Annual Report 2021-22

Introduction:

In the academic year 2021-22, the Internal Quality Assurance Cell (IQAC) at Kottakkal Farook Arts and Science College has seen an unprecedented surge in activities, surpassing the achievements of previous years. Established in 2012, our IQAC has become a key driver of quality enhancement within the institution. Throughout the past year, we've organized various workshops, seminars, and initiatives to improve academic and administrative standards. Our dedication to excellence has propelled us to address challenges and capitalize on growth opportunities. As we look forward, the IQAC remains committed to advancing the institution's mission, guiding Kottakkal Farook Arts and Science College toward a future of innovation, excellence, and continuous improvement.

IQAC COMPOSITION

Sl. No	Position	Name of the Member	Designation
1.	Chairman	Prof. M. Abdul Azeez	Principal
2.	Coordinator	T.K. Faheema	IQAC Coordinator
3.	Member	Mohammed Labeeb. M	Vice Principal
4.	Member	Sreenath M	HOD, Department of English
5.	Member	Nandini. P.C	HOD, Department of Commerce & Management
6.	Member	Sampreeth T M	HOD, Department of Political Science
7.	Member	Mubarak. N	HOD, Department of Physics
8.	Member	Nafeesa. P.V	HOD, Department of Economics
9.	Member	Aboobacker Kutty Naha	HOD, Department of Mathematics
10.	Member	Samsheer. K	HOD, Department of Physical Education
11.	Member	Beenamol N S	Coordinator, Department of Mathematics
12.	Member	Rajeena. T.P	Librarian

Prof. M. ABDUL AZEEZ

VISION:

Our vision is to empower and uplift underprivileged communities through education, enabling them to become active contributors to the nation's growth.

MISSION:

Our mission is to provide exceptional educational infrastructure and an academic environment that promotes higher learning, fosters strong moral values, and encourages personal and professional growth.

We are committed to offering students diverse opportunities to realize their full potential through a range of curricular and co-curricular activities, emphasizing excellence and quality teaching with a modern outlook.

CORE VALUES:

- F Fostering Creativity
- A Academic Excellence
- R Respect for Diversity
- O Open-mindedness:
- O Outreach and Engagement
- K Knowledge Transfer

COURSES OFFERED:

SLNo	Programme	Core	Complementary
1	BA	English Language and Literature	1. Social and Cultural History of Britain 2. Journalism

Prof. M. ABDUL AZEEZ
PRINCIPAL
KOTTAKKAL FAROOK ARTS & SCIENCE COLLEGE
PARAPPUR(P.O) - 676 503

2	BA	Economics	1.Modern Indian History 2.Banking
3	BA	Political Science	1.Modern World History 2.Introductory Economics
4	B.Com	Finance	1. Managerial Economics 2. Marketing Management 3. Quantitative Techniques for Business
5	B.Com	Computer Application	1. Managerial Economics 2. Marketing Management 3. Quantitative Techniques for Business
6	BBA	BBA	1. Managerial Economics 2. Business Regulations 3. Corporate Regulations 4. Quantitative Techniques for Business
7	BSc	Mathematics	1. Statistics 2. Physics
8	BSc	Physics	1. Mathematics 2. Chemistry
9	BSc	Botany	1. Zoology 2. Chemistry
10	M.Com	Finance	1. Investment Management 2. Financial Markets & Institution 3. International Finance 4. Advanced Strategic Financial Management
11	MSc	Physics	1.Experimental Techniques 2.Laser Systems, Optical Fibres and Applications 3.Micro Processors, Micro Controllers and Applications

FACULTIES:

Our college boasts a dedicated team comprising both teaching and non-teaching staff members, collectively contributing to the institution's mission of academic excellence and holistic development. As of the reporting period, our staff composition stands as follows:

Prof. M. ABDUL AZEEZ
PRINCIPAL
KOTTAKKAL FAROOK ARTS & SCIENCE COLLEGE
PARAPPUR(P.O) - 676 503

Faculties	Male	Female	Total
Teaching	21	47	68
Non-Teaching	6	17	23

Qualification	No. of Faculties
Ph.D.	1
M.Phil.	3
NET/SET/JRF	36

This diverse and committed team plays a pivotal role in fostering a conducive learning environment, facilitating administrative operations, and providing comprehensive support services, ensuring the smooth functioning of our institution. We value their dedication and contribution towards the advancement of our college community.

STUDENT ADMISSION STATUS:

Programme name	Number of seats sanctioned	Number of Students admitted	Number of students admitted from the reserved category				
			SC	ST	OBC	Gen	Others
BA English Language & Literature	70	59	2	1	8	19	29

 PARAPPUR(P.O) - 676 503

INFRASTRUCTURE FACILITIES:

Our college prides itself on providing exceptional infrastructure facilities that cater to the diverse needs of our students and staff, fostering a conducive environment for academic and extracurricular pursuits. Here's an overview of the infrastructure strength at our campus:

1. Academic Facilities:

- ICT-enabled classrooms equipped with modern teaching aids such as projectors, android smart TVs, and interactive panels.
- Five laboratories dedicated to various science departments.
- State-of-the-art computer labs with up-to-date software and hardware.
- A well-stocked automated library featuring the BOOK MAGIC software and access to the N-List Database.
- An institutional digital repository offering online access to academic resources.
- Customized MOODLE Learning Management System (LMS) for enhanced academic delivery.
- Inno Hub & Incubation Centre fostering innovation and entrepreneurship.

2. Sports and Recreation Facilities:

- Sports fields for football, cricket, badminton, basketball, tennis, and athletics.
- Wellness Retreat offering gymnasium, fitness, and yoga facilities.

3. Student Amenities:

- Spacious seating areas shaded by trees for student relaxation.
- Dining facilities in CAFÉ FAROOK canteen and PERK RETREAT cafeteria.
- 'STUDENT RETREAT' common area for student interaction and relaxation.
- Student restrooms, medical center, and first aid facilities.
- College emergency vehicle for hospital care.
- Girls' washrooms with sanitary pad vending machines and incinerators.
- Facilities for differently-abled students including washrooms with handles, lifts, ramps, and wheelchairs.

Prof. M. ABDUL AZEED
PRINCIPAL
KOTTAKKAL FAROOK ARTS & SCIENCE COLLEGE
PARAPPUR(P.O) - 676 503

4. Technology Infrastructure:

- High-speed internet connectivity across the campus with multiple network connections.
- Wi-Fi facility with a high-speed connection.
- Fully equipped computer labs and e-content development center.
- Access to online learning platforms and resources.
- Standby generators and UPS systems to ensure uninterrupted power supply.

5. Administrative Facilities:

- Administrative offices for staff and student services.
- LAN-enabled office cabins, reception desk, and visitor's room.
- Storage rooms with compact storage systems.
- Staff rooms, faculty offices, amenity staff rooms, and conference rooms.

6. Safety and Security Measures:

- Security personnel stationed across the campus.
- Safety protocols and training programs.
- Fire-fighting systems, fire hydrants, and multiple exit points in buildings.
- CCTV surveillance in strategic locations and PA systems for announcements.

7. Green Initiatives:

- Sustainable practices for recycling and waste management.
- Green spaces, gardens, and energy-efficient infrastructure.
- Water management practices including drip irrigation and rainwater harvesting.
- Biowaste management systems and RO drinking water plant.

8. Transportation Services:

- College buses for female students and staff.
- Separate parking lots for bikes, cars, and buses.

9. Community Engagement Spaces:

- Auditorium with advanced sound and light systems.
- Seminar rooms equipped with interactive panels.

M. ABDUL AZEEZ
PRINCIPAL
KOTTAKKAL FAROOK ARTS & SCIENCE COLLEGE
PARAPPUR(P.O) - 676 503

- Audio-video-enabled rooms for academic events and cultural activities, including alumni talk series and seminars.
- Amphitheater for cultural performances and events.

These infrastructure facilities collectively contribute to an enriching and conducive environment, supporting the holistic development and academic pursuits of our college community.

ACADEMIC PERFORMANCE:

I. Examination Results:

FACULTY DEVELOPMENT PROGRAMME ON

“MASTERING MASTERSOFT ERP: ENHANCING ACADEMIC EFFICIENCY”

REPORT

INTRODUCTION

The Internal Quality Assurance Cell (IQAC) of Kottakkal Farook Arts and Science College organized a comprehensive Faculty Development Programme (FDP) titled “Mastering Mastersoft ERP: Enhancing Academic Efficiency” from 1st June 2021 to 9th June 2021. Conducted online via the Zoom platform, this seven-day program aimed to equip faculty members with in-depth knowledge and practical skills in using Mastersoft ERP to streamline academic and administrative processes. A total of 55 (49 teaching and 6 teaching) members participated, making the FDP a significant initiative toward enhancing the college's academic efficiency.

The FDP commenced with an inaugural session at 10:00 AM on 1st June 2021. Mrs. T K Faheema, the IQAC Coordinator, delivered the welcome speech, followed by the presidential address by Mr. Mohammed Labeeb, Vice Principal of the college. The program was officially inaugurated by Prof. M Abdul Azeez, the Principal, who highlighted the importance of adopting modern ERP systems in educational institutions. Felicitations were offered by Mrs. Beenamol N S, Staff Secretary, Mr. Sreenath M, Head of the Department (HOD) of English, and Mr. Aboobacker Kutty Naha, HOD of Mathematics. The session concluded with a vote of thanks by Mr. Mujeeb T P, HOD of Commerce and Management.

Following the inaugural session, Mr. Rajesh Kumar, Senior ERP Consultant at Mastersoft Technologies, conducted a session titled “Introduction to Mastersoft ERP” from 11:30 AM to 01:00 PM. Mr. Kumar provided an overview of ERP systems, their significance in academic settings, and the various functionalities offered by Mastersoft ERP.

In the afternoon session from 02:00 PM to 03:30 PM, Ms. Priya Sharma, ERP Implementation Specialist at Mastersoft Technologies, presented on “Overview of ERP Modules for Academic Management.” Ms. Sharma discussed the key modules of Mastersoft ERP and their applications in managing academic processes efficiently.

On 2nd June 2021, the first session from 10:00 AM to 12:00 PM was on the "Student Information System (SIS)" by Mr. Arun Babu, Technical Lead at Mastersoft Technologies. Mr. Babu explained the functionalities of the SIS module, including student enrollment, record maintenance, and data management, emphasizing how these features can enhance administrative accuracy and efficiency.

In the afternoon, from 02:00 PM to 03:30 PM, Ms. Anjali Menon, ERP Project Manager at Mastersoft Technologies, conducted a session on "Course Management and Timetabling." She demonstrated the use of the ERP system in managing course schedules, faculty assignments, and classroom allocations, highlighting its role in optimizing timetable management and resource utilization.

The third day, 3rd June 2021, began with a session on "Attendance and Assessment Management" from 10:00 AM to 12:00 PM, led by Dr. Vikram Desai, Academic Consultant at Mastersoft Technologies. Dr. Desai illustrated how the ERP system can automate attendance tracking and integrate it with assessment management to streamline academic reporting and evaluation processes.

From 02:00 PM to 03:30 PM, Ms. Shalini Roy, Senior Systems Analyst at Mastersoft Technologies, presented on the "Examination Module and Results Processing." She explained the capabilities of Mastersoft ERP in managing examination schedules, conducting online assessments, and processing results, ensuring accuracy and efficiency in academic evaluations.

On 4th June 2021, the session from 10:00 AM to 12:00 PM focused on "Finance and Payroll Management," conducted by Mr. Suresh Pillai, Financial ERP Specialist at Mastersoft Technologies. Mr. Pillai demonstrated how the ERP system can manage financial operations, including budgeting, accounting, and payroll processing, to improve financial transparency and control.

In the afternoon session from 02:00 PM to 03:30 PM, Mr. Manish Gupta, Logistics and ERP Expert at Mastersoft Technologies, discussed "Inventory and Asset Management." Mr. Gupta detailed the functionalities of the ERP system in tracking and managing institutional assets, inventories, and procurement processes, ensuring efficient resource management.

On 5th June 2021, Ms. Kavita Nair, HR ERP Specialist at Mastersoft Technologies, conducted a session on "Human Resource Management" from 10:00 AM to 12:00 PM. Ms.

Nair explained how the ERP system supports HR functions such as recruitment, employee records management, performance appraisals, and payroll.

From 02:00 PM to 03:30 PM, Mr. Naveen Jain, ICT Coordinator at Mastersoft Technologies, presented on "Communication and Collaboration Tools." Mr. Jain showcased various tools within the ERP system that facilitate communication and collaboration among faculty, staff, and students, enhancing institutional connectivity and information sharing.

On 7th June 2021, the session from 10:00 AM to 12:00 PM focused on "Data Security and Privacy in ERP Systems," conducted by Mr. Ajay Thakur, Cybersecurity Expert at Mastersoft Technologies. Mr. Thakur emphasized the importance of data security, demonstrating how the ERP system ensures data privacy and protects against cyber threats.

In the afternoon from 02:00 PM to 03:30 PM, Ms. Ritu Aggarwal, Data Analyst at Mastersoft Technologies, discussed "Reporting and Analytics." Ms. Aggarwal illustrated the reporting capabilities of the ERP system, showing how to generate and analyze various academic and administrative reports to support data-driven decision-making.

The final day, 9th June 2021, began with a session on "Customization and User Interface" from 10:00 AM to 12:00 PM by Mr. Deepak K., Software Developer at Mastersoft Technologies. Mr. Deepak demonstrated how to customize the ERP system to meet specific institutional needs, ensuring user-friendly interfaces and personalized workflows.

From 02:00 PM to 03:30 PM, Mr. Sanjay Patel, Lead Trainer at Mastersoft Technologies, conducted a "Hands-on Workshop and Q&A" session. Participants engaged in practical exercises to apply their learning, followed by a Q&A session where they could address specific queries and challenges.

The FDP concluded with a valedictory session from 03:30 PM to 04:00 PM. Participants shared their feedback and reflections, expressing appreciation for the comprehensive and practical nature of the program.

CONCLUSION

The Faculty Development Programme on "Mastering Mastersoft ERP" was a resounding success, providing the 73 participating faculty members with essential skills and knowledge to enhance their academic and administrative efficiency. The detailed sessions,

EMPOWERMENT THROUGH EDUCATION: AN INITIATIVE FOR AN EDUCATED SOCIETY IN WARD 31 OF KOTTAKKAL MUNICIPALITY

On February 17, 2022, the English Department students of Kottakkal Farook Arts and Science College embarked on an ambitious initiative titled "Empowerment Through Education" in Ward 31 of Kottakkal Municipality. This program aimed to foster educational empowerment within the adopted village, emphasizing literacy, essential skills development, and awareness on crucial issues like health and environmental conservation. Through interactive workshops, skill development sessions, and awareness campaigns, participants were engaged in enhancing their understanding of the value of education and acquiring practical knowledge for personal and professional growth. With 45 students and 46 villagers actively involved, the program showcased a collaborative effort towards community development and mutual understanding.

**"Empowerment Through Education" Initiative in Ward 31 of Kottakkal
Municipality**

OUTCOME : Preliminary assessments highlight positive outcomes, including increased awareness, skills development, and enhanced community cohesion. Ultimately, the success of the program underscores the college's commitment to community engagement and social responsibility, laying the groundwork for a more educated and empowered society within the adopted village.

1. BASIC ENGLISH LANGUAGE EDUCATION FOR ANGANWADI CHILDREN

The Department of English at Kottakkal Farook Arts and Science College, in collaboration with a group of college students, initiated an extension activity to enhance basic English language skills among Anganwadi children in Ward 31 of Kizhakkekundu on February 25, 2022. Through engaging sessions filled with interactive games and daily vocabulary moments, the children were introduced to simple English vocabulary related to everyday objects, colors, numbers, and greetings. The incorporation of fun activities not only captured the children's attention but also led to increased engagement and enthusiasm for learning. As a result, the children demonstrated improved recognition and usage of basic English words, alongside gaining confidence in attempting to speak and interact in English. Furthermore, the collaborative nature of the activities promoted teamwork and communication skills, enhancing the children's overall social development.

An extension activity to enhance Basic English language skills

OUTCOME: This initiative highlights the potential for educational institutions and community organizations to collaborate in providing holistic learning opportunities for children from marginalized backgrounds, fostering language development and overall well-being through a supportive and interactive learning environment.

3. BASIC WRITING WORKSHOP AT NEARBY SCHOOLS TO ENHANCE STUDENTS WRITING SKILLS

The Department of English at Kottakkal Farook Arts and Science College organized Basic Writing Workshops on March 8, 2022, at nearby schools in Kottakkal Municipality, Parappur Panchayath, and Edrikkode Panchayath. The workshops aimed to enhance students' writing skills, particularly focusing on different types of letters such as request letters and official letters. Divided into six groups, 59 English students facilitated practical sessions where school students were taught through interactive activities, exercises, and examples. The workshops not only equipped students with practical knowledge in letter writing but also fostered a collaborative learning environment, with college students mentoring school students to improve their writing abilities. Feedback forms were distributed to evaluate the effectiveness of the workshops, ensuring continuous improvement for future outreach activities.

OUTCOME: Overall, the Basic Writing Workshops successfully achieved their objectives of enhancing students' writing skills and promoting collaborative learning between college and school students, highlighting the department's commitment to empowering students through practical education initiatives.

4. DIGITAL LITERACY WORKSHOPS FOR THE RESIDENTS OF WARD 31, KOTTAKKAL MUNICIPALITY

On March 24, 2022, 1st-year English students from Kottakkal Farook Arts and Science College organized a Digital Literacy Workshop at the Digital Library for the residents of Ward 31 in Kottakkal Municipality. The workshop aimed to bridge the digital divide by empowering participants with essential digital skills necessary for socio-economic advancement in today's digital era. Divided into four sessions, the workshop covered topics such as digital communication, understanding digital media, online learning tools, and critical thinking and problem-solving. Participants engaged in interactive discussions, practical exercises, and hands-on activities to gain proficiency in digital communication, critical media analysis, and problem-solving techniques. Feedback forms were distributed to gather participants' feedback, which will be instrumental in refining future workshops.

OUTCOME: The workshop's success underscores the college's commitment to community engagement and empowerment, promoting digital inclusion and socio-economic advancement within the community.

DEPARTMENT OF ECONOMICS
EXTENSION ACTIVITIES
2021-22

**I. ECONOMIC RECOVERY ASSESSMENT IN WARD 1
OF KOTTAKKAL MUNICIPALITY**

The Economic Recovery Assessment conducted by the Department of Economics at Kottakkal Farook Arts and Science College on October 25, 2021, aimed to evaluate the economic impact of COVID-19 on Ward 1 of Kottakkal Municipality. Divided into six groups, students conducted surveys and interviews to gather data from residents and business owners. Findings revealed significant shifts in employment rates, increased unemployment, decreased income levels, and business closures. The assessment highlighted the urgent need for targeted interventions to support economic recovery. Following meticulous data analysis, students compiled actionable recommendations, including incentivizing local businesses, providing financial assistance to affected households, and promoting tourism. Positive feedback from residents and business owners underscored the value of the assessment's insights.

The Economic Recovery Assessment conducted by the Department of Economics

Outcome: The Economics department intends to collaborate with local authorities and community organizations to implement effective recovery measures, contributing meaningfully to ongoing efforts to rebuild the local economy post-COVID-19.

2. Building Economic Resilience: A Workshop for Villagers in Ward 1 of Kottakkal Municipality

The Building Economic Resilience workshop, organized by the Department of Economics at Kottakkal Farook Arts and Science College on October 28, 2021, aimed to empower villagers in Ward 1 of Kottakkal Municipality with the knowledge and skills needed to withstand future economic crises. Through a combination of instructional methods including lectures, interactive discussions, practical exercises, and group activities, participants gained insights into financial planning, income diversification, and accessing social safety nets during times of crisis.

The Building Economic Resilience workshop, organized by the Department of Economics

Outcome: The workshop received positive feedback, with participants expressing increased confidence and readiness to face economic challenges. Overall, the workshop successfully equipped villagers with valuable tools and fostered a sense of empowerment and resilience within the community.

Prof. M. ABDUL AZEEM
PRINCIPAL
KOTTAKKAL FAROOK ARTS & SCIENCE COLLEGE

3. Community Health Survey in Ward 1 of Kottakkal Municipality

The Community Health Survey conducted by the Department of Economics at Kottakkal Farook Arts and Science College on December 11, 2021, aimed to assess the impact of a digital health awareness campaign in Ward 1 of Kottakkal Municipality. Through door-to-door surveys conducted by student groups, data on residents' awareness and utilization of digital health services were collected.

The Community Health Survey conducted by the Department of Economics

Outcome: Initial analysis suggests a significant increase in awareness levels and a positive shift in health-seeking behaviour following the campaign. The survey findings will inform future health promotion initiatives and contribute to informed decision-making in community healthcare.

4. Digital Health Awareness Campaign

The Digital Health Awareness Campaign organized by the Department of Economics at Kottakkal Farook Arts and Science College on January 15, 2022, was a significant initiative aimed at educating the residents of Ward I in Kottakkal Municipality about digital health resources and telemedicine services. Forty 4th-semester economics students participated, divided into four groups, each covering a specific area. They visited 48 homes, providing information on how to access medical information online, schedule virtual consultations, and use health monitoring apps. The campaign also included gathering feedback from residents on their awareness and use of these digital health services. Prior to the campaign, students underwent training on digital health resources and communication skills. Campaign materials were meticulously prepared, and coordination with local authorities ensured smooth execution.

The Digital Health Awareness Campaign organized by the Department of Economics

Outcome: This initiative, informed by the pandemic's impact, was instrumental in enhancing the community's knowledge and use of digital health services, promoting better health outcomes.

5. Assessing the Economic Impact of the Pandemic on Local Businesses

The Economic Impact Assessment conducted by the Department of Economics at Kottakkal Farook Arts and Science College on February 22, 2022, aimed to analyse the effects of the COVID-19 pandemic on local businesses within the Kottakkal municipality. Through a meticulous methodology involving questionnaire development, fieldwork, and data analysis, the assessment identified significant challenges faced by businesses, including shifts in consumer behaviour, supply chain disruptions, financial losses, and adaptation strategies. The findings underscored the resilience of businesses in adopting various strategies to navigate the crisis. The questionnaire utilized for the assessment covered aspects such as business profile, changes in consumer behaviour, supply chain disruptions, financial impact, adaptation strategies, and future outlook.

Economic Impact Assessment Survey conducted by the Department of Economics

Outcome: The insights gathered from the assessment provide a foundation for informed policymaking and targeted interventions to support local businesses and promote economic recovery in the post-pandemic period.

DEPARTMENT OF POLITICAL SCIENCE

EXTENSION ACTIVITIES

2021-22

1. SWACHH BHARATH DAY PUBLIC CLEANING

On October 2nd, 2021, the Department of Political Science, in collaboration with third-semester Political Science students, organized a Swachh Bharath Public Cleaning event in the 4th Ward of Kottakkal Municipality. This initiative aimed to promote the Swachh Bharath (Clean India) campaign, engage students in civic activities, and enhance the cleanliness and hygiene of the local area. The planning involved coordination meetings between the department and students, who arranged cleaning equipment such as brooms, dustbins, gloves, and garbage bags. On the event day, participants, including students, faculty, and local residents, gathered at the designated location and divided into groups to clean various areas within the ward. They actively engaged in cleaning streets, parks, and public spaces, with a focus on waste segregation into recyclable and non-recyclable categories. Volunteers also distributed pamphlets and conducted brief educational sessions on cleanliness and waste management.

Swachh Bharath Public Cleaning event

Outcome: The outcomes of the event included a significant improvement in the cleanliness of the 4th Ward, the removal of accumulated litter, and increased awareness among residents about proper waste disposal practices. The event also strengthened community bonds through collaborative efforts and received positive feedback from local authorities and residents, encouraging future initiatives. Overall, the Swachh Bharath Public Cleaning event successfully promoted cleanliness, hygiene, and community engagement, highlighting the collective responsibility towards maintaining a clean and sustainable environment.

2. UN DAY CELEBRATIONS

On October 24th, 2021, the Department of Political Science, in collaboration with third-semester Political Science students, organized a UN Day celebration in the 4th Ward of Kottakkal Municipality. This initiative aimed to raise awareness about the United Nations and its roles during the COVID-19 pandemic. The event, held at the Library Club Hall of Parappur Gram Panchayath, featured a panel discussion led by Mr. Sampreeth TM, Mr. Anjali KG, and Mr. Shamsudeen CP. The discussions focused on the challenges faced and the critical role played by the UN during the pandemic, providing valuable insights into its efforts in addressing global health crises, promoting peace, protecting human rights, and fostering international cooperation.

Following the panel discussion, an interactive session allowed participants to ask questions and share their experiences, further deepening their understanding of the UN's impact. The event successfully increased knowledge about the UN's contributions to managing COVID-19 and inspired participants to engage in global citizenship and work towards the UN's Sustainable Development Goals (SDGs).

Outcome : Strengthening connections between students, faculty, and the broader community, the celebration promoted dialogue and understanding among diverse cultures and backgrounds. The insights gained underscored the importance of global cooperation and collective action in tackling complex global challenges. As aspiring scholars, the participants recognized the need for continued advocacy and informed policymaking to build a more resilient and equitable world. The UN Day celebration highlighted both the achievements and limitations of the UN, reinforcing the imperative of international solidarity in overcoming global crises.

3. CLEANING OF POLLUTED KAVATHIKULAM POND

The student-led cleaning initiative of Kavathikulam Pond, spearheaded by third-semester political science students from Kottakkal Farook Arts and Science College, stands as a beacon of community-driven environmental action. Recognizing the urgent need to address the severe pollution plaguing the pond, the students mobilized on November 15, 2021, to initiate a comprehensive cleaning campaign. With clear objectives to remove pollutants, raise awareness about environmental conservation, and foster community engagement, the students formed a planning committee and meticulously organized the effort. Equipped with necessary permissions, safety guidelines, and a spirit of determination, volunteer students gathered at the pond and diligently worked to remove litter, plastics, and organic waste from both the water and its surroundings. Their actions were not limited to physical cleanup; they actively engaged with local residents, distributing educational materials and initiating discussions on sustainable practices.

Cleaning initiative of Kavathikulam Pond

Outcome: The outcomes of the program extend beyond the immediate impact of cleaner surroundings; participants gained a deeper understanding of environmental issues, honed teamwork skills, and experienced personal growth through their contribution to a meaningful cause. This initiative exemplifies the transformative potential of grassroots environmental activism and underscores the importance of sustained efforts in restoring and preserving natural resources for future generations.

4. CONSTITUTION AWARENESS CAMPAIGN IN WARD 4 KOTTAKKAL MUNICIPALITY

On November 27th, 2021, the Department of Political Science, along with fifth-semester Political Science students, orchestrated a Constitution Awareness Campaign in the 4th Ward of Kottakkal Municipality in conjunction with the Library Club. Aimed at commemorating Constitutional Day and elucidating the significance of the Indian Constitution, the campaign sought to educate citizens, particularly the residents of the 4th Ward, about their rights and duties. Planning and coordination meetings preceded the event, culminating in the distribution of informative materials like posters and pamphlets. Interactive sessions and panel discussions led by local authorities and legal experts delved into various constitutional provisions and their implications. Led by students like Mr. Sampreeth TM, Mr. Anjali KG, and Ms. Fathima NP, these discussions heightened awareness about Constitutional Day and the fundamental principles of the Indian Constitution.

Constitution Awareness Campaign in the 4th Ward of Kottakkal Municipality

Outcome: The outcomes were substantial, with increased awareness among residents, enhanced understanding of constitutional rights and duties, and empowerment of marginalized communities through knowledge of legal rights. The campaign also fostered strengthened community bonds and received positive feedback, affirming its success in achieving its objectives. Ultimately, the initiative served as a cornerstone in promoting constitutional literacy, civic engagement, and democratic principles within the community, emphasizing the enduring relevance of the Indian Constitution in everyday life.

5. FOOD DISTRIBUTION TO POOR PEOPLES IN WARD 4 KOTTAKKAL MUNICIPALITY

On November 11, 2021, the Department of Political Science, alongside fifth-semester Political Science students, orchestrated a food distribution event in Kottakkal Municipality's 4th Ward. Their aim was twofold: to address immediate food insecurity among economically disadvantaged individuals and families, and to raise awareness about the pressing issue of poverty within the community. Procuring homemade lunches from departmental students, volunteers efficiently coordinated packaging, transportation, and distribution at a designated site within the ward. The event garnered a positive response from beneficiaries and locals alike, with expressions of gratitude echoing the impact of collective efforts during challenging times.

Food distribution event in Kottakkal Municipality

Outcome: Through this initiative, the Department and students exemplified a commitment to social justice and solidarity, highlighting the importance of community service and inclusive support systems in fostering a compassionate society. The event not only provided immediate relief but also served as a reminder of the power of collective action in addressing systemic inequalities and advocating for the most marginalized members of society.

DEPARTMENT OF PHYSICS
EXTENSION ACTIVITIES
2021-22

I. WORKSHOP ON ENERGY EFFICIENCY AND CONSERVATION

On 15th January 2022, second-year students from the Department of Physics at Kottakkal Farook Arts and Science College organized a workshop titled "Energy Efficiency and Conservation" at Ward 14, Parappur Panchayath. The workshop aimed to educate residents on the importance of energy efficiency, practical conservation methods, and the benefits of reducing energy consumption. The event drew 40 local residents and 15 college students.

The workshop's objectives were to raise awareness about energy efficiency, demonstrate practical energy-saving methods, educate participants on environmental and economic benefits, provide tools for energy monitoring, and foster community commitment to sustainable practices. Activities included educational presentations on energy basics, hands-on demonstrations of energy-efficient appliances and insulation techniques, interactive workshops on identifying energy waste and conducting home energy audits, group discussions on energy-saving strategies, and Q&A sessions with experts.

Outcome: The workshop successfully increased awareness of energy efficiency, provided residents with practical knowledge on reducing energy consumption, encouraged behavioral changes, and fostered community engagement. Participants learned about energy-efficient appliances and insulation techniques and committed to making changes in their routines to conserve energy. The event received positive feedback for its practical advice and interactive format, effectively empowering residents to adopt sustainable energy practices.

2. TUTORING AND MENTORSHIP BY PG DEPARTMENT OF PHYSICS

The "Tutoring and Mentorship" program organized by the PG Department of Physics at Kottakkal Farook Arts and Science College on December 23, 2021, in Ward 14, Parappur Panchayath, was a resounding success. With the active participation of 35 students and 32 residents, the program effectively addressed the academic needs of the students in Physics and Math. Through personalized tutoring sessions, mentorship, and interactive learning activities, significant improvements were observed in students' understanding of concepts, academic performance, and problem-solving skills. Moreover, the establishment of strong mentor-mentee relationships fostered a supportive learning environment, encouraging students to pursue further studies in scientific subjects.

Outcome: Overall, the program not only fulfilled its objectives but also left a lasting positive impact on the participants' academic journey.

3. WORKSHOP ON MAINTENANCE OF HOME APPLIANCES

On January 24th, 2022, the Department of Physics at Kottakkal Farook Arts and Science College organized a workshop on "Maintenance of Home Appliances" in Ward 14 of Parappur Panchayath. With 25 residents and 20 students in attendance, the workshop aimed to educate on the significance of regular appliance maintenance and provided practical demonstrations on various maintenance techniques. Through theoretical explanations and hands-on sessions, participants learned about cleaning coils in refrigerators, self-cleaning ovens, lint removal in dryers, microwave maintenance, efficient air conditioner usage, garbage disposal care, water type impact on appliances, and washing machine maintenance.

Outcome: The workshop garnered positive feedback, enhancing participants' knowledge, imparting practical skills, addressing common appliance issues, and fostering community engagement through shared experiences.

4. SCIENCE FAIR AND EXHIBITION

The "Science Fair and Exhibition" held on February 10th, 2022, at Kottakkal Farook Arts and Science College, was a resounding success. Organized by the PG Department of Physics, it aimed to bridge academic research with community engagement. With 42 residents from Ward 14 of Kottakkal Municipality and 38 UG students participating, the event showcased research projects, conducted science-related competitions, and featured interactive activities.

Outcome: The objectives included promoting scientific literacy, engaging the local community, and providing a platform for student skill development. Through meticulous planning and execution, the event fostered knowledge sharing, community engagement, and skill development. Participants appreciated the interactive exhibits and expressed enthusiasm for future events.

5. WORKSHOP ON TECHNOLOGY AND COMMUNICATION INITIATIVES

The Department of Physics at Kottakkal Farook Arts and Science College organized a workshop titled "Technology and Communication Initiatives" on 17th February 2022. Aimed at enhancing digital literacy and social media awareness among Ward 1 residents of Kottakkal Municipality, the event attracted 42 locals and 30 students. Divided into segments covering digital literacy, social media usage, technology's impact, and smartphone usage, the workshop provided practical knowledge and interactive learning opportunities.

Outcome: Participants gained insights into digital tools, safe social media practices, and the effects of technology on daily life. The session concluded with improved digital skills and heightened awareness among attendees, meeting the workshop's objectives effectively.

1. Health Survey in The Village

The health survey conducted on October 25, 2021, in Parappur aimed to assess the health status, healthcare access, and health-related behaviours of the local population. The survey, designed with input from healthcare professionals and community members, included sections on demographics, health history, lifestyle factors, and healthcare utilization. A systematic sampling approach ensured diverse representation, and trained volunteers conducted face-to-face interviews. Key findings revealed a 60% prevalence of conditions such as fever, hypertension, diabetes, and high cholesterol. Health behaviours impacting diet, physical activity, sleep, and stress management were identified. Barriers to healthcare access included distance, cost, and service availability.

Outcomes: Developing health promotion campaigns for chronic disease management and maternal and child health, and implementing community-based health education workshops and support groups. Strategic interventions focus on policy advocacy, partnerships with healthcare providers and NGOs, and capacity building for healthcare providers and volunteers.

2. MATH OLYMPIAD TRAINING FOR LOWER PRIMARY STUDENTS

The Math Olympiad Training for Lower Primary (LP) students of AMLP School Veenalukkal on October 28, 2021, aimed to foster critical thinking, problem-solving skills, and mathematical creativity. Key extension activities included workshops on problem-solving techniques, mock Olympiad competitions, guest lectures by B.Sc Mathematics students from Kottakkal Farook College, and interactive learning sessions. Online resources and practice materials were provided to reinforce learning outside the classroom, while individualized feedback and progress tracking helped monitor student development. Parental involvement was encouraged through orientation sessions, and cultural exchange activities were integrated to promote global awareness.

Outcomes: Improved problem-solving skills, increased confidence, and a deeper appreciation for mathematics among students. The collaborative learning environment fostered camaraderie and a passion for lifelong learning. The program successfully empowered students to become proficient problem solvers and critical thinkers, laying a strong foundation for their academic and personal growth.

3. TEACHING ON OPERATIONS OF MATHEMATICS IN LOWER PRIMARY STUDENTS

On December 7, 2021, a series of extension activities were implemented at AMLPS Veenalukkal to teach lower primary students' basic mathematical operations such as addition, subtraction, multiplication, and division. Objectives included ensuring conceptual understanding, skill development, and student engagement through interactive methods. Key activities included:

1. **Mathematical Manipulatives:** Students used counters and blocks to solve addition and subtraction problems, improving their conceptual grasp.
2. **Math Games:** Games like "Math Bingo" helped reinforce multiplication and division facts, boosting engagement.
3. **Story Problems:** Real-life scenarios were used to enhance problem-solving skills.
4. **Mathematical Puzzles:** Puzzles and brain teasers developed critical thinking and perseverance.
5. **Interactive Digital Tools:** Educational apps provided interactive learning experiences.

Formative assessments showed increased student confidence and competence in basic math operations, with high engagement levels during activities.

Outcomes: The program successfully enhanced understanding and enthusiasm for mathematics, indicating the effectiveness of integrating varied activities into traditional teaching methods.

4. NUMERACY WORKSHOP TO IMPROVE NUMERACY SKILLS AMONG DIFFERENT AGE GROUPS

The Numeracy Workshop in Ward 13 Of Parappur Panchayath, conducted on January 9, 16, And 23, 2022, Aimed to Improve Basic Numeracy Skills and Foster a Positive Attitude Towards Mathematics Among Participants. Over 50 Individuals from Various Age Groups Attended the Sessions, Which Were Led by Fourth-Semester B.Sc. Mathematics Students from Kottakkal Farook Arts and Science College.

The Workshop Covered Age-Specific Topics: Basic Arithmetic for Children, Algebra for Teenagers, Financial Literacy for Adults, And Every day Numeracy for Seniors. Through Interactive Lessons, Hands-On Exercises, And Real-Life Problem-Solving, Participants Showed Significant Skill Improvement, With Average Scores Rising From 55% Pre-Workshop To 80% Post-Workshop. High Engagement and Positive Feedback Highlighted the Program's Effectiveness in Enhancing Confidence in Managing Everyday Mathematical Tasks.

Challenges Included Resource Constraints and Scheduling Conflicts, Prompting Recommendations for Expanded Reach,

Outcomes: Enhanced Resources, Continuous Support, And Increased Community Involvement. The Workshop Successfully Promoted Lifelong Learning and Numeracy Skills, Contributing to Community Empowerment.

5. PROBLEM SOLVING COMPETITION TO THE STUDENTS OF 6TH, 7TH AND 8TH STANDARD STUDENTS

The problem-solving competition at IUHSS Parappur on March 10, 2022, aimed to enhance critical thinking, collaboration, and mathematical reasoning among students in grades 6th, 7th, and 8th. Thirty students participated, forming teams of ten per grade. The competition featured individual and team rounds, culminating in a final challenge to determine the winners. Planning included selecting diverse problems, establishing clear rules, and organizing the event format. Judging was conducted by faculty and external judges based on problem-solving accuracy, creativity, and reasoning clarity. Outcomes included high student engagement, improved problem-solving skills, and recognition through certificates and prizes. Feedback from students and teachers was overwhelmingly positive, suggesting further diversification of problem types and extended competition formats for future events.

Outcomes: The competition successfully promoted mathematical proficiency, teamwork, and critical thinking, providing a valuable platform for students to demonstrate their skills and foster a love for mathematics.

DEPARTMENT EXTENSION ACTIVITIES
DEPARTMENT OF COMMERCE & MANAGEMENT
2021-22

1. Study about marketing strategies used by Dr Bee foods pvt. Ltd, and suggesting them updated marketing strategies through digital Medias and network.

Dr Bee Foods Pvt. Ltd. currently employs traditional marketing strategies such as print advertising in local newspapers and magazines, participating in food expos, collaborating with local grocery stores for product placement, and conducting in-store sampling events. While these methods have been effective in building a local customer base, there is significant potential to expand their reach and engagement through digital marketing. Proposed strategies include leveraging social media platforms like Instagram, Facebook, and Twitter to share engaging content, partnering with influencers, and launching hashtag campaigns. Content marketing through blogging and video production, as well as personalized email marketing, can further enhance customer engagement. Optimizing the company website for SEO and focusing on local SEO can attract more traffic. Expanding the product's presence on online marketplaces like Amazon and Flipkart, coupled with online advertising through PPC ads and retargeting campaigns, can significantly boost visibility and sales.

Outcome : By integrating these digital strategies, Dr Bee Foods Pvt. Ltd. can enhance market presence, customer engagement, and brand loyalty, driving sustainable growth and a competitive edge in the marketplace.

2. Study on women empowerment initiatives with special reference to Moochikkal ward, Valanchery

The women empowerment initiatives in Moochikkal Ward, Valanchery, have made significant strides in promoting gender equality and enhancing the socio-economic status of women in the community. The program focused on several key areas: skill development, financial independence, and social awareness. Various workshops and training sessions were conducted on tailoring, handicrafts, and entrepreneurship, equipping women with essential skills for income generation. Additionally, financial literacy programs helped women understand and manage finances, promoting savings and investment practices. Microfinance schemes provided women with access to small loans, enabling them to start or expand their businesses. Awareness campaigns on women's rights and health issues were also organized, addressing topics such as domestic violence, reproductive health, and legal rights. These initiatives fostered a supportive environment, encouraging women to participate actively in community decision-making processes.

Outcome : Through these comprehensive efforts, the empowerment programs in Moochikkal Ward have not only enhanced the confidence and capabilities of women but also contributed to the overall development and prosperity of the community. Continued support and expansion of these initiatives are crucial for sustaining progress and achieving long-term gender equality in the region.

3. Health issues and prevention remedies with a special reference to Valanchery Municipality

The health issues prevalent in Valanchery Municipality primarily include noncommunicable diseases such as diabetes, hypertension, and cardiovascular conditions, along with communicable diseases like dengue and seasonal flu. Poor lifestyle choices, inadequate healthcare access, and lack of awareness contribute to the rising incidence of these conditions. Prevention remedies focus on promoting healthier lifestyles through community education programs emphasizing the importance of a balanced diet, regular physical activity, and routine medical check-ups. Public health campaigns are conducted to raise awareness about hygiene practices to prevent communicable diseases, including the use of mosquito nets and regular cleaning of water storage containers to combat dengue.

Outcome: The municipality has also implemented vaccination drives to reduce the incidence of infectious diseases. Health camps offering free screenings and consultations are organized to facilitate early detection and management of chronic illnesses. Collaborations with local healthcare providers ensure better accessibility to medical services. By addressing these health issues through comprehensive prevention strategies, Valanchery Municipality aims to improve the overall health and well-being of its residents, reducing the burden of disease and fostering a healthier community environment.

4. Impact of digital transformation in business with special reference to valiyaparamba ward

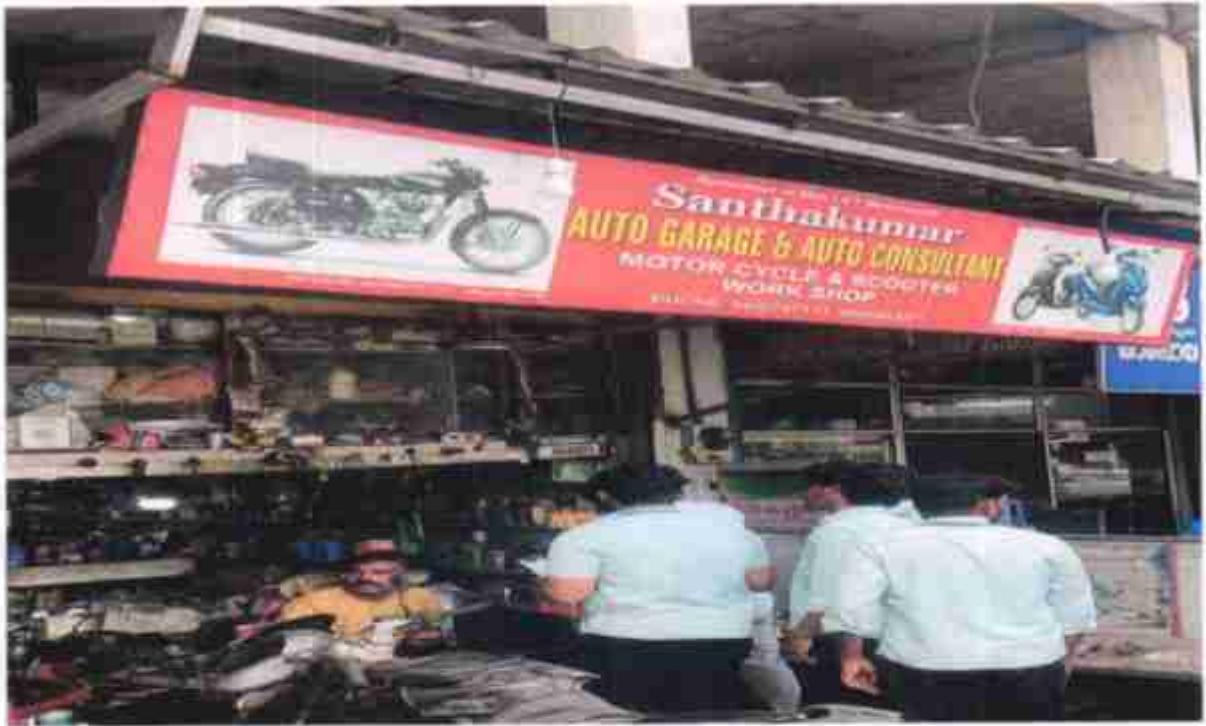

Digital transformation has significantly reshaped the landscape of business, fostering unprecedented changes in operations, customer engagement, and overall strategy. The migration of advanced technologies, such as artificial intelligence, data analytics, and cloud computing, has empowered organizations to streamline processes, enhance efficiency, and make data-driven decisions. Businesses leveraging digital transformation experience improved customer experiences through personalized interactions and seamless transactions. Moreover, the accessibility of real-time data facilitates agile decision-making, enabling companies to adapt swiftly to market trends. However, this transformation also poses challenges, including the need for workforce upskilling, cybersecurity concerns, and the requirement for robust infrastructure. Overall, the impact of digital transformation is profound, fundamentally altering how businesses operate and compete in the modern era.

In the present business landscape, digital transformation is more critical than ever. The ongoing global shifts, accelerated by events like the COVID-19 pandemic, highlight the importance of businesses being agile and technologically adept. Digital transformation enables remote collaboration, ensuring business continuity in challenging circumstances.

Outcome : It also enhances the efficiency of operations, reducing dependency on physical processes. The ability to leverage data for insights becomes paramount in making informed decisions swiftly, crucial in times of uncertainty. Furthermore, digital channels play a central role in maintaining and expanding customer relationships in a world where online interactions have become the norm. Overall, in the present condition, digital transformation is a strategic imperative for businesses to navigate disruptions, enhance resilience, and capitalize on emerging opportunities.

5. Prevention remedies for COVID-19 pandemic with special reference to Kottakkal Municipality

In response to the unprecedented challenges posed by the COVID-19 pandemic, Kottakkal Farook Arts and Science College organized an extension activity focused on "Prevention Remedies for COVID-19 Pandemic" on 16th January 2022. This initiative aimed to educate and empower the residents of the 7th Ward of Kottakkal Municipality with essential knowledge and practices to curb the spread of the virus.

The activity was conducted by BCom and BBA students, who played a pivotal role in disseminating accurate information regarding preventive measures. The key topics covered included the importance of wearing masks, maintaining social distance, regular hand washing, and the significance of vaccination. The students also addressed common misconceptions about COVID-19 and provided evidence-based answers to the community's concerns.

The beneficiaries, comprising residents of the 7th Ward, were actively engaged through interactive sessions and demonstrations. The activity's primary goal was to enhance awareness and ensure adherence to preventive practices, which are critical for controlling the spread of COVID-19. The community's participation reflected a strong willingness to adopt these measures to protect themselves and their families.

This extension activity was not only an educational endeavour but also a demonstration of the college's commitment to community welfare during a public health crisis. The initiative successfully raised awareness and encouraged the residents to take proactive steps in combating the pandemic, thereby contributing to the overall safety and well-being of the community.

Outcome : By conducting this activity fostering a safer and more informed community in the 7th Ward of Kottakkal Municipality.

3. Debate on “Indian Constitution and Its Challenges and Relevance”

The Department of Political Science held a debate on November 26, 2021, in honor of Constitutional Day . The event was inaugurated by Prof. Abdul Azeez and led by Mr. Sampreeth T M, focused on the topic “Indian Constitution and Its Challenges and Relevance.” Students actively participated in discussions on the political philosophies and dynamics of the Indian Constitution, aiming to deepen understanding of its ongoing significance and challenges.

4.Seminar on “M. N. Roy’s Contributions to Political Philosophy.”

The Department of Political Science organized a seminar on March 5, 2022, at Farook Arts and Science College to honor the birthday of M. N. Roy, the renowned Indian political philosopher. The event was Inaugurated by Prof. Abdul Azeez .The seminar focused on “M. N. Roy’s Contributions to Political Philosophy.” Students engaged in discussions on Roy’s political ideologies, aiming to deepen understanding of his impact on political thought.

Department of Physics
Departmental Activities (2021-2022)

1. Webinar on “Different Material Characterization Techniques “

The Department of Physics organized an international webinar on January 10, 2022, focusing on “Different Material Characterization Techniques.” Led by Dr. Sanoj Varghese, the session covered techniques like X-ray diffraction and atomic force microscopy, aiming to enhance understanding and application in fields such as nanotechnology and biomedical engineering. The event featured practical examples and interactive discussions, inspiring greater appreciation for material characterization in research and industry.

2. Seminar on “Computational Physics”

The Department of Physics organized a seminar on “Computational Physics” on March 3, 2022. Led by Shafi Ollakan, Assistant Professor at PSMO College Thirurangadi, the seminar covered numerical simulations, data analysis, and modeling. The objective was to explore the practical applications of computational techniques in physics. The event included interactive sessions, practical demonstrations, and lively discussions, providing students with valuable insights into computational physics and fostering academic enrichment.

Department of Mathematics
Departmental Activities (2021-2022)

1. National Mathematics Day Celebration

The Department of Mathematics organized a National Mathematics Day celebration on December 22, 2021, at 1:30 PM in the College Auditorium. The event aimed to highlight the significance of National Mathematics Day and the contributions of renowned mathematicians, while encouraging student participation in mathematical games. The program included speeches by faculty members, an inaugural address by Prof. Abdul Rahman, and a quiz competition. The event was well-received by more than 60 participating students, who provided positive feedback on its organization and content.

2. Webinar on "Differentiation in Real Life"

The Department of Mathematics organized a webinar on January 17, 2022, from 10:00 AM to 12:30 PM via Google Meet. Aimed at expanding students' knowledge beyond the syllabus, familiarizing them with prominent intellectuals, and presenting new mathematical ideas, the webinar featured Rashid KT, HOD of Mathematics at LBS College, who delivered a talk on "Differentiation in Real Life." The students gave positive feedback about the session.

3. Maths Exhibition -INFINITY

The Department of Mathematics organized a Maths Exhibition, "INFINITY," on February 28, 2022, from 10:00 AM to 4:00 PM in the Mathematics Department classrooms. Aimed at sparking interest in mathematics, showcasing its real-world applications, and fostering collaborative learning, the exhibition featured interactive displays on fractals, nature patterns, geometry in architecture, mathematical art, and probability. The event received positive feedback for its engaging exhibits and ability to make abstract concepts tangible.

Department of Commerce
Departmental Activities (2021-2022)

1. National Entrepreneurship Day Celebration

The PG Department of Commerce and Management organized a National Entrepreneurship Day celebration on November 9, 2021, from 10 AM to 2 PM. The event, held in collaboration with IQAC and the ED Club, aimed to equip students with essential entrepreneurial knowledge and strategies. The event included an inaugural address by Principal Prof. M Abdul Azeez, a dynamic presentation by expert Habeeb Rahman, and interactive sessions with students. The afternoon featured quizzes, group discussions, and marketing games, with mementos and cash prizes awarded to winners. The program successfully inspired and informed students about entrepreneurship.

2. Workshop on “Basics of Research Methodology”

The PG Department of Commerce and Management organized a workshop on “Basics of Research Methodology” in association with IQAC. Held on 25 December 2021, the workshop aimed to enhance research skills, covering research topic selection, paper writing, and data measurement scales. Prof. Althaf CK led the session, explaining research methods and SPSS. The event concluded with participant feedback and a vote of thanks by HOD Prof. Nandini PC.

PROGRAMMES CONDUCTED

PUBLIC COVID AWARENESS & SURVEY

On May 1, 2021, NSS Unit 213 of Kottakkal Farook Arts and Science College, in collaboration with Kottakkal Municipality, conducted a Public COVID Awareness and Survey Programme. The initiative was part of a broader effort to raise awareness about COVID-19 and promote vaccination among the local community.

A group of volunteers from the college, following strict COVID-19 protocols, visited 75 houses in the vicinity of the college. The primary objective was to educate residents about the importance of following safety measures such as wearing masks, maintaining social distancing, and practicing proper hand hygiene to prevent the spread of the virus. Additionally, the volunteers

provided critical information about the availability and benefits of COVID-19 vaccination, encouraging residents to get vaccinated to protect themselves and their families.

The survey conducted during the visits gathered valuable data on the public's understanding of COVID-19, their adherence to safety guidelines, and their willingness to receive the vaccine. This data was shared with local authorities to help them tailor their ongoing COVID-19 response efforts more effectively.

PIC WITH QUEEN

On May 9, 2021, NSS Unit 213 of Kottakkal Farook Arts and Science College organized a unique and heartwarming Mother's Day celebration titled "Pic with Queen - Selfie with Mom." This online event encouraged volunteers to honor their mothers by sharing selfies with them, celebrating the special bond between mothers and their children.

The program aimed to foster appreciation and gratitude among students for their mother's unconditional love and sacrifices, especially during the challenging times of the COVID-19 pandemic. Volunteers enthusiastically participated by taking selfies with their mothers and sharing them on social media platforms with heartfelt captions. The photos reflected moments of love, joy, and togetherness, highlighting the importance of family during difficult times.

DOCTOR'S TALK

On May 18, 2021, NSS Unit 213 of Kottakkal Farook Arts and Science College conducted a Doctor's Talk Programme through an online platform. The event was organized to provide students with essential insights into health and wellness, particularly in light of the ongoing global health challenges.

The session featured Dr. Ramla Zenib, an esteemed medical professional, as the resource person. Dr. Zenib shared her expertise on various health topics, including preventive measures and the importance of maintaining both physical and mental well-being during challenging times. The talk was tailored to address common health concerns among students, offering practical advice on how to stay healthy and safe.

A total of 45 students actively participated in the program, engaging in an interactive session where they could ask questions and receive personalized advice from Dr. Zenib. The online format facilitated a dynamic exchange of information, making the session both informative and engaging for the participants.

BOOK DISTRIBUTION TO QUARANTINE PATIENTS

On 19th May 2021, NSS Unit 213 of Kottakkal Farook Arts and Science College undertook a thoughtful initiative to support individuals who were quarantined due to the COVID-19 pandemic. Recognizing the isolation and emotional challenges faced by those in quarantine, the unit organized a book collection and distribution drive. Volunteers from the NSS unit collected a wide range of books, which were then sanitized and delivered to the quarantine centers.

This initiative aimed to provide mental relief and engagement to the quarantined patients, offering them a means to pass the time and cope with the stress of isolation. The project was executed with careful consideration of safety protocols, ensuring that the distribution was carried out without any health risks. The community highly appreciated this gesture, as it brought comfort and a sense of care to those in difficult circumstances.

The successful execution of this initiative reflects the dedication of NSS Unit 213 to community service and their ability to respond to the needs of society during challenging times. Through such compassionate efforts, the unit continues to uphold the values of empathy and social responsibility.

ENVIRONMENT DAY CELEBRATION

On June 5, 2021, Kottakkal Farook College's NSS Unit 213 commemorated World Environment Day through an initiative titled "Paristhithi.com." This program aimed to enhance

environmental awareness and encourage sustainable practices within the community. Each NSS volunteer planted ten saplings in their surroundings, including homes, neighborhoods, and nearby public spaces, fostering environmental stewardship.

An extensive awareness campaign ran concurrently with the plantation drive, where volunteers distributed pamphlets and engaged in discussions about reducing plastic use, conserving water, and promoting recycling. The campaign also leveraged social media to spread their message further.

In addition, a virtual interactive session featuring environmental experts was held in the evening. This session provided valuable insights into ecosystem restoration and sustainable living practices. Participants had the opportunity to ask questions and discuss their concerns with the experts.

The initiative was a resounding success, with the tree plantation drive resulting in the planting of hundreds of saplings and the awareness campaign reaching a broad audience. Positive feedback from the community underscored the impact of the program, highlighting the significance of collective effort in environmental conservation. This event demonstrated the dedication of NSS volunteers and their commitment to fostering a greener future.

POTHICHORU

On July 27, 2021, as part of the "Athijeevanam" project, NSS Unit 213 of Kottakkal Farook Arts and Science College organized a "Pothichoru Distribution" program. This initiative aimed to support street dwellers in the Kottakkal and Tirur areas by providing traditional homely meals, known as Pothichoru.

PRINCIPAL
KOTTAKKAL FAROOK ARTS & SCIENCE COLLEGE
PARAPPUR.P.O. - 676 503

KOTTAKKAL FAROOK ARTS AND SCIENCE COLLEGE NATIONAL SERVICE SCHEME UNIT NO 213

Pothichoru, a traditional method of packing food, was chosen for its practicality and nutritional benefits. The meals were prepared and packed with care by NSS volunteers to ensure they were fresh and nutritious. The distribution process was conducted efficiently, with meals being handed out to individuals facing food insecurity in the targeted areas.

The program is scheduled to take place every two weeks, providing a consistent and reliable source of nourishment for those in need. The use of Pothichoru not only preserved the quality of the meals during transportation but also offered a taste of home to the recipients.

ONE-DAY ORIENTATION

PROGRAM IN COLLABORATION WITH SOLACE

On March 16, 2021, NSS Unit 213 of Kottakkal Farook Arts and Science College, collaborated with SOLACE to organize an orientation program aimed at inspiring students to engage in charitable activities, especially for children suffering from autism and other disabilities. The event, presided over by Principal Prof. M. Abdul Azeez and initiated with a welcome address by NSS Programme Officer Mr. Suhail K.P., saw the participation of 78 students.

Mrs. Sheeba Ameer, the founder of SOLACE, delivered the keynote speech, sharing her journey and the impactful work of SOLACE. She emphasized the importance of empathy and community support. An interactive session followed, allowing students to gain deeper insights into SOLACE's operations. Additional speeches by Mrs. Ragini, Mr. Azeez, and other guests highlighted the significance of volunteerism and the various initiatives of SOLACE.

PRINCIPAL
KOTTAKKAL FAROOK ARTS & SCIENCE COLLEGE
PARAPPUR (P.O.) - 676 503

KOTTAKKAL FAROOK ARTS AND SCIENCE COLLEGE NATIONAL SERVICE SCHEME UNIT NO 213

The program concluded with a pledge ceremony where students committed to volunteering for SOLACE. The outcomes included increased awareness about autism, enhanced understanding of SOLACE's work, and a strong motivation among students to participate in volunteer activities. Overall, the orientation successfully fostered a spirit of community service and established a network of committed volunteers ready to support SOLACE's mission.

FREEDOM RUN

On August 26, 2021, NSS Unit 213 of Kottakkal Farook Arts and Science College conducted a "Freedom Run" as part of the Azadi Ka Amrit Mahotsav celebrations. The event involved 46 volunteers running a distance of 3 kilometers from the college to Kottakkal. The run aimed to honor India's independence movement and promote patriotism and physical fitness.

Participants received water bottles, and the route was managed to ensure safety. The run concluded with a ceremony in Kottakkal. The Freedom Run was successful in fostering unity and national pride while encouraging a healthy lifestyle.

"BACK TO SCHOOL"-SCHOOL CLEANING PROGRAMME

On November 1, 2021, NSS Unit 213 of Kottakkal Farook Arts and Science College conducted a "Back to School" school cleaning programme in preparation for the reopening of local schools after the COVID-19 pandemic. A total of 65 volunteers were divided into groups and assigned to clean various nearby schools. The cleaning process included sweeping, mopping, dusting, and sanitizing classrooms, corridors, playgrounds, and restrooms, with a focus on high-touch areas to ensure a safe environment for returning students.

The volunteers also engaged with school staff to emphasize the importance of ongoing hygiene and cleanliness practices. The program was highly successful, reassuring the local community about the safety of the school environment. NSS Unit 213's initiative was widely praised for its contribution to public health and the smooth reopening of schools, highlighting the unit's dedication to community service during the pandemic.

CLEAN CAMPUS, GREEN CAMPUS PROGRAMME

On 22nd November 2021, NSS Unit 213 of Kottakkal Farook Arts and Science College organized a "Clean Campus, Green Campus" program aimed at enhancing the college's environmental sustainability and promoting cleanliness. This event was part of the unit's ongoing efforts to instill environmental awareness and responsibility among students.

The program began with volunteers gathering on campus, equipped with cleaning materials. They diligently worked to clean various areas of the college premises, including

classrooms, corridors, and surrounding grounds. The cleaning drive aimed to create a cleaner, healthier, and more conducive environment for learning.

Following the cleanup, the volunteers shifted their focus to greening the campus. They planted saplings in different locations around the college, contributing to the beautification of the campus and enhancing the greenery. Each sapling was carefully selected based on its suitability for the local climate, ensuring that they would thrive and grow into healthy trees.

ANTI-DRUG AWARENESS PROGRAMME

On December 4, 2021, NSS Unit 213 of Kottakkal Farook Arts and Science College organized an impactful awareness program focusing on the critical issue of drug abuse. The event was inaugurated by the college's Principal, Prof. M. Abdul Azeez, who emphasized the importance of educating young minds about the dangers of drug addiction and the role of educational institutions in promoting a drug-free environment.

The program was led by B. Harikumar, a Co-Ordinator from the Narcotics Control Bureau, Malappuram District. In his address, Harikumar provided valuable insights into the prevalence of drug abuse in the community and the severe consequences it can have on individuals and society. He also highlighted the efforts being made by the Narcotics Control Bureau to combat drug trafficking and abuse, urging students to be vigilant and proactive in resisting and reporting any drug-related activities.

Prof. M. ABDUL AZEEZ
PRINCIPAL
KOTTAKKAL FAROOK ARTS & SCIENCE COLLEGE
PARAPPUR P.O. - 676 503

KOTTAKKAL FAROOK ARTS AND SCIENCE COLLEGE NATIONAL SERVICE SCHEME UNIT NO 213

The session was well-attended by students and staff, who actively participated in the discussions. The event successfully raised awareness about the dangers of drug use and reinforced the commitment of the college and its NSS unit to fostering a safe and healthy learning environment.

BOOK FARM- A LIBRARY RENOVATION PROJECT

On March 17, 2022, NSS Unit 213 of Kottakkal Farook Arts and Science College, in partnership with the Kites Foundation, organized a book drive titled "Book Farm" to support backward libraries in Nilambur. The drive aimed to enhance educational resources in these underserved libraries by collecting and distributing over 400 books. The initiative saw active participation from more than 50 NSS volunteers, who gathered books from students, faculty, and the local community.

The books collected included academic texts, general knowledge, novels, and children's literature, ensuring a diverse selection for the recipient libraries. On the event day, the volunteers,

KOTTAKKAL FAROOK ARTS AND SCIENCE COLLEGE NATIONAL SERVICE SCHEME UNIT NO 213

along with representatives from the Kites Foundation, personally delivered the books to the libraries in Nilambur, where they were warmly received by the community.

"SNEHA VEEDU"- A ABHAYAM PROJECT

On March 18, 2022, NSS Unit 213 of Kottakkal Farook Arts and Science College launched the "Sneha Veedu" project under the Abhayam initiative to provide a home for a homeless lady in the adopted village. The project's initial phase, focusing on fund collection, was inaugurated by the college Principal, with the first contribution made by Munnayyari Ali Thangal. This generous contribution kickstarted the fundraising efforts, symbolizing community solidarity in supporting the underprivileged.

NSS volunteers actively participated in the fund collection, reaching out to various stakeholders, including students, faculty, alumni, and residents. The project aims to offer a secure and dignified living space, reflecting the college's commitment to social welfare and community engagement.

"Sneha Veedu" is more than a construction project; it is a symbol of hope and collective goodwill. It also serves as an educational experience for the volunteers, teaching them the importance of empathy, compassion, and responsibility. As the project moves forward, NSS Unit 213 is dedicated to ensuring the house is built with the highest standards, providing the homeless lady with a home where she can live with dignity and peace.
