohammed Labeeb. M	Vice Principal
4.	Member	Sreenath M	HOD, Department of English
5.	Member	Nandini. P.C	HOD, Department of Commerce & Management
6.	Member	Sampreeth T M	HOD, Department of Political Science
7.	Member	Mubarak. N	HOD, Department of Physics
8.	Member	Nafeesa. P.V	HOD, Department of Economics
9.	Member	Aboobacker Kutty Naha	HOD, Department of Mathematics
10	Member	Samsheer. K	HOD, Department of Physical Education
11	Member	Beenamol N S	Coordinator, Department of Mathematics
12	Member	Rajveer T P	Librarian

 Prof. M. ABDUL AZEEZ
 PRINCIPAL
 KOTTAKKAL FAROOK ARTS & SCIENCE COLLEGE
 PARAPPUR P.O - 676 503

13	Member	Sasidharan. K	Office Superintendent
14	Member	T. Moideen Kutty Alias Kunhu	Secretary
15	Member	P Usman Kutty	Industrialist, President FES
16	Member	Jishnuram	Student Representative
17	Member	Mohammed Adil.K	Alumnid Representative

VISION:

Our vision is to empower and uplift underprivileged communities through education, enabling them to become active contributors to the nation's growth.

MISSION:

Our mission is to provide exceptional educational infrastructure and an academic environment that promotes higher learning, fosters strong moral values, and encourages personal and professional growth.

We are committed to offering students diverse opportunities to realize their full potential through a range of curricular and co-curricular activities, emphasizing excellence and quality teaching with a modern outlook.

CORE VALUES:

- F** Fostering Creativity
- A** Academic Excellence
- R** Respect for Diversity
- O** Open-mindedness:
- O** Outreach and Engagement
- K** Knowledge Transfer

COURSES OFFERED:

Sl.No	Programme	Core	Complementary
1	BA	English Language and Literature	1. Social and Cultural History of Britain 2. Journalism
2	BA	Economics	1. Modern Indian History 2. Banking

Prof. M. ANJAL AZEEZ
PRESIDENT
KOTTAKKAL FAROOK ARTS & SCIENCE COLLEGE
PARAPPUR P.O. 676 503

3	BA	Political Science	1.Modern World History 2.Introductory Economics
4	B.Com	Finance	1. Managerial Economics 2. Marketing Management 3. Quantitative Techniques for Business
5	B.Com	Computer Application	1. Managerial Economics 2. Marketing Management 3. Quantitative Techniques for Business
6	BBA	BBA	1. Managerial Economics 2. Business Regulations 3. Corporate Regulations 4. Quantitative Techniques for Business
7	BSc	Mathematics	1. Statistics 2. Physics
8	BSc	Physics	1. Mathematics 2. Chemistry
9	M.Com	Finance	1. Investment Management 2. Financial Markets & Institution 3. International Finance 4. Advanced Strategic Financial Management
10	MSc	Physics	1. Experimental Techniques 2. Laser Systems, Optical Fibres and Applications 3. Micro Processors, Micro Controllers and Applications

FACULTIES:

Our college boasts a dedicated team comprising both teaching and non-teaching staff members, collectively contributing to the institution's mission of academic excellence and holistic development. As of the reporting period, our staff composition stands as follows:

Faculties	Male	Female	Total
Teaching	22	36	58
Non-Teaching	6	14	20

Prof. M. ABDUL AZEEZ
PRINCIPAL
KOTTAKKAL FAROOK ARTS & SCIENCE COLLEGE
PARAPPUR(P.O.) - 676 503

Qualification	No. of Faculties
M.Phil.	3
NET/SET/JRF	22

This diverse and committed team plays a pivotal role in fostering a conducive learning environment, facilitating administrative operations, and providing comprehensive support services, ensuring the smooth functioning of our institution. We value their dedication and contribution towards the advancement of our college community.

STUDENT ADMISSION STATUS:

❖ **Total Student Strength during 2019-20: 1140**

INFRASTRUCTURE FACILITIES:

Our college prides itself on providing exceptional infrastructure facilities that cater to the diverse needs of our students and staff, fostering a conducive environment for academic and extracurricular pursuits. Here's an overview of the infrastructure strength at our campus:

1. Academic Facilities:

- ICT-enabled classrooms equipped with modern teaching aids such as projectors, android smart TVs, and interactive panels.
- Five laboratories dedicated to various science departments.
- State-of-the-art computer labs with up-to-date software and hardware.

Prof. M. ABDUL AZEEZ
PRINCIPAL
KOTTAKKAL FAROOK ARTS & SCIENCE COLLEGE
PARAPPUR P.O. - 676 503

- A well-stocked automated library featuring the BOOK MAGIC software and access to the N-List Database.
- An institutional digital repository offering online access to academic resources.
- Customized MOODLE Learning Management System (LMS) for enhanced academic delivery.
- Inno Hub & Incubation Centre fostering innovation and entrepreneurship.

2. Sports and Recreation Facilities:

- Sports fields for football, cricket, badminton, basketball, tennis, and athletics.
- Wellness Retreat offering gymnasium, fitness, and yoga facilities.

3. Student Amenities:

- Spacious seating areas shaded by trees for student relaxation.
- Dining facilities in CAFÉ FAROOK canteen and PERK RETREAT cafeteria.
- 'STUDENT RETREAT' common area for student interaction and relaxation.
- Student restrooms, medical center, and first aid facilities.
- College emergency vehicle for hospital care.
- Girls' washrooms with sanitary pad vending machines and incinerators.
- Facilities for differently-abled students including washrooms with handles, lifts, ramps, and wheelchairs.

4. Technology Infrastructure:

- High-speed internet connectivity across the campus with multiple network connections.
- Wi-Fi facility with a high-speed connection.
- Fully equipped computer labs and e-content development center.
- Access to online learning platforms and resources.
- Standby generators and UPS systems to ensure uninterrupted power supply.

5. Administrative Facilities:

- Administrative offices for staff and student services.
- LAN-enabled office cabins, reception desk, and visitor's room.
- Storage rooms with compact storage systems.
- Staff rooms, faculty offices, amenity staff rooms, and conference rooms.

Prof. M. ABDUL AZEEZ
PRINCIPAL
KOTTAKKAL FAROOK ARTS & SCIENCE COLLEGE
PARAPPUR P.O - 676 503

6. Safety and Security Measures:

- Security personnel stationed across the campus.
- Safety protocols and training programs.
- Fire-fighting systems, fire hydrants, and multiple exit points in buildings.
- CCTV surveillance in strategic locations and PA systems for announcements.

7. Green Initiatives:

- Sustainable practices for recycling and waste management.
- Green spaces, gardens, and energy-efficient infrastructure.
- Water management practices including drip irrigation and rainwater harvesting.
- Biowaste management systems and RO drinking water plant.

8. Transportation Services:

- College buses for female students and staff.
- Separate parking lots for bikes, cars, and buses.

9. Community Engagement Spaces:

- Auditorium with advanced sound and light systems.
- Seminar rooms equipped with interactive panels.
- Audio-video-enabled rooms for academic events and cultural activities, including alumni talk series and seminars.
- Amphitheater for cultural performances and events.

These infrastructure facilities collectively contribute to an enriching and conducive environment, supporting the holistic development and academic pursuits of our college community.

FACULTY DEVELOPMENT PROGRAMME ON

"UNIFIED VOICES; ENHANCING COMMUNICATION AND COLLABORATION AMONG FACULTY AND STAFF"

REPORT

The Internal Quality Assurance Cell (IQAC) of Kottakkal Farook Arts and Science College successfully conducted a Faculty Development Programme (FDP) titled "Unified Voices: Enhancing Communication and Collaboration Among Faculty and Staff" from June 3 to June 9, 2019. The event aimed to foster better communication and collaboration within the college's academic and administrative staff. The programme was attended by 44 teachers and 12 non-teaching staff, making it a comprehensive event that included all relevant stakeholders in the college.

Day 1: June 3, 2019

The programme commenced with the registration of participants at 9:00 AM, followed by the Inauguration Ceremony at 10:00 AM. The ceremony began with a prayer and was marked by a series of addresses:

Welcome Speech: Mr. Muhammed Safwan (IQAC Coordinator)

Presidential Address: Mr. Mohammed Labeeb (Vice Principal)

Inauguration: Prof. M Abdul Azeez (Principal)

Felicitation: Mr. Mubarak N (Staff Secretary)

: Mrs. Nandini P C (HOD, Department of Commerce & Management)

: Mrs. Nafeesa P (HOD, Department of Economics)

Vote of Thanks: Mr. Mujeeb T P (Assistant Professor, Department of Commerce & Management)

The morning session continued with a dynamic ice-breaking activity titled "Breaking the Ice: Building Connections Through Fun and Interaction," led by Mr. Lukmanul Hakeem, a JCI trainer. This session was designed to create a friendly and collaborative atmosphere among the participants, helping them to connect through engaging activities.

After a lunch break from 1:00 PM to 2:00 PM, the afternoon session featured a talk on "Communication Barriers and Overcoming Them" by Mr. Muhammed Shafeeque U, an ASAP Trainer. This session provided valuable insights into the common obstacles in communication within academic institutions, such as cultural differences, language barriers, and personal biases, and discussed strategies to overcome them through effective communication techniques.

Day 2: June 4, 2019

The second day started with a session on "The Role of Collaboration in Enhancing Academic Outcomes" by Prof. M Abdul Azeez, the Principal of KFASC. This session emphasized the importance of collaborative efforts in achieving academic excellence, highlighting examples of successful collaboration in academic projects and research.

Following a lunch break, the afternoon session focused on a Group Discussion on "Developing a Collaborative Culture in Our Institution," moderated by senior faculty members. This interactive session allowed participants to share their perspectives and brainstorm ideas to foster a more collaborative environment within the college, focusing on practical steps and institutional policies that could support this goal.

Day 3: June 5, 2019

Mr. Prejith PC, HOD at Malabar Christian College, Calicut, led the morning session on "Principles of Team Building in Academic Institutions." This session provided practical strategies for building effective teams within academic settings, covering topics such as trust-building, defining roles and responsibilities, and effective team communication.

In the afternoon, a role-play activity titled "Resolving Conflicts Through Dialogue" was coordinated by faculty volunteers. This activity provided hands-on experience in conflict resolution, demonstrating the power of dialogue in resolving misunderstandings and disputes, and allowing participants to practice these skills in a controlled environment.

Day 4: June 6, 2019

Mr. Muhammed Ali, Principal of Farook B.Ed. College delivered a session on "Understanding and Managing Conflict in Academia" in the morning. This session explored

M. Abdul Azeez
M. ABDUL AZEEZ
PRINCIPAL
KOTTAKKAL FAROOK ARTS & SCIENCE COLLEGE
PARAPPUR P.O. - 676 503

the sources of conflict in academic environments, such as competition for resources, and differences in values and teaching styles, and offered strategies for managing them effectively through negotiation and mediation techniques.

The afternoon's Open Forum, moderated by Mr. Mujeeb T P, allowed participants to share their personal experiences and strategies for conflict resolution. This session provided a platform for open communication and mutual learning, helping participants to learn from each other's experiences and apply these lessons in their contexts.

Day 5: June 7, 2019

The morning session on "Verbal and Non-Verbal Communication in Academia" was conducted by Ms. Fathima Al Zahra, an ASAP Trainer. This session highlighted the significance of both verbal and non-verbal communication in educational settings, covering aspects such as tone of voice, body language, and facial expressions, and how these elements impact the effectiveness of communication.

After lunch, participants engaged in a Group Exercise on "Improving Listening Skills," which emphasized the critical role of active listening in effective communication. This exercise involved activities designed to enhance participants' listening abilities, making them more attentive and responsive communicators.

Day 6: June 8, 2019

Mr. Nisamudheen P, Assistant Professor in Physics at PSMO College, Tirurangadi, led the morning session on "Strategic Planning in Academic Institutions." This session focused on the importance of strategic planning in achieving long-term academic goals, discussing the process of setting objectives, developing action plans, and monitoring progress to ensure that the institution's mission and vision are realized.

In the afternoon, an Interactive Session titled "Aligning Individual Goals with Institutional Objectives" was moderated by senior faculty members. This session aimed to align the personal and professional goals of faculty and staff with the broader objectives of the institution, ensuring that everyone's efforts contribute to the college's overall success.

Day 7: June 9, 2019

The final day began with a session on "The Future of Communication and Collaboration in Academia" by Dr. Anil Kumar, Associate Professor at TMG College, Tirur. This forward-looking session discussed emerging trends and future directions in academic communication and collaboration, such as the use of digital tools and platforms to enhance interaction and cooperation among faculty and staff.

The programme concluded with a Valedictory Ceremony. The ceremony featured:

Welcome Speech: Mr. Muhammed Safwan (IQAC Coordinator)

Valedictory Address: Prof. M Abdul Azeez (Principal)

Distribution of Certificates

Feedback from Participants

Vote of Thanks: Mrs. T K Faheema (Assistant Professor, Department of English)

The feedback from participants was overwhelmingly positive, highlighting the program's effectiveness in enhancing communication and collaboration among the faculty and staff. The diverse sessions and activities were particularly appreciated for their practical relevance and engaging format.

Overall, the Faculty Development Programme achieved its objectives, providing participants with valuable skills and insights to improve their professional interactions and collaborations. The IQAC's initiative in organizing this event is a testament to Kottakkal Farook Arts and Science College's commitment to continuous improvement and academic excellence.

NATIONAL SERVICE SCHEME - UNIT NO 213

ANNUAL REPORT- 2019-2020

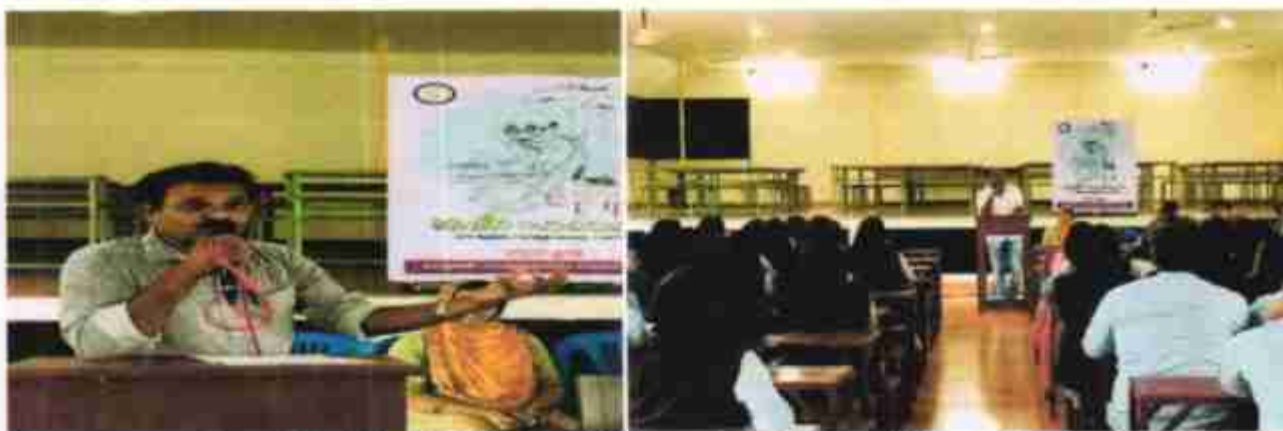

The functioning Nss unit no. 213, Kottakkal Farook Arts and Science College could conduct stunning activities during the academic year 2019-20. It started with enrolling of 50 volunteers by a sequence of procedures like orientation, talent exhibition and the direct interview. The orientation programme was lead by Mr.Kamarudheen parappil (assistant professor, Farook College, Calicut) by handling a session of 4 hours. In talent exhibition programme, all the candidates show their talents in front of the panel and at last they were interviewed.

In collaboration with literary club, the Basheer commemoration programme entitled "Basheer sayahnam" and a caption contest was conducted on 5th July 2019. The programme was guided by Mr.Sasidharan kadalundi (assistant professor, department of Malayalam, Kottakkal Farook College) by sharing his knowledge about the life of Basheer with the students and encourage them to read the novels.

On 11th July 2019, Population day was celebrated by conducting an essay writing competition in the topic "effect of population increase in our society". The participants share their different ideas and thoughts about this topic and Mrs. Jasna Sherin got the first prize from the forty seven participants in the competition.

On Hiroshima day, a drawing competition was organized in college with the participation of twenty students. On 9th August onwards, our NSS volunteers started a collection point in our college with the co-operation college management and we procured various items of daily consumption goods from different sources and distributed food packets, medicines, cleaning kits and all the basic needs to nearby flood relief camps. The NSS unit of our college managed to collect relief materials worth Rs. 2.5 lakhs. The college NSS unit collected in immediately financial help to a poor family to conduct their daughters marriage which was fixed in advance of the flood situation the amount of Rs. 38000 was delivered to the family the NSS unit along with a 10000 Rs which was collected by a club handed over to the NSS unit as a help to the family. The volunteers worked relentlessly to mobilize relief materials and worked for the smooth distribution of the collected materials in the affected area in close coordination with the District Administration.

On August 15th, The Independence Day was celebrated with flood affected persons in Puthuparambu flood relief camp. Our volunteers share the sweets with campers and donate food items to the camp. Mr. Abith Husain Thangal was inaugurated the programme by giving the sweets to one of the camper.

On National blood donation day, Blood group detection camp and quiz competition was organized in associate with DTPC Kottakkal and Kerala State Aids Control Society. From this detection camp, we could prepare a blood group directory of 1200 students in our college and forwarded to the nearest hospitals for emergency call.

As the part of Swachh Bharath Mission, we celebrated Gandhi Jayanthi on 2nd October 2019 by cleaning the college campus and surroundings. The volunteers turned into different groups and selected the different areas for cleaning.

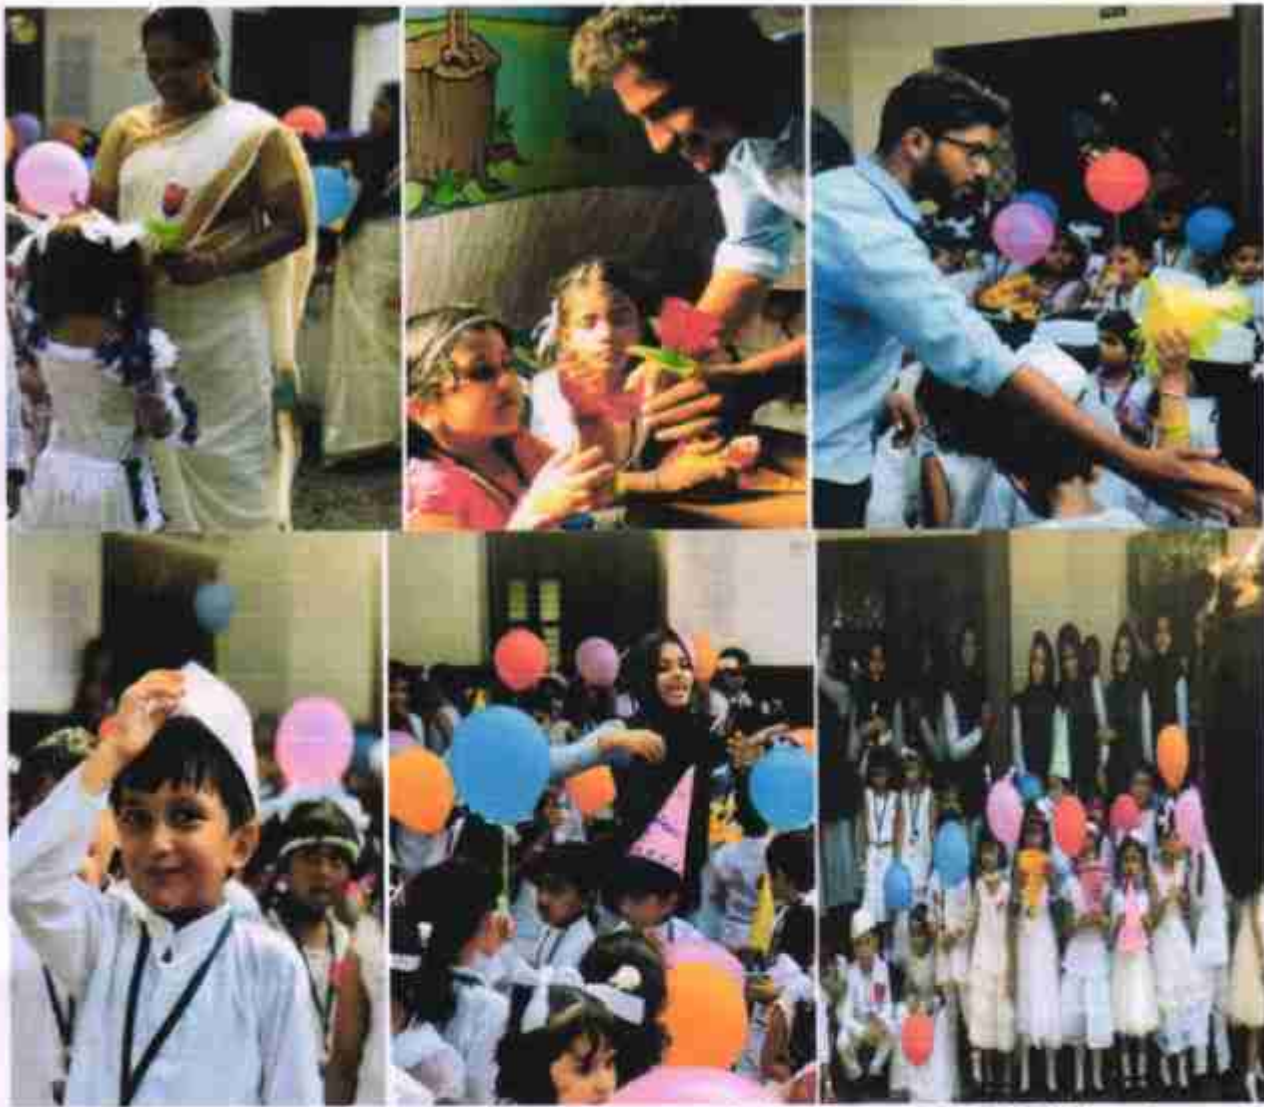

On 14th November, the Children's Day was celebrated with pre primary students near to our college by gifting sweets, flowers, toys and tags and honored the teachers who get the chance to teach them.

On January 19, 2020, the ED Club hosted a vibrant and dynamic event named "Esperanza'20," which showcased the creative talents of college students. The program included an impressive exhibition of art, craft, and food items, all created by the students themselves. This event provided a platform for students to display their skills and innovative ideas, promoting entrepreneurial thinking and creativity. The program commenced with a warm welcome speech by Mujeeb T.P, the Convener of the event. He set the tone for the day by highlighting the importance of such platforms in nurturing student talents and fostering a culture of innovation. Following the welcome address, Prof Abdul Azeez delivered the presidential address, emphasizing the role of educational institutions in encouraging entrepreneurial skills among students. The highlight of the event was the formal inauguration by the esteemed guest, Mr. Kunju Sahib. His presence and words of encouragement added great value to the program, inspiring the students to continue pursuing their creative endeavors with passion and dedication. The exhibition featured a variety of art pieces, handcrafted items, and delicious food stalls, all meticulously prepared by the students. The creativity and effort put into each exhibit were commendable, reflecting the high level of talent within the student body. Visitors were visibly impressed by the originality and quality of the exhibits. The program concluded with a vote of thanks delivered by Larissa, a dedicated member of the ED Club. She expressed gratitude to all participants, organizers, and guests for making "Esperanza'20" a resounding success. Overall, "Esperanza'20" was a well-organized event that not only celebrated student creativity but also encouraged entrepreneurial spirit among the youth. It was a memorable day filled with inspiration, innovation, and artistic expression.

EXTENSION ACTIVITIES
2019-20

LITERACY AWARENESS CAMPAIGN

The literacy Awareness Campaign organized by the Department of English for fifth semester students focused on emphasizing the connection between Kottakkal Farook Arts and Science and the neighbouring community in Ward Number 31, Kizhakkekundu Panchayath, on July 25th, 2019. Literacy awareness campaign aimed to cultivate a love for reading and writing among individuals of all ages and backgrounds, particularly those facing literacy barriers and focused mainly on digital literacy. Our fifth semester students are ready to offer digital literacy awareness, equipping individuals with the skills to navigate the internet, utilize online resources, and communicate effectively in the digital realm.

The campaign also helped to connect people with resources that can help them improve their literacy skills. Also, it helped bridge the Digital Divide. Individuals gained essential digital literacy skills, enabling them to access online resources, communicate effectively, and participate fully in the digital era. The success of this campaign underscores the importance of continued efforts to promote literacy and foster a lifelong love of learning.

Students leading literacy awareness campaign.

Outcome: Enhanced Literacy Skills and Strengthened Community Engagement and Resource Connectivity

2. READING SESSION TO PRE-PRIMARY STUDENTS

A Reading Session was conducted by 3rd semester students, Department of English for pre-primary students in Anganwadi of Ward number 31, Kizhakkekundu Panchayath, as an extension and outreach activity on 5th August 2019 the session was conducted by a group of students of English Language and Literature and included a variety of activities, such as storytelling, singing and dancing.

Reading is an essential skill that is necessary for success in school and in life. However, many children do not have access to books or opportunities to read on a regular basis. This reading session was conducted to provide pre-primary students with the opportunity to experience the joy of reading and to develop their literacy skills. A group of selected students led the session, which included a variety of activities.

The reading session was a success in promoting literacy and instilling a love of reading in young children. The children enjoyed the activities and were eager to learn more about the stories. The feedback from the teachers and parents was positive, and they requested that more reading sessions be conducted in the future. By providing children with the opportunity to experience the joy of reading, this kind of programmes help them to develop the skills they need to succeed in school and in life.

College Students Engaging with Pre-Primary Kids: Extension Activity at Anganwadi.

Outcome: Fostered Early Literacy and Joy of Reading and Positive Community Impact and Demand for Continued Activities.

3.COMMUNITY READING PROGRAMME WAS CONDUCTED AT THE PUBLIC LIBRARY IN PARAPPUR PANCHAYATH

On 12th December 2019, Community Reading Programme was conducted by first semester students at the Public Library in Parappur Panchayath with the objective of promoting literacy and engaging senior citizens through the shared enjoyment of reading. The event, attended by 42 students from Kottakkal Farook Arts and Science College and 33 senior citizens from the Parappur Panchayath community, began at 10.30 AM with an introduction to the importance of reading and the program's goals. The students paired with senior citizens for shared reading sessions of selected literature, encouraging discussions and personal reflections. The senior citizens actively participated, sharing fond memories and appreciating the engagement. Feedback forms indicated a positive response and interest in future programs. The outcomes included enhanced socialization, increased exposure to literature, intellectual stimulation, and strengthened intergenerational connections.

Outcome: Enhanced Intergenerational Engagement and Socialization and Increased Exposure to Literature and Intellectual Stimulation

4. ENGLISH TUTORING SESSION CONDUCTED IN NEAR BY SCHOOLS OF PARAPPUR PANCHAYATH

On 5th march 2020, English tutoring sessions were conducted Fourth semester students in nearby schools of Parappur Panchayath with the objective of enhancing students' English language skills through interactive sessions and practical exercises. The activity began with an introduction to the importance of English proficiency in a globalized world, followed by engaging activities such as vocabulary games (Word Bingo and Word Chain), reading comprehension exercises, role-playing scenarios, pronunciation practice, and creative writing tasks. These activities aimed to expand vocabulary, improve reading skills, practice conversational English, enhance pronunciation, and foster creative writing. Emphasis was placed on creating a supportive environment where students felt comfortable practicing and improving their English language skills.

Empowering Through Education: English Tutoring Session by a Students.

Outcomes: Increased Student Engagement and Confidence and Improved English Language Skills.

5.LETTERWRITNG COMPITTION

On March 5, 2020, second-semester students from Kottakkal Farook Arts and Science College organized a letter writing competition at Farook English Medium Higher Secondary School as part of their extension and outreach activities, targeting 9th standard students. This initiative aimed to enhance literacy, creativity, and effective communication among school students, while fostering community engagement among college students. The competition's primary objectives were to improve writing skills, encourage self-expression, establish a connection between college and school students, and highlight the importance of letter writing in the digital age. The event was meticulously planned over a month, involving coordination with the school's administration, promotion through announcements, preparation of resources such as stationery and example letters, and training of college volunteers to assist and judge the competition.

The event commenced with a welcome speech by the school principal and an introduction to the significance of letter writing by the college's extension and outreach committee coordinator. The competition's theme, "Write a letter to a future self, describing your goals and aspirations," saw 20 enthusiastic participants from the 9th standard. Students were allotted one hour to craft their letters, which were subsequently evaluated by a panel of judges based on creativity, clarity, grammar, and adherence to the theme. Winners were awarded prizes, recognizing their outstanding efforts. The competition was highly successful, achieving significant student engagement, enhanced writing skills, and stronger community bonds. Positive feedback from both students and teachers highlighted the initiative's value. Overall, the event not only showcased students' writing talents but also underscored the enduring importance of letter writing, providing college students with valuable experience in event management and community service.

Letter Writing Competition

Outcomes: To improve writing skills and foster creativity among 9th standard students through the practice of letter writing. And to strengthen community bonds by promoting meaningful interactions and collaboration between college and school students.

DEPARTMENT OF ECONOMICS
EXTENSION ACTIVITIES
2019-2020

1. ECONOMIC RESEARCH AND ANALYSIS IN WARD 1, KOTTAKKAL MUNICIPALITY

On July 25th 2019, fifth semester students from the Department of Economics at Kottakkal Farook Arts and Science College conducted an extension activity in Ward 1, Kottakkal Municipality, aiming to research and analyze economic conditions relevant to the community. The objectives were to understand local economic challenges and opportunities, analyze market trends, and identify policy interventions for sustainable growth. Methodologies included collaboration with local agencies, data collection through surveys, interviews, and observations, and data analysis using statistical tools and economic models. Key findings highlighted high unemployment, market price fluctuations, and the need for entrepreneurship-promoting policies. Outcomes included increased community awareness, policy recommendations for local government, and academic enrichment for students. Supporting documents such as surveys, interview transcripts, and data analysis reports will guide future improvements.

Outcome: The activity led to a heightened awareness within the local community regarding their economic conditions and the factors affecting them and Specific policy recommendations were developed

2. EMPOWERING COMMUNITIES: HEALTH AND HYGIENE CAMPAIGN

On August 5th 2019, the Department of Economics at Kottakkal Farook Arts and Science College organized a Health and Hygiene Awareness Campaign in Ward 1 of Kottakkal Municipality, their adopted village, to foster healthier living through knowledge dissemination on health, hygiene, and sanitation practices. Third semester students conducted door-to-door visits, workshops, and interactive discussions, covering 57 houses to raise awareness about disease prevention, nutrition, maternal and child health, and clean water. The campaign saw active participation and gratitude from residents, indicating increased awareness and potential for sustained behaviour change. This initiative strengthened community bonds and highlighted the importance of community engagement in public health, providing students with valuable experiential learning opportunities. Feedback collected through a distributed form confirmed the campaign's positive impact and effectiveness.

Outcome: Increased Community Awareness and Behaviour Change and Enhancing the students' understanding of public health issues and community engagement

3. AN ECONOMIC ANALYSIS OF WARD 1, KOTTAKKAL MUNICIPALITY

The Department of Economics at Kottakkal Farook Arts and Science College conducted an economic analysis of Ward 1, Kottakkal Municipality, presented in this report dated August 11, 2019. The study aimed to identify economic challenges, local market trends, and propose policy interventions for sustainable growth. Using surveys, interviews, and statistical analyses, key findings revealed high unemployment rates, limited economic opportunities, and market price fluctuations. The analysis highlighted the need for policies promoting entrepreneurship, skill development, and infrastructure investment. Statistical summaries included unemployment rates, average household income, poverty levels, and CPI values. Recommendations included establishing microfinance programs, developing vocational training, and investing in infrastructure. Future research should assess the long-term impact of these interventions and maintain stakeholder collaboration for effective implementation. This report forms the basis for future economic development initiatives in Ward 1

Outcomes: Foundation for Future Economic Development Initiatives and Development of Targeted Policy Recommendations

4. FOOD DRIVE INITIATIVES

On 12th December 2019, first-semester students from the Department of Economics at Kottakkal Farook Arts and Science College launched a food drive to combat local hunger, partnering with food banks and non-profits. The initiative aimed to provide nutritious meals to those facing financial hardship, foster social responsibility among students, and raise awareness about food insecurity. Conducting bi-weekly food drives, students prepared, collected, and distributed food to street beggars and low-income residents. The initiative has successfully provided essential sustenance and encouraged community empathy, despite logistical challenges like transportation and storage. Future plans include expanding the food drive's reach, increasing distribution frequency, and enhancing resource mobilization to support the cause further.

Students participating in a food drive initiative

Outcomes: Provision of Essential Sustenance and Increased Community Empathy. The initiative raised significant awareness about food insecurity within the community.

5. TOPIC: BRIDGING COMMUNITIES: A LIVELIHOOD ENHANCEMENT WORKSHOP

On 10th January, 2020, the Department of Economics at Kottakkal Farook Arts and Science College organized a Livelihood Enhancement Workshop at the college auditorium to promote sustainable development in rural communities. The workshop aimed to educate villagers on innovative agricultural practices, small business development, financial literacy, and skill-building in handicrafts and agro-processing, fostering entrepreneurship and community cooperation. With participation from 42 residents of Ward 1 of Kottakkal Municipality and forth semester students, the event featured interactive sessions, presentations, hands-on activities, and practical demonstrations by experts and faculty members, using real-life case studies to enhance understanding and application of concepts. The outcomes included increased proficiency in agricultural practices, enriched understanding of small business strategies and financial literacy, acquisition of practical skills, and strengthened social cohesion. Residents raised queries about accessing financial resources, implementing agricultural methods, and marketing products. The workshop was deemed a success, highlighting the importance of collaborative efforts for collective prosperity and socio-economic advancement.

Outcomes: Increased Proficiency and Practical Skills Among Participants. Strengthened Community Cooperation and Social Cohesion.

EXTENSION ACTIVITIES

2019-2020

I. LITERACY CAMPAIGN FOR OLD AGE PEOPLE IN ANGANAWADI

On July 25 2019, fifth-semester political science students from Kottakkal Farook Arts and Science College organized a literacy campaign for elderly people at the Anganwadi centre in the fourth ward. This initiative aimed to address the educational needs of senior citizens in rural communities by promoting literacy and lifelong learning, offering opportunities for social interaction, cognitive stimulation, and skill enhancement. The campaign included interactive workshops on health, nutrition, financial literacy, and technology usage, starting at 2 pm, to provide elderly individuals with practical knowledge and skills. A needs assessment was also conducted to tailor the program to the interests and preferences of the participants. The outcome of the campaign was significant, as it improved the basic literacy and numeracy skills of the elderly, promoted cognitive stimulation and social interaction, and enhanced their mental well-being and quality of life. Additionally, it fostered intergenerational connections and community cohesion. This literacy campaign underscores the transformative potential of educational initiatives in promoting lifelong learning and social inclusion among older adults, thereby enhancing their well-being and empowerment in rural communities.

Outcome: Improved the basic literacy and numeracy skills of the elderly participants and also Strengthened Community and Social Engagement.

2. RTI AWARENESS CAMPAIGN IN THE FOURTH WARD OF KOTTAKKAL MUNICIPALITY, IN ASSOCIATION WITH NATIONAL INFORMATION DAY

On October 12 2019, the Department of Political Science's third-semester students organized an RTI Awareness Campaign in the Fourth Ward of Kottakkal Municipality, in association with National Information Day. This campaign aimed to encourage active participation in governance by utilizing the provisions of the RTI Act. The objectives were to raise awareness about the RTI Act among residents, educate them about their rights to access information from public authorities, and empower them to effectively utilize the RTI Act to address local issues. Activities included a street campaign where students distributed informational pamphlets, interactive roadside sessions explaining the RTI Act's importance and procedure, and poster displays to increase visibility. The campaign successfully raised awareness about the RTI Act, facilitated meaningful community engagement, empowered citizens with knowledge on exercising their right to information, and garnered support for greater transparency and accountability in municipal affairs. The event laid a foundation for future advocacy efforts, with students committed to promoting transparency and accountability through various initiatives. Overall, the RTI Day campaign was a valuable initiative in promoting civic awareness and empowering citizens to actively participate in governance.

Outcome: Effectively raised awareness about the Right to Information (RTI) Act among residents and Enhanced Community Engagement and Support for Transparency.

3. INTERNATIONAL DAY OF THE RIGHT OF THE CHILD

On 20th November 2019, the Department of Political Science, in collaboration with first-semester Political Science students, organized the International Day of the Rights of the Child in the Fourth Ward of Kottakkal Municipality. The event aimed to raise awareness about children's rights and advocate for their protection and well-being. Activities began with educational workshops on various aspects of children's rights, followed by an inauguration by Mr. Sampreeth T M, head of the Political Science department, and speeches highlighting the importance of these rights. Panel discussions led by Mr. Sampreeth T M, Mr. Anjali K G, and Mr. Rahul covered the United Nations Convention on the Rights of the Child and national and state commissions for child protection. An interactive session allowed participants to ask questions and share experiences. Educational materials were distributed to further community learning and advocacy. The event, marked by the enthusiastic participation of students, volunteers, and community members, successfully promoted children's rights and fostered community engagement. Moving forward, continued efforts are essential to create a safer, more inclusive environment where every child can thrive and realize their full potential.

Outcome: Enhanced Awareness and Advocacy for Children's Rights and Increased Community Engagement and Support

4. DEMOCRACY STRENGTHENING CAMPAIGN IN THE 4TH WARD OF KOTTAKKAL MUNICIPALITY

10th January 2020, the Department of Political Science, in collaboration with fourth-semester Political Science students, organized a Democracy Strengthening Campaign in the 4th Ward of Kottakkal Municipality at the local Anganwadi. The event aimed to raise awareness about the democratic form of government, encourage civic engagement, and empower residents with knowledge about their democratic rights and responsibilities. The program included an inauguration by Mr. Sampreeth T. M., the head of the Political Science department, followed by panel discussions led by Mr. Sampreeth, Mr. Anjali K. G., and Mr. Rahul on topics such as the Indian Constitution and the challenges facing Indian democracy. An interactive session allowed participants to ask questions and share experiences. The campaign successfully increased awareness, empowered citizens, and fostered community cohesion, setting a foundation for continued efforts to build a more informed and participatory society.

Outcome: Empowered Citizens and Strengthened Community Cohesion and also Increased Awareness and Understanding of Democratic Processes;

5. SOCIAL JUSTICE AWARENESS CAMPAIGN IN NATIONAL HUMAN RIGHT DAY

On 10th December 2020, in association with National Human Rights Day, the Department of Political Science and second -semester Political Science students organized a Social Justice Awareness Campaign in the 4th Ward of Kottakkal Municipality. The campaign aimed to raise awareness about human rights, educate the community on their rights and responsibilities, advocate for the promotion and protection of human rights, and empower individuals to address violations in their locality. Activities included distributing informational materials and conducting a street campaign to engage residents in conversations about human rights issues. The campaign successfully increased awareness, empowered community members with knowledge about their rights, encouraged active community engagement, and sparked interest in future advocacy initiatives. Overall, it contributed to long-term efforts to create a more just, equitable, and rights-respecting society, marking a significant grassroots initiative in human rights education and advocacy.

Outcome: Enhanced Awareness and Understanding of Human Rights and successfully empowered community members to address human rights violations within their locality.

DEPARTMENT OF PHYSICS
EXTENSION ACTIVITIES

2019-20

1. PHYSICS OF MUSIC

On June 20, 2019, the PG Department of Physics at Kottakkal Farook Arts and Science College organized a workshop titled "Physics of Music." The event took place at the college and was attended by 35 students from fifth semester and 20 residents from Ward 14, Parappur Panchayath. The workshop aimed to elucidate the physics principles underlying music, focusing on concepts such as sound waves, resonance, harmonics, and the Doppler effect. Through a blend of theoretical instruction and hands-on activities, participants were able to build simple musical instruments and analyse acoustics in different environments. Demonstrations using tuning forks and glassware illustrated resonance, while string instruments and pipes were used to explain harmonics. The Doppler effect was visualized using moving sound sources. Participants actively engaged in building flutes and drums, reinforcing their understanding through practical application. The interactive sessions allowed them to ask questions and discuss concepts with instructors, fostering a deeper appreciation for the science behind music. The workshop was successful in enhancing community engagement and collaboration between students and residents, and received positive feedback. Key areas of interest included the practical application of harmonics, real-world examples of the Doppler effect, and the influence of environmental acoustics on sound quality.

Outcome: Enhanced Understanding of Acoustic Principles and Practical Application. Strengthened Community Engagement and Student-Resident Collaboration.

2. ASTROPHOTOGRAPHY

On 5th August 2019, the PG Department of Physics at Kottakkal Farook Arts and Science College hosted an "Astrophotography Workshop." The event aimed to introduce participants to astrophotography, blending principles of light, optics, and photography. Forty-two students from third semester and 35 residents from Ward 14, Parappur Panchayath attended, eager to learn how to capture celestial images using telescopes and digital cameras. The workshop began with an overview of the basic principles of light and optics, followed by practical sessions where participants learned to set up and use telescopes and cameras. They received hands-on experience in focusing and capturing images of stars, planets, and other celestial objects.

Lectures and discussions covered various astronomical phenomena, such as star formation, planetary motion, and nebulae, enriching participants' understanding of these concepts. Demonstrations on image processing techniques taught attendees how to use software tools to enhance astrophotographs, including adjusting exposure and contrast and removing noise. Interactive Q&A sessions allowed participants to engage with instructors, addressing technical aspects of telescope use, details of image processing, and specific astronomical phenomena.

The workshop successfully combined theoretical learning with practical application, enhancing participants' skills in astrophotography and deepening their appreciation for astronomy and photography. Participants gained practical experience with telescopes and cameras, improved their ability to process astrophotographs, and increased their knowledge of astronomical phenomena. The positive feedback indicated heightened interest and appreciation for the subjects. Key areas of doubt included aligning and focusing telescopes, specific software tools for image enhancement, and detailed explanations of observed phenomena. Overall, the workshop was a successful educational initiative, fostering greater interest in astrophotography among the community.

Outcome: Improved Skills in Astrophotography and Image Processing. Increased Knowledge and Appreciation of Astronomy

3. RENEWABLE ENERGY EXPLORATION WORKSHOP.

On 12th December 2019, the UG students of the PG Department of Physics at Kottakkal Farook Arts and Science College organized a "Renewable Energy Exploration Workshop." This workshop aimed to educate 42 students from first semester students and 35 residents from Ward 14, Parappur Panchayath on the principles and applications of renewable energy sources, such as solar, wind, and hydroelectric power. Participants engaged in hands-on activities, field trips, and demonstrations, gaining insights into energy conversion, efficiency, and the environmental benefits of renewable energy. The event began with an overview of various renewable energy sources and their underlying principles. Field trips to local solar farms and wind turbine installations provided practical exposure, complemented by demonstrations of small-scale renewable systems.

Participants built and tested simple solar-powered devices, experimented with wind turbines to understand power generation, and conducted water flow experiments using miniature hydroelectric models. Discussion sessions highlighted the environmental impact and sustainability of renewable energy, along with economic comparisons to traditional fossil fuels. Interactive Q&A sessions allowed participants to engage with experts, addressing queries about the efficiency of solar panels, the feasibility of wind power in local conditions, and the economic implications of adopting renewable energy.

The workshop successfully combined theoretical knowledge with practical application, enhancing participants' understanding of renewable energy technologies and their benefits. It increased awareness of the environmental and economic advantages of renewable energy, encouraging further studies or careers in the field. Participants left with practical knowledge, a heightened interest in sustainability, and positive feedback on the initiative. Key areas of interest included the efficiency of solar panels in varying weather, the challenges of wind power locally, and the financial aspects of transitioning to renewable energy.

Outcome: Enhanced Understanding and Practical Knowledge of Renewable Energy Technologies. Increased Awareness and Interest in Renewable Energy and Sustainability.

4. INTRODUCTION TO QUANTUM MECHANICS

On 10th January 2020, the PG Department of Physics at Kottakkal Farook Arts and Science College hosted an "Introduction to Quantum Mechanics" workshop. The event was designed to demystify quantum mechanics, introducing 25 students from forth semester students and 35 residents of Ward 14, Parappur Panchayath, to concepts such as wave-particle duality, quantum superposition, and entanglement. The workshop included a blend of lectures, demonstrations, and hands-on activities. Participants learned about the history and development of quantum mechanics and explored complex phenomena through visual aids and simulations. Simple experiments, such as the double-slit experiment using lasers and photodetectors, helped illustrate wave-particle duality. Presentations highlighted the real-world applications of quantum mechanics, including its use in quantum computing and cryptography, sparking interest in its technological implications. Interactive Q&A sessions allowed participants to engage deeply with instructors, raising questions about the interpretation of quantum phenomena, the practicality of current quantum technologies, and the future potential of quantum mechanics. The workshop was well-received, with participants gaining a foundational understanding of quantum mechanics and expressing increased interest in further studies and careers in the field. The initiative successfully combined theoretical and practical learning, fostering a greater appreciation for the complexities and possibilities of quantum physics.

Outcome: Foundational Understanding of Quantum Mechanic and Increased Interest and Engagement in Quantum Physics.

5. THE PHYSICS OF EVERYDAY LIFE.

On 2nd march 2020, the PG Department of Physics at Kottakkal Farook Arts and Science College hosted a workshop titled "The Physics of Everyday Life." The event aimed to demonstrate the practical application of physics principles in daily life, making the subject more relatable and engaging for participants. A total of 77 people attended, including 42 students and 35 residents from Ward 14, Parappur Panchayath. The workshop's objectives were to show the relevance of physics in daily activities and objects, explain fundamental physics concepts in an accessible manner, provide hands-on experiments to illustrate key physics principles, encourage observation and questioning of the physical world, and foster a greater interest in physics and science. The workshop was organized into several sections: an introduction to everyday physics, interactive demonstrations of gravity, motion, electricity, and magnetism using everyday objects, hands-on experiments like building simple machines and conducting static electricity experiments, discussion sessions explaining phenomena such as why the sky is blue and how refrigerators work, and interactive Q&A sessions where participants engaged with instructors. The outcomes included participants gaining a practical understanding of physics in everyday life, enhanced comprehension of basic physics principles through interactive activities, increased curiosity about the physical world, positive feedback indicating a greater appreciation for physics, and encouragement for further exploration of physics topics. Overall, the workshop was a successful educational initiative that effectively combined theoretical learning with practical application, allowing participants to explore the physics behind everyday objects and phenomena, leading to a deeper understanding and appreciation of the subject. Key areas of interest included the practical applications of physics principles, detailed explanations of everyday phenomena, and ways to replicate experiments at home.

Outcome: Practical Understanding of Physics in Daily Life and Increased Curiosity and Appreciation for Physics

DEPARTMENT OF MATHEMATICS

EXTENSION ACTIVITIES 2019-2020

1. Math Awareness Campaign For Higher Secondary Students

On June 10, 2019, Kottakkal Farook Arts and Science College's Mathematics Department hosted a Math Awareness Campaign for IU higher secondary students in Parappur. The event featured a quiz competition, problem-solving workshops, lectures on mathematics' real-world applications, and a math awareness rally. Objectives included fostering a positive attitude towards math, demonstrating practical applications, and inspiring future studies in the field. Feedback highlighted increased student engagement and improved problem-solving skills. Despite challenges like ensuring participation and managing resources, the campaign was successful, enhancing students' interest in mathematics and setting a foundation for future initiatives.

Outcome

The Math Awareness Campaign successfully met its goals by enhancing student engagement and understanding of mathematics. The quiz competition reinforced key mathematical concepts and increased student enthusiasm. Problem-solving workshops improved analytical and critical thinking skills, while the lectures highlighted the real-world applications of mathematics, motivating students to consider careers in the field. The math awareness rally effectively raised community awareness about the importance of mathematics. Positive feedback from both students and teachers indicated increased interest and confidence in mathematics, suggesting improved academic performance and future career prospects. Future campaigns will build on this success by incorporating more advanced topics and increasing community involvement.

2. Training Session For Uss Students Of IUHSS Parappur

On August 13, 2019, Kottakkal Farook Arts and Science College conducted a training session for Upper Secondary School students at IUHSS Parappur. The session included diagnostic assessments, conceptual workshops, problem-solving exercises, and mock tests, aimed at reinforcing fundamental math concepts and enhancing problem-solving skills. Outcomes showed significant improvements in students' understanding and confidence, with positive feedback highlighting the effectiveness of interactive and engaging activities. Teachers noted progress in students' problem-solving abilities and gained valuable insights into teaching strategies. The successful session underscores the department's commitment to supporting academic growth and fostering a positive attitude towards mathematics.

Outcome

The training session for Upper Secondary School students at IUHSS Parappur, held on August 13, 2019, achieved its objectives by significantly enhancing students' mathematical skills and problem-solving abilities. Diagnostic assessments identified key areas needing support, while conceptual workshops improved understanding of fundamental topics. Problem-solving sessions and mock tests boosted analytical skills and exam readiness. Student feedback indicated increased confidence and comprehension, with teachers noting substantial progress in problem-solving and conceptual clarity. The session's success underscores the effectiveness of interactive learning and supports the Mathematics Department's commitment to fostering academic growth and enthusiasm in mathematics.

3. Tutoring On Second Degree Equations For High School Students Of IUHSS Parappur

On December 10, 2019, Kottakkal Farook Arts and Science College conducted a tutoring session for IUHSS Parappur high school students focused on quadratic equations. Activities included an initial assessment, conceptual workshops, problem-solving sessions, and group activities. Outcomes showed improved understanding and problem-solving skills, with students expressing increased confidence. Feedback highlighted the effectiveness of interactive and personalized teaching methods. Teachers noted significant progress in students' conceptual clarity and problem-solving abilities. The success of this initiative underscores the Mathematics Department's commitment to enhancing students' mathematical skills and providing ongoing academic support.

Outcome

The tutoring session on quadratic equations for IUHSS Parappur high school students, conducted on December 10, 2019, achieved its objectives by significantly enhancing students' understanding and problem-solving skills. The initial assessment identified key areas for improvement, while conceptual workshops and problem-solving sessions deepened comprehension and confidence. Group activities promoted collaborative learning and diverse problem-solving strategies. Student feedback highlighted increased understanding and confidence, and teachers noted substantial progress in problem-solving abilities and conceptual clarity. The session's success demonstrates the effectiveness of interactive and personalized teaching approaches, reinforcing the Mathematics Department's commitment to ongoing academic support and enrichment.

On January 2, 2020, Kottakkal Farook Arts and Science College conducted training sessions for lower secondary school students at Amlp School Veenalukkal. The program included an initial assessment, conceptual workshops on basic arithmetic and geometry, interactive problem-solving sessions, and group activities. Outcomes included improved understanding of fundamental math concepts, enhanced problem-solving skills, and increased student confidence. Both students and teachers provided positive feedback, highlighting the effectiveness of the interactive and personalized teaching methods. The successful sessions demonstrate the mathematics department's commitment to supporting and enriching students' foundational math skills.

Outcome

The training sessions held on January 2, 2020, for lower secondary school students at Amlp School Veenalukkal successfully met their objectives. The initial assessment pinpointed areas needing focus, while conceptual workshops and interactive problem-solving sessions improved students' understanding and practical skills in fundamental mathematics. Group activities fostered teamwork and peer learning. Students reported enhanced confidence and comprehension, and teachers noted significant progress in mathematical skills and understanding. The positive feedback highlights the effectiveness of the sessions and affirms the mathematics department's commitment to ongoing student support and enrichment in foundational math.

5. Maths Quiz On Pi Day

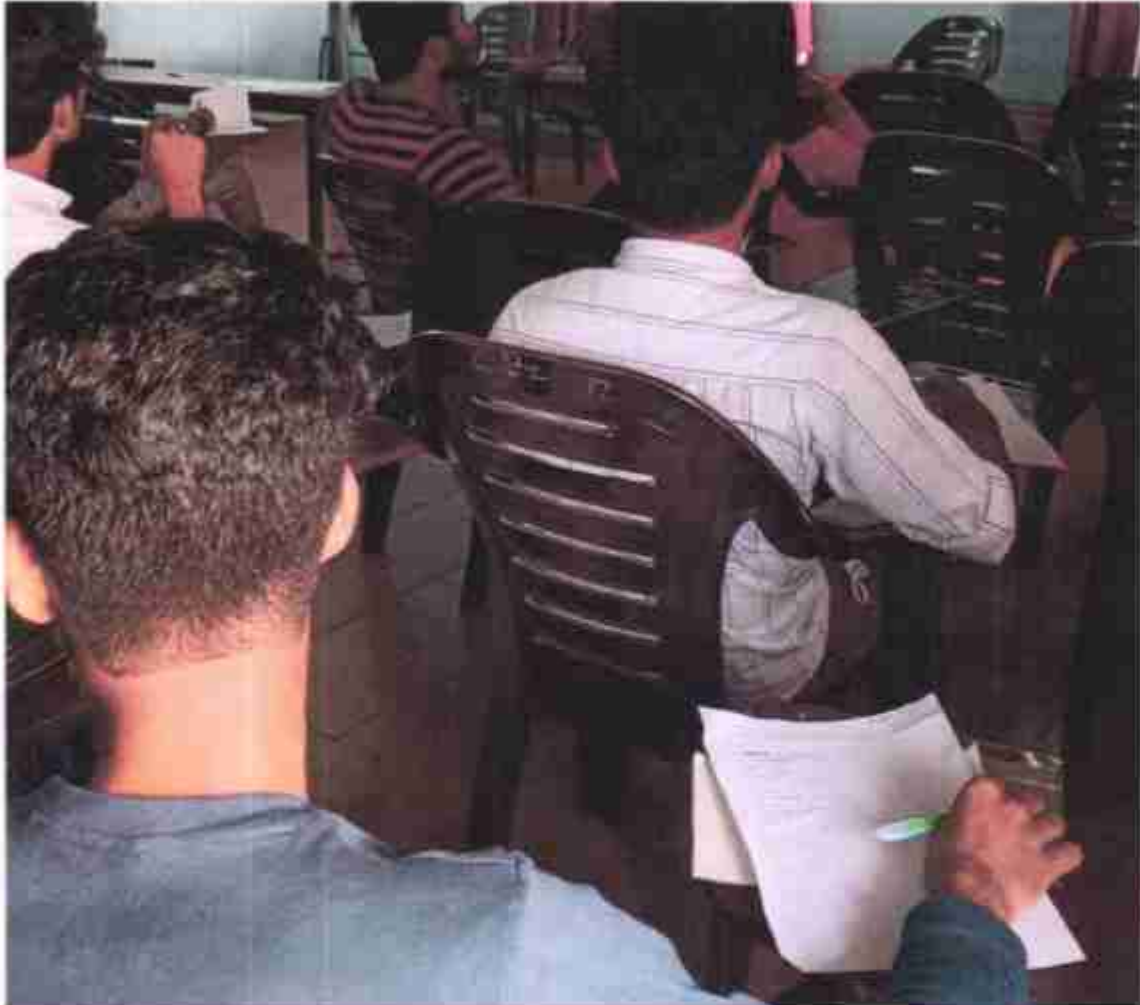

On March 14th, in celebration of Pi Day, the Mathematics Department of Kottakkal Farook Arts and Science College organized a Maths Quiz at IUHSS Parappur. The event, designed to enhance interest in mathematics, featured 12 teams of students competing in three rounds on Pi's history, calculations, and trivia. Managed by student volunteers, the quiz fostered enthusiasm and teamwork. Team Pi-rates (Grade 12) secured first place, followed by Team Circle Squared (Grade 10) and Team Theorems (Grade 11). Positive feedback from participants highlighted the event's success in making math engaging and educational.

Outcome

The Pi Day Maths Quiz at IUHSS Parappur successfully met its objectives. With 12 teams and 36 students participating, the event fostered a deeper interest in mathematics and celebrated the significance of Pi. The quiz, consisting of rounds on history, calculations, and trivia, encouraged teamwork and problem-solving skills. Team Pi-rates (Grade 12) won first place, followed by Team Circle Squared (Grade 10) and Team Theorems (Grade 11). Feedback was highly positive, with students and teachers praising the quiz's engaging format and educational value. The event effectively promoted mathematical learning and collaboration.

2019-20

1. TOPIC: HEALTH ISSUES AND PREVENTION REMEDIES IN KOTTAKKAL.

On July 31, 2019, fifth semester students from Kottakkal Farook College conducted an extension activity to inform residents of Kottakkal Municipality about common health issues and their prevention. This activity involved visiting a selected sample of eight houses in the municipality to engage directly with the community. The objectives were to educate residents about prevalent health issues, provide practical advice on prevention methods, enhance community health awareness, and collect feedback to understand community health concerns. Using a random sampling method, eight houses were selected for the study. Students were briefed and provided with informational pamphlets and health kits before their visits. During the visits, students interacted with residents, sharing information on health issues such as common cold and fever, dengue fever, diabetes, hypertension, and COVID-19, along with preventive measures for each. They emphasized personal hygiene, a balanced diet, physical activity, regular medical check-ups, and mental health. Residents appreciated the initiative, found the information useful, and expressed a need for more interactive sessions and additional information on managing chronic diseases. Observations indicated high interest from residents in implementing health tips, common concerns about managing diabetes and hypertension, and a sense of community engagement fostered by the initiative. This activity highlights the success of engaging with the community to promote health education and preventive measures, demonstrating the importance of ongoing health education initiatives.

Outcomes : Increased Health Awareness and Preventive Practices and Enhanced Community Engagement and Feedback:.

2. DIGITAL TRANSFORMATION IN BUSINESS WITH SPECIAL REFERENCE TO KOTTAKKAL MUNICIPALITY

The event on the impact of digital transformation in business, held on 5/08/2019, at Kottakkal Municipality from 10 AM to 4 PM. For this purpose third semester students take 15 business institutions in Kottakkal Study highlighted the importance of technology in reshaping how businesses operate. The data collection involved students using a structured questionnaire to gather insights. The findings revealed a growing trend in businesses adopting digital technologies like AI and cloud computing Challenges included cultural resistance and data security concerns, while benefits included improved operational efficiency and economic gains such as increased revenue and cost savings. students expressed gratitude to all participants and emphasized the collaborative effort in collecting valuable data. This report provides a simple overview of the event's discussions and insights into the impact of digital transformation on businesses. In today's world, digital transformation plays a crucial role in helping businesses stay competitive and relevant. With technology constantly evolving, businesses need to adapt to meet the changing demands of customers and the market. Digital transformation enables companies to streamline their operations, make data-driven decisions, and reach a wider audience through online channels. By embracing digital tools and strategies, businesses can improve their efficiency, innovate their products and services, and ultimately, thrive in the digital age. Therefore, in this scenario, digital transformation is essential for businesses to stay ahead of the curve and succeed in the rapidly evolving marketplace.

Outcomes : Enhanced Understanding of Digital Technologies and also Identified Challenges and Opportunities

3. TOPIC: A Study on Women Empowerment Initiatives With Special Reference To Chunda Ward, Kottakkal Municipality

As part of the ongoing extension activities organized by Kottakkal Farook Arts and Science College, a special program was conducted on 25th November 2019, focusing on women empowerment initiatives, particularly those implemented by the Kudumbashree unit in Chunda Ward. The session was designed to offer both the students and the community members a deeper understanding of the concept of women empowerment and the various measures undertaken to promote it. The primary objective of this activity was to provide participants with a comprehensive idea of what women empowerment entails. Through interactive discussions and presentations, students and Kudumbashree members explored the significance of empowering women in today's society. The session highlighted the importance of self-reliance, financial independence, and leadership among women, showcasing successful examples from the Kudumbashree initiatives in Chunda Ward. The activity also aimed to raise awareness among Kudumbashree members about the different measures and initiatives that have been implemented to improve women empowerment. Detailed explanations were provided on various programs and schemes, enabling participants to better understand the resources available to them and how they can actively contribute to their community's development.

In addition to enhancing the understanding of the concept of women empowerment, this extension activity also served as a platform for students to build their confidence in public speaking and presentations. Engaging directly with the Kudumbashree members allowed students to develop essential communication skills and foster social connections within the community. Overall, the extension activity was a valuable experience for both the students and the community members. It successfully increased awareness of women empowerment initiatives and provided a meaningful opportunity for social interaction and personal growth.

Outcomes : Increased Awareness of Women's Empowerment and Strengthened Community Support:

4. DIGITAL LITERACY AND CYBER SECURITY WITH REFERENCE TO KOTTAKKAL FAROOK HIGHER SECONDARY SCHOOL

On 10th January 2020, Kottakkal Farook Arts and Science College organized an extension activity on "Digital Literacy and Cybersecurity" at Farook Higher Secondary School, Kottakkal. This event, attended by fourth-semester BBA students and Plus Two students from the commerce stream, aimed to enhance awareness of safe digital practices and the importance of cybersecurity. The workshop provided comprehensive insights into digital literacy, emphasizing the responsible use of digital tools and the recognition of online threats such as phishing and malware. Practical tips on data protection, including strong passwords and secure browsing, were also shared. The session covered the fundamentals of cybersecurity, focusing on the ethical use of digital resources and strategies to safeguard personal data.

As part of the activity, students engaged in a hands-on exercise where they used a questionnaire to collect data on digital literacy and cybersecurity awareness among their peers in the commerce stream. This practical component not only reinforced the workshop's key concepts but also provided valuable feedback that could inform future initiatives. The activity successfully equipped participants with the knowledge and skills necessary to navigate the digital world securely, fostering a culture of digital responsibility and vigilance. The commitment of Kottakkal Farook Arts and Science College and Farook Higher Secondary School to preparing students for the digital challenges of the modern world was clearly reflected in the success of this event, as participants left with a heightened awareness and readiness to face the complexities of the online environment.

OUTCOME : The activity successfully heightened students' awareness of digital literacy and cybersecurity, equipping them with essential skills to navigate the digital world securely.

5. FINANCIAL LITERACY AMONG KUDUMBASHREE MEMBERS.

On 4th March 2020, Kottakkal Farook Arts and Science College conducted an extension activity titled "Financial Literacy Among Kudumbasree Members with Special Reference to Valiyaparamba." This initiative aimed to assess and enhance the financial literacy of Kudumbasree members, focusing on women from Valiyaparamba, the 11th ward of Kottakkal Municipality. The participants included second-semester BCom students, who actively engaged with the Kudumbasree members to evaluate their understanding of basic financial concepts, banking services, and investment opportunities. The study highlighted the significance of financial literacy in empowering these women to navigate the financial landscape effectively. By assessing their current knowledge levels and sources of financial information, the activity sought to identify gaps and provide tailored financial education. The participants conducted surveys to gauge the satisfaction levels of Kudumbasree members with their financial knowledge and explored the primary sources contributing to their understanding of financial matters.

The findings underscored the need for targeted financial education and outreach programs to enhance the financial well-being of Kudumbasree women. The activity successfully raised awareness about the importance of financial literacy, contributing valuable insights that can inform future extension and community engagement strategies for fostering financial inclusion and empowerment among women in the community.

Outcomes : Insights into Financial Knowledge Sources and Enhanced financial literacy.
