Annual Report 2022-23

Introduction:

In the academic year 2022-23, the Internal Quality Assurance Cell (IQAC) at Kottakkal Farook Arts and Science College has seen an unprecedented surge in activities, surpassing the achievements of previous years. Established in 2012, our IQAC has become a key driver of quality enhancement within the institution. Throughout the past year, we've organized a wide range of workshops, seminars, and initiatives aimed at improving academic and administrative standards. Our dedication to excellence has propelled us to address challenges and capitalize on growth opportunities. As we look forward, the IQAC remains committed to advancing the institution's mission, guiding Kottakkal Farook Arts and Science College toward a future defined by innovation, excellence, and continuous improvement.

IQAC COMPOSITION

Sl. No	Position	Name of the Member	Designation
1	Chairman	Prof.M. Abdul Azeez	Principal
2	Coordinator	T K Faheema	IQAC Coordinator
3	Member	Mohammed Labeeb. M	Vice Principal
4	Member	Sreenath M	HOD, Department of English
5	Member	Mujeeb TP	HOD, Department of Commerce & Management
6	Member	Sampreeth T M	HOD, Department of Political Science
7	Member	Suhail K	HOD, Department of Physics

9	BSc	Botany	1. Zoology 2. Chemistry
10	M.Com	Finance	1. Investment Management 2. Financial Markets & Institution 3. International Finance 4. Advanced Strategic Financial Management
11	MSc	Physics	1. Experimental Techniques 2. Laser Systems, Optical Fibres and Applications 3. Micro Processors, Micro Controllers and Applications

FACULTIES:

Our college boasts a dedicated team comprising both teaching and non-teaching staff members, collectively contributing to the institution's mission of academic excellence and holistic development. As of the reporting period, our staff composition stands as follows:

Faculties	Male	Female	Total
Teaching	17	43	60
Non-Teaching	6	16	22

This diverse and committed team plays a pivotal role in fostering a conducive learning environment, facilitating administrative operations, and providing comprehensive support services, ensuring the smooth functioning of our institution. We value their dedication and contribution towards the advancement of our college community.

❖ Total Student Strength during 2022-23: 1361

INFRASTRUCTURE FACILITIES:

Our college prides itself on providing exceptional infrastructure facilities that cater to the diverse needs of our students and staff, fostering a conducive environment for academic and extracurricular pursuits. Here's an overview of the infrastructure strength at our campus:

I. Academic Facilities:

- ICT-enabled classrooms equipped with modern teaching aids such as projectors, android smart TVs, and interactive panels.
- Five laboratories dedicated to various science departments.
- State-of-the-art computer labs with up-to-date software and hardware.
- A well-stocked automated library featuring the BOOK MAGIC software and access to the N-List Database.
- An institutional digital repository offering online access to academic resources.
- Customized MOODLE Learning Management System (LMS) for enhanced academic delivery.

PRINCIPAL
 KOTTAKKAL FAROOK ARTS & SCIENCE COLLEGE
 PARAPPUR(P.O) - 676 503

- Inno Hub & Incubation Centre fostering innovation and entrepreneurship.

2. Sports and Recreation Facilities:

- Sports fields for football, cricket, badminton, basketball, tennis, and athletics.
- Wellness Retreat offering gymnasium, fitness, and yoga facilities.

3. Student Amenities:

- Spacious seating areas shaded by trees for student relaxation.
- Dining facilities in CAFÉ FAROOK canteen and PERK RETREAT cafeteria.
- 'STUDENT RETREAT' common area for student interaction and relaxation.
- Student restrooms, medical center, and first aid facilities.
- College emergency vehicle for hospital care.
- Girls' washrooms with sanitary pad vending machines and incinerators.
- Facilities for differently-abled students including washrooms with handles, lifts, ramps, and wheelchairs.

4. Technology Infrastructure:

- High-speed internet connectivity across the campus with multiple network connections.
- Wi-Fi facility with a high-speed connection.
- Fully equipped computer labs and e-content development center.
- Access to online learning platforms and resources.
- Standby generators and UPS systems to ensure uninterrupted power supply.

5. Administrative Facilities:

- Administrative offices for staff and student services.
- LAN-enabled office cabins, reception desk, and visitor's room.
- Storage rooms with compact storage systems.
- Staff rooms, faculty offices, amenity staff rooms, and conference rooms.

6. Safety and Security Measures:

- Security personnel stationed across the campus.
- Safety protocols and training programs.

INTERNAL QUALITY ASSURANCE CELL

KOTTAKKAL FAROOK ARTS & SCIENCE COLLEGE

KOTTAKKAL, PARAPPUR P.O, MALAPPURAM DISTRICT, KERALA, 676503

- Fire-fighting systems, fire hydrants, and multiple exit points in buildings.
- CCTV surveillance in strategic locations and PA systems for announcements.

7. Green Initiatives:

- Sustainable practices for recycling and waste management.
- Green spaces, gardens, and energy-efficient infrastructure.
- Water management practices including drip irrigation and rainwater harvesting.
- Biowaste management systems and RO drinking water plant.

8. Transportation Services:

- College buses for female students and staff.
- Separate parking lots for bikes, cars, and buses.

9. Community Engagement Spaces:

- Auditorium with advanced sound and light systems.
- Seminar rooms equipped with interactive panels.
- Audio-video-enabled rooms for academic events and cultural activities, including alumni talk series and seminars.
- Amphitheater for cultural performances and events.

These infrastructure facilities collectively contribute to an enriching and conducive environment, supporting the holistic development and academic pursuits of our college community.

ACADEMIC PERFORMANCE:

FACULTY DEVELOPMENT PROGRAMME ON

"ENHANCING ACADEMIC EXCELLENCE THROUGH OUTCOME-BASED

EDUCATION: STRATEGIES AND BEST PRACTICES"

REPORT

A 7-day Faculty Development Programme (FDP) titled "Enhancing Academic Excellence through Outcome-Based Education: Strategies and Best Practices" was organized by the Internal Quality Assurance Cell (IQAC) of Kottakkal Farook Arts and Science College from October 27, 2022, to November 2, 2022. The event aimed to equip faculty members with modern educational strategies and tools to improve academic excellence. A total of 58 members (49 teaching and 9 non teaching) members participated in the seven-day programme, which was structured into 15 sessions covering various topics pertinent to outcome-based education.

PROGRAMME SCHEDULE AND KEY HIGHLIGHTS:

Day 1: 27 October 2022

The programme commenced with an inauguration ceremony featuring several dignitaries. Mrs. T K Faheema, the IQAC Coordinator, delivered the welcome speech, followed by the presidential address by Mr. Muhammed Labeeb M, the Vice Principal. Prof. M. Abdul Azeez, the Principal, officially inaugurated the FDP. Felicitations were offered by Mr. Mujeeb T P and Mr. Sreenath M, while Mrs. Aswathi K T gave the vote of thanks.

Dr. Mahmood Shihab, Principal of Ansar Training College and HR Trainer, discussed the importance of effective human resource practices in educational institutions. He highlighted the need for robust HR policies, faculty development programs, and performance appraisal systems to enhance the efficiency and morale of academic staff.

Rafeek Kodyengal, a social media influencer, focused on how social media can be effectively utilized for academic purposes. He demonstrated various social media tools and platforms educators can use to engage with students, share educational content, and promote academic events.

Day 2: 28 October 2022

Haneefa KT, a software administrator, emphasized technology integration in the educational process. He covered various educational technologies, including Learning Management Systems (LMS), online collaboration tools, and digital classrooms, and their role in enhancing teaching and learning experiences.

INTERNAL QUALITY ASSURANCE CELL

KOTTAKKAL FAROOK ARTS & SCIENCE COLLEGE

KOTTAKKAL, PARAPPUR P.O, MALAPPURAM DISTRICT, KERALA, 676503

Dr. Ayesha Siddiqui, an educational psychologist, provided insights into student psychology. She discussed different psychological theories and their application in understanding student behavior, motivation, and learning styles, which can help educators tailor their teaching methods to meet students' needs.

Day 3: 29 October 2022

Dr. Praveen Kumar, an e-learning specialist, shared strategies for designing effective online courses. He highlighted the importance of interactive content, clear learning objectives, and regular assessments in creating engaging and effective online learning environments.

Mr. Muhammed Shafeeq U, an ASAP Trainer, discussed techniques for enhancing classroom communication. He emphasized the role of clear communication in the classroom, the use of interactive teaching methods, and the importance of feedback in the learning process.

Day 4: 30 October 2022

Dr. Ayyoob, a curriculum development specialist, spoke on innovative curriculum design. He discussed the principles of curriculum development, the importance of aligning curriculum with learning outcomes, and the need for continuous curriculum evaluation and improvement.

Dr. Meera Menon, an assessment expert, covered effective assessment strategies. She explained various assessment methods, including formative and summative assessments, and how they can be used to measure student learning and improve instructional practices.

Day 5: 31 October 2022

Dr. Muneer K, a soft skills trainer, highlighted the importance of building soft skills in students. He discussed various soft skills, such as communication, teamwork, and problem-solving, and provided strategies for incorporating soft skills training into the curriculum.

Dr. Munawar, a research methodology expert, presented on research methodologies in social sciences. He covered different research designs, data collection methods, and data analysis techniques, and provided practical tips for conducting rigorous and ethical research.

Day 6: 1 November 2022

Mr. Jitheesh T K, a data science specialist, discussed data-driven decision-making in education. He explained the importance of using data to inform educational decisions, demonstrated various data analysis tools, and provided examples of data-driven initiatives in education.

ABDUL KADIR
PRINCIPAL
KOTTAKKAL FAROOK ARTS & SCIENCE COLLEGE
PARAPPUR P.O. - 676 503

Mr. Mohammed Noufal K, an Assistant Professor at Kidmath Arts & Science College, spoke on inclusive education strategies. He emphasized the importance of creating inclusive classrooms that cater to the diverse needs of all students and discussed various strategies for promoting inclusivity in education.

Day 7: 2 November 2022

Mrs. Reshma Panikkar, a software developer at INFO Park, covered advanced educational technologies. She introduced participants to the latest technological advancements in education, such as artificial intelligence, virtual reality, and gamification, and discussed their potential impact on teaching and learning.

The programme concluded with a feedback session where 7 out of the 51 participating faculties shared their insights and experiences about the FDP. They appreciated the comprehensive coverage of topics and the expertise of the speakers, which they found highly beneficial for their professional development.

The FDP was a well-organized and impactful event that provided faculty members with valuable knowledge and skills. The diverse range of topics, from HR practices to advanced educational technologies, ensured that participants gained a holistic understanding of outcome-based education strategies. The feedback from the participating faculties highlighted the programmes success in enhancing their academic and professional competencies.

Action Taken Report (ATR) on Academic Administrative Audit (AAA)

Date of Audit: 09.01.2023

1. Surveillance of AAA Exercises at the Institution

Observation:

The institution has effectively implemented AAA exercises with approval from authorities in line with accreditation bodies' criteria, such as NAAC and NBA. The mission is well-understood by staff, with aims and objectives aligned with the institution's mission. A systematic approach to quality assurance, governance principles, academic standards, transparent fund management, student and staff welfare, staff development, teaching and learning environment, and physical environment are noted.

Action Taken:

- **Quality Assurance:** A workshop was conducted to further educate staff on the institution's quality assurance definitions and principles.
- **Governance:** Policies were made accessible online, and additional training on governance principles was provided.
- **Academic Standards:** Regular monitoring and improvements were maintained with more frequent internal assessments and external peer reviews.
- **Transparency in Fund Management:** Enhanced transparency through periodic internal and external audits; the budget was restructured for better alignment with long-term goals.
- **Staff Development:** Introduced more frequent performance appraisals with clear feedback mechanisms.
- **Learning Environment:** Regular maintenance checks were initiated to ensure a conducive learning environment, with upgrades to library and lab facilities.

2. Best Practices Followed in the Organization

Observation:

Commendable practices such as maintaining course diaries/logbooks, encouraging AAA among staff and students, peer reviews, maintaining high educational standards, sustainable campus ecosystem, and effective waste management.

Action Taken:

- **Course Diaries/Logbooks:** A centralized digital system was introduced for easier access and updating of course-related documents.
- **Peer Reviews:** Continued to implement peer reviews with an added focus on integrating external academic inputs.
- **Campus Ecosystem:** Enhanced the biodiversity efforts with additional planting drives and expanded the solid waste management program.

3. Recommendations for Improving the AAA Activities

Recommendation 1:

Development of policies like 'Green Campus and Environment Policy,' 'Sanitation and Hygiene Policy,' 'Water Conservation Policy,' 'Waste Management Policy,' 'Energy Policy,' and 'Purchase Policy.'

Action Taken:

- Drafted and approved the 'Green Campus and Environment Policy' and 'Water Conservation Policy.'
- Collaborated with local governmental and non-governmental organizations for policy implementation and awareness programs.
- Ongoing work on other policies with planned roll-out within the next academic year.

Recommendation 2:

Installation of suggestion boxes and first aid boxes in different buildings.

Action Taken:

- Suggestion boxes were installed in key locations across the campus.
- First aid boxes were placed in all major buildings, with periodic checks for supplies.

Recommendation 3:

Make helpline numbers for waste collection available on campus.

Action Taken:

- Established a waste management helpline service and circulated the numbers across campus.

Recommendation 4:

Promote an eco-friendly culture and minimize the use of plastics, non-biodegradable materials, and exploitation of natural resources.

Action Taken:

- Launched a 'Green Campus Initiative' campaign to reduce plastic usage and raise environmental awareness.
- Regular workshops and seminars are conducted to educate students and staff on sustainability.

Recommendation 5:

Operate battery cars or autos for internal mobility on campus.

Action Taken:

- Introduced a pilot program with EV bikes, scooters and autorickshaws for internal mobility, with plans for expansion based on usage and feedback.

The institution has taken significant steps to address the observations and recommendations from the AAA. These actions are expected to enhance the academic and administrative effectiveness of the college, aligning with the mission and quality standards set by accreditation bodies.

Annual Report on E-Governance and Technological Infrastructure of KFASC 2022-2023

Introduction

Kottakkal Farook Arts and Science College (KFASC) has consistently leveraged technology to enhance its educational and administrative processes, aligning with its e-governance policy. This report provides a comprehensive overview of the advancements in the college's technological infrastructure and resources, including hardware updates, software management, internet reliability, network security, and user support. It also outlines the future plans for continued growth and development in these areas.

1. Hardware Updates

KFASC has maintained a detailed inventory of its hardware devices, ensuring that they are up-to-date, compatible with new software, and functioning optimally. The following steps were taken:

- **Inventory Management:** A systematic assessment of hardware performance, age, and compatibility was conducted to prioritize updates.
- **Budget Allocation:** Funds were allocated strategically to update hardware based on current needs and technological trends.
- **Vendor Relationships:** Strong relationships with vendors were maintained to ensure access to the latest products and support services.
- **Implementation:** Updates were carried out during off-peak hours to minimize disruption, with thorough testing conducted beforehand.
- **Training and Support:** Staff received training on new hardware, with ongoing support provided to address any issues.
- **Record Keeping:** Detailed records of updates and maintenance activities were maintained for future reference.

2. Software Updates

KFASC ensured that all system, application, and security software was up-to-date, secure, and efficient. The key initiatives include:

- **Scheduled Updates:** A regular schedule was maintained for software updates, prioritizing critical patches and new versions.
- **Compatibility Testing:** All updates were thoroughly tested before deployment to ensure compatibility and functionality with existing systems.
- **Training Programs:** Staff were trained on new software features, with ongoing support available to address any challenges.
- **Security Enhancements:** Security software was regularly updated to protect against emerging threats.

PRINCIPAL
KOTTAKKAL FAROOK ARTS & SCIENCE COLLEGE
PARAPPUR P.O., 676 503

SECRETARY

Farook Educational Society
Parappur, Kottakkal-676 503

3. Internet Bandwidth and Reliability

The college has made significant strides in enhancing internet bandwidth and reliability to support both students and staff:

- **Bandwidth Capacity:** The college provides internet connectivity through multiple ISPs, including BSNL NME (40 Mbps), Kerala Vision (50 Mbps), and Airtel Xstream (300 Mbps), BSNL NME (30 Mbps) ensuring fast and reliable internet access across campus.
- **Wi-Fi Accessibility:** Wi-Fi is available for all staff and students, with a 300 Mbps speed Airtel Xstream connection, providing robust connectivity for academic and administrative activities.
- **Redundancy Measures:** Failover mechanisms and switches between connections were implemented to ensure uninterrupted internet access.
- **Network Monitoring:** Regular monitoring and maintenance were carried out to address potential issues proactively.

4. Network Security

KFASC has taken extensive measures to ensure network security and availability:

- **Firewall and Proxy Servers:** IP Fire and PF Sense Firewall Control were employed to manage unauthorized access, with proxy servers providing additional security.
- **Fixed Public IPs:** These were utilized for accessing internal server applications from outside the campus.
- **High-End Networking Devices:** These devices ensured simultaneous access to servers for all users, with a campus network backbone of 1 Gbps.
- **Comprehensive Coverage:** Optical fibres were installed across 100% of the campus to provide consistent and high-speed connectivity.

5. User Support and Accessibility

To support the college community, KFASC has established robust user support services:

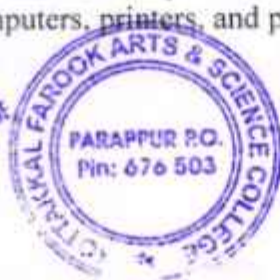

- **Help Desks and Technical Support:** Available through a portal request system, ensuring that students and staff receive timely assistance.
- **Training Programs:** Regular training sessions were conducted to familiarize users with new systems and technologies.
- **IT Accessibility:** All IT facilities are accessible to staff and students through secure user IDs and passwords.

6. Comprehensive Overview of Technological Resources

KFASC boasts a wide range of technological resources to support its educational mission:

- **Computer Resources:** The college maintains 110 desktop computers and 20 laptops, with three state-of-the-art computer labs housing 82 machines. Each department is equipped with computers, printers, and punching machines.

Prof. M. ABDUL AZEEZ
PRINCIPAL
MUKKAL FAROOK ARTS & SCIENCE COLLEGE,
PARAPPUR P.O. - 676 503

SECRETARY
Farook Educational Society
PO. Parappur, Kottakkal-676 503

- **Classroom Facilities:** Classrooms and labs are equipped with projectors, LAN facilities, Android TVs, and interactive panels to enhance the teaching and learning experience.
- **Content Creation:** The college has an e-content center with interactive panels, cameras, audio recording, and editing facilities to support the creation of digital content.
- **Library:** The college library is fully automated with BOOK MAGIC SOFTWARE and an Enlist subscription. It also features a digital library, DSPACE, Library User Entry Scanning System, and an OPAC system.
- **Network Infrastructure:** The college's network infrastructure includes a server (Windows 2012, R2 Server), LAN, Wi-Fi facilities, switches with wireless access points, and a 100 Mbps internet connection.
- **Additional Technological Resources:** These include Moodle LMS, ERP Total Campus Solutions, Tally, MASTERSOFT software, Google Workspace, Digital Signage System, Card Printer, NAS file storage, Biometric Attendance System, Surveillance System, EPABX & IVR System, Automated Office, Public Address System, E-Content Development Centre, Automated Exam Control Room, and Server Room.

7. Future Plans

KFASC is committed to continuously updating and expanding its IT facilities and internet connectivity to meet the growing demands of its community. Future plans include:

- **Expanding Bandwidth:** Further increasing internet bandwidth to support the growing number of users and devices.
- **E-Governance Expansion:** Implementing additional e-governance systems, such as leave management and biometric attendance for students and staff.
- **Enhanced Training:** Providing ongoing training for staff and students to ensure effective use of new technologies.

E-governance and technological advancement is evident in the extensive infrastructure and resources available on campus. By maintaining a focus on efficiency, transparency, and accountability, the college has created a dynamic and responsive governance framework that supports its mission of academic excellence and student success. This report highlights the significant progress made in the past year and sets the stage for continued growth and innovation in the years to come.

COMPREHENSIVE OVERVIEW OF THE TECHNOLOGICAL INFRASTRUCTURE AND RESOURCES AVAILABLE.

1. Computer Resources:

- 110 desktop computers and 20 laptops with internet connection
- Three computer labs with 82 state-of-the-art machines

"SNEHAYATHRA" IN COLLABORATION WITH SOLACE

On 24th May 2022, NSS Unit 213 of Kottakkal Farook Arts and Science College, in collaboration with SOLACE, organized "Snehayathra," a field trip to Kuttayi Beach for children with autism and their parents. Led by SOLACE founder Mrs. Sheeba Ameer, 54 volunteers participated, aiming to provide a day of relaxation and joy for the families.

The event included a welcome address by Mrs. Ameer, interactive sessions with games and sensory activities tailored for children with autism, and various recreational activities such as

beach volleyball and kite flying. Parents and children enjoyed refreshments, fostering social interaction in a relaxed setting.

The program concluded with a feedback session where participants shared their positive experiences. The event achieved several outcomes: enhanced well-being for children and parents, increased social interaction, heightened empathy and awareness among volunteers, strengthened community ties, and positive feedback from participants.

Overall, "Snehayathra" successfully provided joy and support to families affected by autism, promoted social inclusion, and highlighted the importance of community engagement and support for vulnerable groups. This initiative demonstrated the positive impact of collaborative efforts in fostering inclusivity and understanding within the community.

NSS NATURE CAMP

TO WAYANAD

On May 30, 2022, the NSS volunteers of Kottakkal Farook Arts and Science College embarked on a Nature Camp in Wayanad, with 50 volunteers and three faculty members participating. The camp was a hands-on initiative to connect the participants with nature and foster environmental awareness. In camp, the volunteers are immersed in their activities, including trekking through rocky forest terrain and exploring dense greenery. It reflects the group's deep engagement with the natural environment, emphasizing the camp's purpose of promoting a closer connection to nature.

KOTTAKKAL FAROOK ARTS & SCIENCE COLLEGE
PARAPPURIP.O. - 676 503

KOTTAKKAL FAROOK ARTS AND SCIENCE COLLEGE NATIONAL SERVICE SCHEME UNIT NO 213

The camp provided the volunteers with opportunities to experience the beauty of Wayanad's landscapes firsthand. Walking along forest paths and navigating challenging terrains, they gained insights into the importance of environmental conservation. The casual and collaborative atmosphere evident in the photos highlights the strong sense of camaraderie among the participants.

Overall, the Nature Camp was a successful and enriching experience, allowing the NSS volunteers to deepen their appreciation for nature while reinforcing their commitment to environmental stewardship. The camp not only educated but also fostered teamwork and a shared sense of responsibility toward preserving the environment.

ENVIRONMENTAL DAY CELEBRATION

On June 5th, 2022, NSS Unit 213 of Kottakkal Farook Arts and Science College organized an Environmental Day celebration in their adopted village. The event aimed to promote environmental awareness and tree planting. Volunteers distributed 78 saplings to village households and conducted an awareness campaign highlighting the benefits of trees, such as improved air quality, soil erosion prevention, and climate change mitigation.

The activities included door-to-door sapling distribution, demonstrations on proper planting techniques, and guidance on sapling care. The villagers responded positively, actively participating in the event and expressing their appreciation for the initiative. The awareness campaign effectively conveyed the importance of tree planting and inspired many villagers to adopt this practice.

The event successfully contributed to the greening of the village and fostered a sense of environmental responsibility among the residents. The dedication of the NSS volunteers was instrumental in the success of the program. Continuous follow-up and support from the NSS unit will be essential to ensure the growth and sustainability of the planted saplings, ultimately leading to a greener and more sustainable environment.

AWARENESS ON BLOOD DONATION

On June 14, 2022, in observance of World Blood Donor Day, the NSS Unit 213 of Kottakkal Farook Arts and Science College, in collaboration with Manjappada, organized a blood donation awareness program in the college seminar hall. The event was attended by 85 enthusiastic students who gathered to learn about the significance of blood donation.

The program aimed to educate students about the critical need for regular blood donations and the life-saving impact it can have on those in need. Experts from Manjeri Medical College delivered informative sessions, highlighting the safety, process, and benefits of blood donation. The collaboration with Manjappada, a well-known community organization, added a motivational aspect to the event, encouraging students to actively participate in future blood donation drives.

The seminar also addressed common misconceptions and fears surrounding blood donation, reassuring the participants and emphasizing the importance of contributing to this vital

cause. The session fostered a sense of social responsibility among the students, inspiring many to pledge their support for regular blood donation.

Overall, the awareness program was a successful initiative, reinforcing the NSS unit's commitment to community health and well-being. It left a lasting impact on the participants, empowering them to make a difference through the simple act of donating blood.

INTERNATIONAL YOGA DAY CELEBRATION

On June 21, 2022, the NSS Unit 213 of Kottakkal Farook Arts and Science College, in association with the Red Ribbon Club, organized a Yoga Awareness Class in celebration of International Yoga Day. The session was held at the College Seminar Hall at 3:00 PM and was conducted by Mujeeb T.P., a certified yoga trainer and faculty member from the Department of Commerce.

The class was an informative session aimed at spreading awareness about the benefits of yoga among the students. Mujeeb T.P. explained the importance of yoga in maintaining physical and mental well-being and demonstrated various yoga postures. The session highlighted how regular yoga practice can lead to a healthier lifestyle and reduce stress, which was well-received by the participants.

KOTTAKKAL FAROOK ARTS AND SCIENCE COLLEGE NATIONAL SERVICE SCHEME UNIT NO 213

The program was a success, with active participation from students, faculty members, and NSS volunteers. It provided valuable insights into yoga, encouraging many to incorporate it into their daily routines. The event concluded with a vote of thanks delivered by Shafeena K.P., an NSS volunteer, who expressed gratitude to the trainer and all participants for making the event meaningful and informative.

FREEDOM WALL

On the 15th of August 2022, as part of the "Azaadi Ka Amrit Mahotsav" celebrations, the NSS volunteers of Unit 213 from Kottakkal Farook Arts and Science College undertook a significant initiative by creating a wall painting titled "Freedom Wall." This artistic endeavor was designed to commemorate India's 75th Independence Day by visually capturing the major milestones in the nation's journey to independence.

The "Freedom Wall" represents India's rich history, depicting key events and figures that played a crucial role in the freedom struggle. The painting was meticulously crafted by the dedicated NSS volunteers, who poured their creativity and passion into this project. Each brush stroke symbolized the sacrifices and the indomitable spirit of the freedom fighters who fought for the nation's sovereignty.

The volunteers skillfully illustrated scenes from historic movements such as the Quit India Movement and the Wagon Tragedy. The mural also features powerful imagery, including the Indian flag, which serves as a reminder of the unity and resilience that define the country.

The "Freedom Wall" not only beautifies the college premises but also serves as an educational tool, inspiring students and visitors to reflect on the importance of freedom and the enduring legacy of the independence movement. The event was a resounding success, garnering appreciation from all who witnessed the volunteers' hard work and artistic expression.

BLOOD DONATION CAMP

On September 22, 2022, NSS Unit 213 of Kottakkal Farook Arts and Science College, in collaboration with Manjappada Malappuram Blood Donate Forum, successfully conducted a Blood Donation Camp on the college campus. The event, which began at 9:00 AM, was held in association with the Govt. Medical College Hospital Manjeri.

The primary objective of the camp was to contribute to the noble cause of saving lives by donating blood. The camp witnessed an overwhelming response from students and faculty alike, with a total of 108 units of blood collected by the end of the day. This remarkable achievement stands as a testament to the unity and social responsibility demonstrated by the college community.

The event was conducted under the slogan, "Donate blood and be the reason for someone's existence," highlighting the importance of blood donation in saving lives. The active participation of volunteers from NSS Unit 213 ensured the smooth execution of the event, from registration to blood collection.

This initiative not only raised awareness about the significance of blood donation but also reinforced the commitment of NSS Unit 213 towards community service and social welfare. The event was a resounding success and a proud moment for the college.

CLEAN CAMPUS, GREEN CAMPUS

On October 29, 2022, NSS Unit 213 of Kottakkal Farook Arts and Science College organized a one-day campus cleaning activity under the banner "Clean Campus, Green Campus." The event aimed to promote environmental awareness and encourage the college community to take an active role in maintaining a clean and green environment.

The program saw the enthusiastic participation of 100 volunteers who were dedicated to the cause of keeping the campus clean and green. The activity commenced early in the morning and continued throughout the day, with volunteers meticulously cleaning various areas of the campus, including classrooms, walkways, gardens, and common areas.

The volunteers were equipped with necessary cleaning tools, and the event was supervised by NSS program officers to ensure that the cleaning was carried out effectively. The initiative also involved the proper disposal of waste and the planting of trees in selected areas of the campus to reinforce the green aspect of the campaign.

The "Clean Campus, Green Campus" programme was not just a cleaning drive but also an educational activity that highlighted the importance of environmental sustainability. It instilled a sense of responsibility among the students towards their surroundings and contributed to creating a healthier and more aesthetically pleasing campus environment.

ANTI-RAGGING CAMPAIGN

On October 13, 2022, NSS Unit 213 of Kottakkal Farook Arts and Science College, in association with the Anti-Narcotic Club and IQAC, organized a Quiz Competition on Anti-Drug Campaign in the college seminar hall. The event, coordinated by Smitha from the Language Department, aimed to raise awareness about the dangers of drug abuse. The competition saw active participation from students, with Fathima Fasma (BA Politics, 3rd sem) winning the first prize, followed by Mohammed Sinan (BA Politics, 1st sem) and Safeela Banu KP (BSc Physics, 5th sem) as the second and third prize winners, respectively. The quiz was a successful initiative in promoting a drug-free campus.

ROAD SAFETY AWARENESS PROGRAMME

On 31st October 2022, NSS Unit 213 of Kottakkal Farook Arts and Science College, in association with Kerala Kaumudi, organized a Road Safety Awareness Programme in the college seminar hall. The event saw the participation of 80 enthusiastic students who were eager to learn about the critical aspects of road safety.

The program was led by Mr. Santhosh Kumar, Assistant Motor Vehicle Inspector (AMVI) from Malappuram, who brought with him a wealth of knowledge and experience in road safety. During the session, Mr. Santhosh Kumar explained the various rules and regulations that every road user should be aware of. He discussed the importance of following traffic signals, wearing helmets and seat belts, avoiding distractions while driving, and understanding the risks of speeding and reckless driving.

Through real-life examples and personal experiences, Mr. Santhosh Kumar emphasized the consequences of negligence on the road and the importance of adopting safe practices. The interactive nature of the session allowed students to ask questions and clarify their doubts, making the session highly engaging and informative.

The program concluded with Mr. Santhosh Kumar delivering a powerful message: "Be safe on the road, not just for yourself, but for others as well." The event was a great success, leaving a lasting impact on the participants and raising awareness about the crucial issue of road safety.

HUMAN CHAIN FOR ANTI- DRUG CAMPIGNING

On November 1, 2022, NSS Unit 213 of Kottakkal Farook Arts and Science College participated in a drug-free human chain organized by Kottakkal Municipality as part of Kerala Piravi celebrations. The event aimed to raise awareness about the dangers of drug abuse and promote a drug-free society. Around 50 volunteers from NSS Unit 213 joined the human chain, which symbolized unity and collective resolve against drug abuse. Participants held placards with anti-drug messages, and the event was marked by speeches from local dignitaries who praised the efforts of the volunteers. The participation of NSS Unit 213 was a significant contribution to the movement for a drug-free Kerala.

BLOOD STEM CELL DONATION CAMP

On November 10, 2022, NSS Unit 213 of Kottakkal Farook Arts and Science College, in collaboration with DKMS-BMST, organized a Blood Stem Cell Donation Awareness Programme in the college seminar hall. The event, which began at 1:30 PM, was aimed at educating students about the importance of blood stem cell donation in treating cancer patients and the process involved.

The programme saw the active participation of over 100 students, who were keen to learn about how they could contribute to saving lives. The session included informative talks by experts from DKMS-BMST, who explained the significance of blood stem cell donation, the diseases it can help cure, and the simple yet life-saving process of donation.

A key highlight of the event was the collection of buccal swabs from students who volunteered to register as potential stem cell donors. These swabs will be stored in a registry and could be used in the future to match with cancer patients in need of a stem cell transplant.

The program was highly effective, leaving a lasting impact on the participants by instilling a sense of responsibility and the potential to save lives through stem cell donation. NSS Unit 213's initiative was a significant step towards promoting awareness and encouraging life-saving contributions among the student community.

CHILDRENS DAY CELEBRATION IN AWH SPECIAL SCHOOL

On 14th November 2022, 53 NSS volunteers from Kottakkal Farook Arts and Science College visited AWH Special School in Parappur to celebrate Children's Day. The event aimed to bring joy and entertainment to differently-abled students through various cultural activities. The volunteers organized dance performances, singing, and interactive games, engaging the students and making the day special for them. The celebration included the distribution of snacks

and gifts, and the day concluded with a group photo session. The event was a heartwarming experience, emphasizing the importance of inclusivity and community service.

PENALTY SHOOTOUT COMPETITION

As part of the FIFA Qatar World Cup 2022 celebrations, Kottakkal Farooq Arts & Science College, under NSS Unit 213, in collaboration with the Physical Education Department, organized a thrilling penalty shootout on November 18, 2022, at 2:00 PM on the college grounds. The event was inaugurated by the honorable Principal, Prof. M Abdul Azeez Sir, who set the tone for an exciting and competitive atmosphere.

The penalty shootout witnessed enthusiastic participation from students across various departments, making the event a grand success. In the boys' category, the Economics Department emerged victorious, showcasing their skill and teamwork. In the girls' category, the Politics Department took the win, displaying remarkable precision and determination.

AIDS DAY CELEBRATION

On December 1, 2022, Kottakkal Farook Arts and Science College, under NSS Unit 213, observed World AIDS Day to express solidarity with AIDS patients and raise awareness about the disease. The event was a significant part of the college's commitment to social responsibility and public health education.

The program commenced with a speech by the honorable Principal, who emphasized the importance of awareness and compassion in the fight against AIDS. The highlight of the event was an insightful talk by Prof. Labeeb, who provided a comprehensive overview of AIDS, its causes, prevention methods, and the challenges faced by those living with the disease. His speech stressed the need to eliminate stigma and discrimination associated with AIDS, encouraging students to be informed and empathetic towards affected individuals.

NSS volunteers actively participated in the event, distributing informational pamphlets and engaging in discussions about the importance of early detection and safe practices. The program was a successful effort in educating the college community about AIDS and reinforcing the college's role in promoting public health awareness.

The observance of World AIDS Day at Kottakkal Farook Arts and Science College served as a powerful reminder of the ongoing fight against AIDS and the importance of solidarity and education in this global challenge.

"KADORAM"-NSS NATURE CAMP

Kottakkal Farook Arts and Science College NSS Unit 213 went to a nature camp titled "Kadoram" from December 19th to 21st, 2022, at the Idukki Wildlife Sanctuary. The camp aimed

to immerse students in the beauty and biodiversity of nature, fostering an appreciation for environmental conservation. A total of 41 NSS volunteers from the second year participated in the camp, accompanied by NSS Program Officer Suhail KP, and lecturers Smita Miss, Aishwarya Miss, and Mujeeb Sir.

The journey began on 19th December at 6 AM, with the bus departing for the Idukki Wildlife Sanctuary. Upon arrival at 4 PM, the group settled at the dormitory within the sanctuary. The camp was inaugurated under the guidance of Joseph Sir, the Sanctuary Head, who provided valuable insights into the region's rich flora and fauna.

Over the course of the camp, students had the opportunity to explore the forest, observe small and large animals in their natural habitat, and marvel at the sanctuary's breathtaking landscapes. The camp also included a visit to the iconic Idukki Dam, enhancing the volunteers' understanding of the area's ecological and engineering significance.

The camp concluded on 21st December, with the group returning to the college at 5 PM. "Kadoram" was a memorable and educational experience, instilling in the volunteers a deeper respect for nature and a commitment to environmental stewardship.

"CHIRATH"-NSS 7 DAY SPECIAL RESIDENTIAL CAMP

From December 24th to December 30th, 2022, NSS Unit 213 of Kottakkal Farook Arts and Science College organized a seven-day residential camp at AMLP School Villoor, themed "Laharimukthayavvanam" (Youth Free from Addictions). The primary goal was to raise awareness about drug abuse among the residents of Valiyaparambu, the adopted village of the NSS unit. A total of 48 volunteers participated in the camp, conducting campaigns with the support of local

clubs and associations. The camp was titled "Chirath" and was structured with morning sessions dedicated to campaigning in the village, and afternoon sessions focused on value and skill-based orientation for both volunteers and residents.

The morning campaigns involved door-to-door visits, distribution of informational pamphlets, and interactive sessions to discuss the impacts of drug abuse and prevention strategies. Afternoon sessions aimed at personal development and community service, enhancing the skills and knowledge of participants. The program successfully raised awareness about drug abuse, fostered community involvement, and empowered individuals with valuable skills. The collaborative effort with local clubs and associations strengthened the campaign's impact, promoting a healthy, drug-free lifestyle in the community.

PROJECT "HAPPY SCHOOL"

On 1st January 2023, 38 NSS volunteers from Kottakkal Farook Arts and Science College conducted a clean drive at AMLP School Villoor. This initiative was aimed at preparing the school for reopening after the Christmas vacation. Volunteers cleaned classrooms, the kitchen, store rooms, and other areas, and renovated the play area. Despite facing challenges such as time constraints and limited resources, the volunteers successfully transformed the school into a clean and hygienic environment. This activity not only improved the school's facilities but also promoted the importance of cleanliness and community service among the participants. The clean drive was a testament to the volunteers' dedication and teamwork, ensuring a safe and welcoming environment for the students.

DRESS BANK

On 12th January 2023, the NSS Volunteers of Kottakkal Farook Arts and Science College, NSS Unit 213, in collaboration with Pratheeksha Bhavan, conducted a Used Dress Collection drive. The initiative aimed to support the college's Dress Bank and provide clothing to the residents of Pratheeksha Bhavan, a home for differently-abled individuals.

The drive was inaugurated by the Principal, Prof. M Abdul Azeez, and saw the participation of 43 NSS volunteers. Through the concerted efforts of the volunteers, a total of 534 pieces of clothing were collected. These clothes were sorted, cleaned, and handed over to Pratheeksha Bhavan in a heartfelt ceremony.

The drive not only provided essential clothing to those in need but also fostered a sense of community service among the students. The residents of Pratheeksha Bhavan expressed their gratitude, underscoring the positive impact of such initiatives. The event was a testament to the spirit of compassion and social responsibility, highlighting the importance of community engagement in educational institutions.

REPUBLIC DAY CELEBRATION

Kottakkal Farook Arts & Science College, under the auspices of NSS Unit 213, celebrated Republic Day on January 26th, 2023, with patriotic fervor and enthusiasm. The event commenced at 8:30 AM with the hoisting of the national flag by Prof. Sambridh Sir, Head of the Politics Department, who also delivered a speech on the significance of Republic Day. Following the flag-raising, NSS Program Officer Suhail KP and NSS volunteer Snehith shared messages related to the importance of the day, emphasizing the values enshrined in the Constitution of India. The event concluded with the distribution of sweets and the singing of the national anthem, fostering a spirit of unity and national pride among the attendees.

In conjunction with Republic Day, NSS Unit 213 organized various competitions on January 25th, including a quiz competition, drawing competition, and essay writing program, to engage students in reflecting on the importance of the day. The drawing competition saw Sreelal from BA Economics (1st semester) win first prize. In the essay writing competition, Muhammed Rashique from BSc. Mathematics (1st semester) secured first place. The quiz competition winners were Ayisha Simsima from BSc. Botany (1st semester), who took first prize, followed by Nahla (2nd prize) and Muhammed Siyadh CKM (3rd prize).

"POTHICHORU"

On January 21, 2023, as part of the "Athijeevanam" project, the NSS volunteers of Kottakkal Farook Arts and Science College, Unit No. 213, organized a "Pothichoru Distribution" program. This initiative, focused on aiding street dwellers in the Kottakkal and Tirur areas, involved the distribution of traditional homely meals, known as Pothichoru, which were carefully prepared and packed by the volunteers.

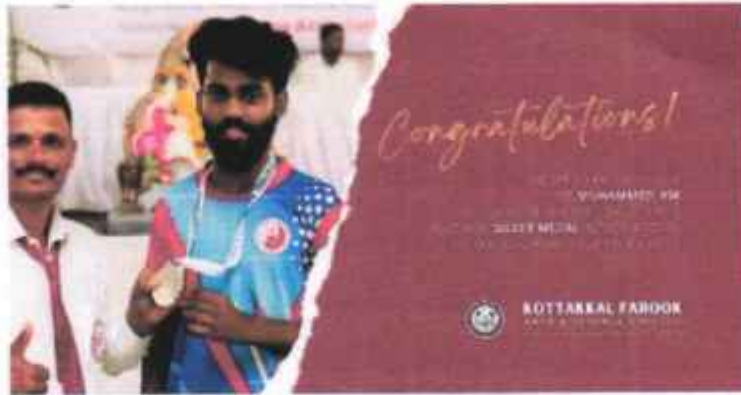

The distribution takes place every two weeks, ensuring a steady and reliable source of nourishment for those facing food insecurity. By adopting the traditional Pothichoru method, the volunteers ensure that the meals are nutritious and remain fresh during transportation, making it practical for street distribution.

The initiative is more than just a food distribution program; it represents the NSS unit's commitment to community service and social responsibility. Through this initiative, the volunteers can foster a sense of community and empathy, while providing much-needed support to those facing economic challenges in their locality.

DEPARTMENT ACTIVITIES

2022-23

Department of English
Departmental activities (2022-2023)

I. Commemorating PB Shelley

The English Department organized a program titled "Commemorating PB Shelley" on August 4, 2022, in the seminar hall. The event included an inaugural session led by the Head of the English Department, featuring a welcome address and an introduction to the life and works of Percy Bysshe Shelley. Aimed at celebrating Shelley's contributions to literature, the event offered a platform for discussions and exploration of his themes and motifs. It featured a paper presentation session where students discussed various aspects of Shelley's poetry, followed by a Q&A session, and a quiz competition for BA English students, led by faculty member Mrs. Amina Murshida. The event was highly successful, with significant student participation, insightful presentations, and an engaging quiz competition, showcasing the academic and intellectual prowess of the students and underscoring the lasting relevance of Shelley's work.

2. Confluenza-22: Cultural Programmes

The English department organized "Confluenza-22," a series of cultural programmes held on August 17, 2022. The event aimed to provide a platform for students to showcase their talents and skills while promoting cultural diversity and fostering a love for the English language. Activities included a successful enactment of William Shakespeare's Romeo and Juliet by final year undergraduates, along with a spell bee competition, extemporization, storytelling, poem recitation, and funanza. Winners received prizes and certificates, enhancing their language skills, confidence, creativity, and communication abilities.

3. Commemorating T. P. Rajeevan

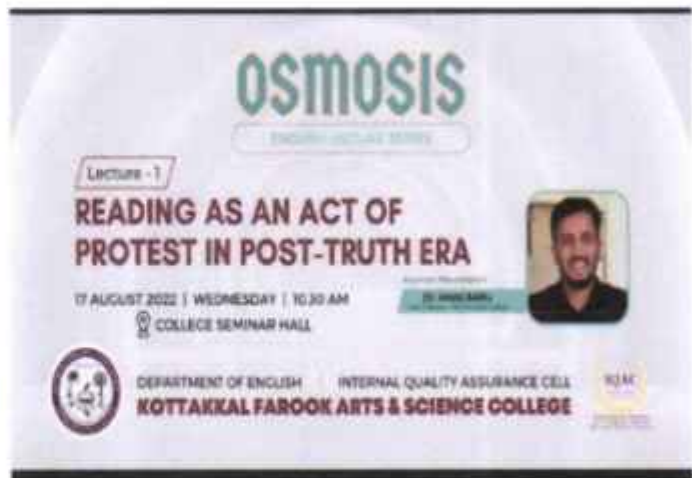

On November 4, 2022, the English and Language Departments organized a program to honor Indian novelist and poet T. P. Rajeevan. Held in the seminar hall at 10:30 am, the event featured a screening of the Malayalam film Paleri Manikyam: Oru Pathirakolapathakathinte Katha, adapted from Rajeevan’s novel. Sreenath M, Head of the English Department, introduced Rajeevan’s life and contributions to literature. The objective of the program was to pay tribute to Rajeevan, celebrate his literary achievements, and provide insights into the adaptation of his works into cinema

4. A Seminar on “Reading as an Act of Protest in Post- Truth Era”

The Department of English organized a lecture series titled “Osmosis” on August 17, 2022, featuring Dr. Anas Babu of MES Mampad College, to explore reading as a tool of resistance and protest against fake news and misinformation. The event, inaugurated by Principal Prof. Abdul Azeez, included a discussion on the impact of fake news on reading practices and strategies for improving critical reading skills. The session concluded with an interactive Q&A, emphasizing the cultural and political significance of reading in the post-truth era.

5. A Seminar on “The Impact of Magical Realism in Latin American Literature”

The seminar, conducted by the English department, was held on December 12, 2022. The audience was privileged to hear a captivating keynote presentation by Mr. Madhu K, a distinguished authority in the field, who provided valuable insights into the seminar’s theme on “The Impact of Magical Realism in Latin American Literature.” The day was off to an auspicious start with these insightful contributions from Mr. Madhu K, laying the foundation for a thought-provoking seminar. The session served as a platform for rich discourse and appreciation of the unique narrative style that has shaped Latin American literature and extended its influence worldwide.

Department of Economics

Departmental Activities (2022-2023)

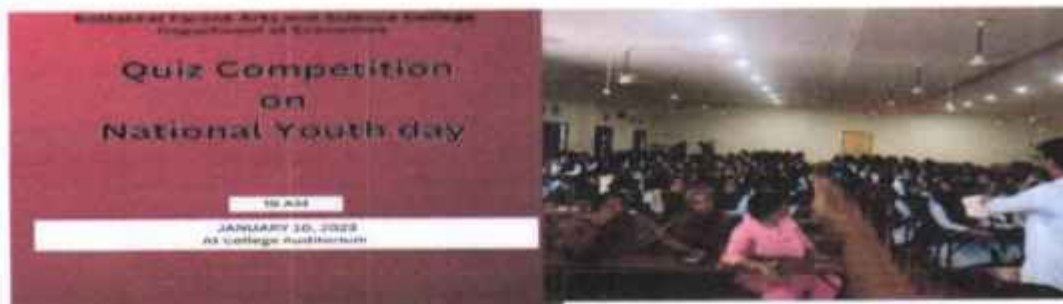

1. Workshop on "Fiscal Policies and Their Impact on the Indian Economy"

The Department of Economics organized a workshop titled "Fiscal Policies and Their Impact on the Indian Economy" on January 6, 2023. The event aimed to deepen students' understanding of fiscal policies, foster expert interaction, and enhance critical thinking. Key speakers included Ramla K, who discussed recent fiscal reforms, and Sarabi T, who analyzed case studies on fiscal policies. The workshop featured sessions on economic impacts, group activities, and discussions, successfully enriching students' knowledge and analytical skills.

2. Quiz Competition

The Department of Economics organized a successful quiz competition on January 10, 2023, themed around National Youth Day. The event aimed to enhance students' knowledge of the day's significance, encourage critical thinking, promote teamwork, and offer an engaging learning experience. The competition featured three rounds with a variety of question types and topics related to National Youth Day and Swami Vivekananda. With enthusiastic participation from 30 teams, the quiz fostered a competitive spirit and was well-received by both students and faculty. The department extends its gratitude to all involved for their support and contributions.

3. Seminar on "ARE WE HEADED FOR A RECESSION?"

The Department of Economics hosted a seminar titled "Are We Headed for a Recession?" On August 28, 2022. The event, held in the college seminar hall, aimed to analyze the current economic situation and its global and national impacts. The seminar featured insights from Prof. Abdul Azeez, Mr. Mujeeb T.P, Mr. Muhammed Musthafa, and Mrs. Rahmathimol Kadambot, who discussed economic downturns, pandemic challenges, and the importance of studying economic cycles. The program also included student paper presentations and the distribution of mementos to previous academic toppers.

Departmental of Political Science
Departmental Activities (2022-2023)

1. Justicia

The Department of Political Science organized a seminar "JUSTICIA "on July 18, 2022, at Farook Arts and Science College, marked World Day for International Justice. The event featured an inauguration by Prof. Abdul Azeez and a presidential address by Mr. Sampreeth T M. It included a debate on "Women Justice in India," led by Shahid Afreed, and presentations on political justice concepts by Shahid Afreed, Albin Sajeev, Safa Farvie, Sahala T, and Anupama. The objective was to foster discussions on justice-related issues and enhance student engagement in political science.

2. Remembering Gorbachev

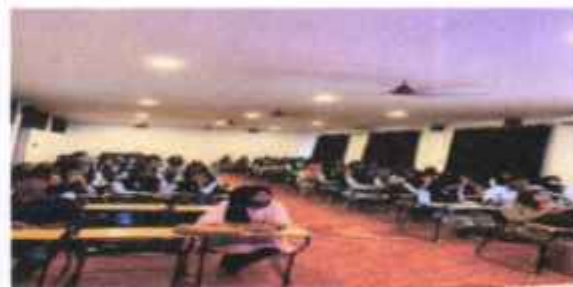

The Department of Political Science organized a seminar On September 30, 2022 to commemorate Mikhail Gorbachev and explore the relevance of communism today. The event, starting at 2:00 pm, featured an inauguration by Prof. Abdul Azeez and a presidential address by Mr. Sampreeth T M. The seminar's core activity was a debate on the impact and legacy of communism, moderated by Ms. Shahina, encouraging students to engage with and critically assess the ideology's relevance in contemporary contexts.

3.Nehru and His vision

The Department of Political Science organized a group discussion on November 14, 2022, to celebrate Children's Day and the birthday of Jawaharlal Nehru. Held at the Farook Arts and Science College Seminar Hall, the event began at 2:00 PM with an inaugural session led by Prof. Abdul Azeez, the principal. The discussion focused on "The Political Ideology of Jawaharlal Nehru" and was led by Mrs. Sampreeth T. M., Head of the Department. Students actively participated, sharing their insights and supporting facts.

4.Rights and Duties

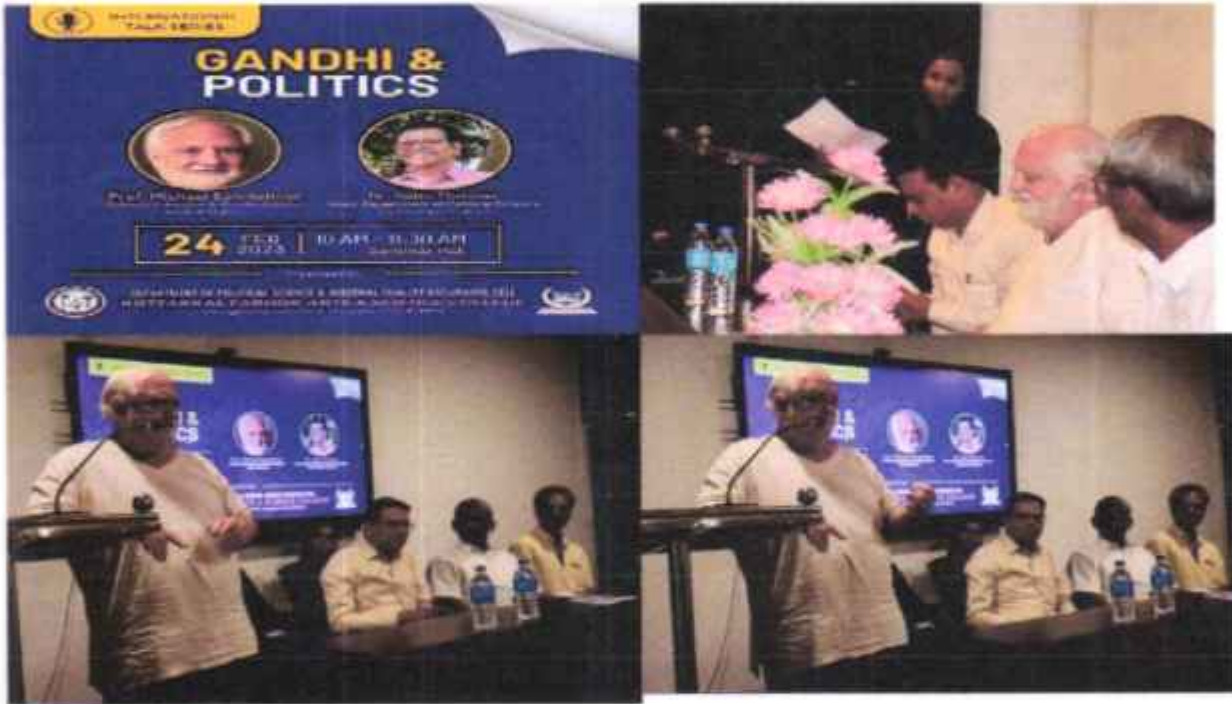

The Department of Political Science organized a seminar on December 11, 2022, to mark the International Day of Human Rights, aiming to educate and engage students on human rights issues. Held at the Farook Arts and Science College Seminar Hall, the event began at 2:00 PM with an inaugural session led by Prof. Abdul Azeez, the principal. The seminar focused on "Rights and Duties," covering the National Human Rights Commission, human rights history, and global activities. Led by Mrs. Sampreeth T. M., Head of the Department, students actively participated by presenting papers and discussing human rights violations with supporting examples

Department of Physics
Departmental Activities (2022-2023)

1. National Moon Day Celebration

The PG Department of Physics at KFASC organized a National Moon Day celebration on July 20, 2022, with a quiz and news reading competition. The event aimed to commemorate the 1969 moon landing and enhance students' knowledge of lunar facts. Ms. Reshma P. welcomed participants, followed by a news reading competition. The quiz competition included three rounds of questions on moon facts. The program concluded with prize announcements, recognizing winners in both competitions.

2. Nexus Physics Lecture Series

The PG Department of Physics at Kottakkal Farook Arts and Science organized Nexus Physics Lecture Series on July 29, 2022. The event, opened by Principal Prof. Abdul Azeez and attended by various dignitaries, aimed to explore recent advancements in astrophysics. The keynote lecture on "James Webb Telescope and Its New Findings" was delivered by Dr. Tharanath R. from Aquinas College, discussing the basics of astrophysics, the James Webb Telescope, and its new discoveries.

4. Workshop on "Working of DSO and CRO"

The PG Department of Physics at organized a half-day workshop on "Working of DSO and CRO" on October 7, 2022. The objective was to train PG and third-year UG students on the proper usage and principles of Digital Storage Oscilloscopes (DSO) and Cathode Ray Oscilloscopes (CRO). The training, conducted by Mr. Aslam and Mr. Jithin from PROMINENT, included practical demonstrations and hands-on experience.

5. Workshop on "LED"

The PG Department of Physics organized a half-day training workshop on Light Emitting Diode (LED) on 20th December 2022 at 10:00 AM in the UG Physics Lab. The workshop, inaugurated by Principal Prof. Abdul Azeez, featured Mr. Mohammed Rafi, Assistant Professor at Majlis Arts and Science College, Valancherry, as the chief guest. Aimed at PG and UG students, the workshop covered the principles, construction, and repair of LEDs, demonstrating proper working conditions and troubleshooting.

6. NET Orientation Lecture

The Department of Physics organized a CSIR NET orientation class on February 27, 2023, at the Media Room in collaboration with Competitive Cracker for postgraduate students. The session aimed to provide insights and guidance for the CSIR NET exam, covering the exam structure, syllabus, and preparation strategies. Distinguished faculty members delivered presentations and offered study tips, recommended resources, and addressed common challenges. Highlights included an interactive Q&A session and multimedia presentations to enhance learning.

7. Seminar on "Modern Trends in Physics"

The PG Department of Physics at Kottakkal Farook Arts and Science College organized a one-day student seminar on "Modern Trends in Physics" on March 1, 2023, in the college media room. The seminar aimed to explore recent advancements in physics, covering topics such as quantum dot solar cells, nanoelectronics, 3D printing, aurora borealis, memristors, the Large Hadron Collider, graphene, reusable rockets, the physics of microorganisms, carbon nanotubes, terahertz spectroscopy, hyperloop, and ultracapacitors.

Department of Mathematics
Departmental Activities (2022-2023)

1.PRO-ERA

The Department of Mathematics organized the PRO-ERA Mathematics Lecture Series & Paper Presentation on August 19, 2022, from 10:00 a.m. to 4:00 p.m. in the College Seminar Hall, attended by BSc Mathematics students aimed to provide knowledge beyond the syllabus, familiarize students with intellectuals, and offer a platform for presenting new mathematical ideas. The event featured a lecture by Susanth P on "Fractional Dimensions and Fractals" and paper presentations by final-year students on various mathematical topics. The sessions were highly interactive, informative, and received positive feedback.

Prof. M. ABDUL AZEEZ
PRINCIPAL
KOTTAMAL FAROOK ARTS & SCIENCE COLLEGE
PARAPPUR.P.O. - 676 503

2. PRO-ERA 2.0

The Department of Mathematics organized the PRO-ERA 2.0 Mathematics Lecture Series on December 21, 2022. The event, featuring an Alumni Talk Series and Mathematical Games, was held in the College Seminar Hall and attended by BSc Mathematics students. The program aimed to connect with alumni and encourage student participation in mathematical games. Resource person Badarunnissa P delivered a keynote address on the nature and characteristics of mathematics. Following this, students organized a Maths Exhibition and games like Sudoku and Rubik's Cube. The event concluded with positive feedback and a Mathematical Treasure Hunt.

3. Pi Day Celebration

The Department of Mathematics organized a Pi Day Celebration on March 14, 2023, for BSc Mathematics students, held from 10:00 a.m. to 4:00 p.m. in the College Seminar Hall. The event featured a Pi Recitation Challenge, a Pi-themed Trivia Quiz, a Pi Day Bake-off, and an educational session. The objective was to celebrate Pi Day and promote camaraderie through fun and educational activities. The event was a success, enhancing departmental morale and understanding of mathematics, with positive feedback from participants. Future events may involve other departments and more interactive activities.

Departmental activities (2022-2023)

1. Dioscoreaceae- Seminar on Medicinal plants

The Department of Botany organized a One Day Seminar “ Dioscoreaceae” on 24 August 2022 at the Seminar Hall. The event, inaugurated by Prof. M Abdul Azeez, Principal of the college, included speeches by Dr. Chithra M., Head of the Botany Department, and other faculty members. The seminar aimed to explore the medicinal uses and taxonomy of various plant families, with presentations from 3rd semester BSc Botany students covering families such as Annonaceae, Meliaceae, and Asteraceae. The interactive session concluded with a valedictory function and feedback from participants.

2. Lavandula

The Botany Department organized a One Day Seminar on ‘Lavandula’ for National Science Day Celebrations on 2nd March 2023. Inaugurated by Vice Principal Mr. Labeeb Mancheri, the event included speeches by Dr. Chithra M. and Chief Guest Dr. Rajesh Kumar T. Activities included like quiz and puzzle game, followed by a technical session on modern trends in taxonomic research by

Department of Commerce
Departmental Activities (2022-2023)

1.Seminar on “ Skills that Employers want”

The Department of Commerce and Management studies , in association with IQAC organized a seminar on “Skills that Employers Want” on 4th August 2022. The event aimed to equip faculty and students, particularly from BCOM and BBA, with essential workplace skills. Danish Shabeeb, Sales and Marketing Executive at ENPI GROUP-Dubai, highlighted the importance of problem-solving, critical thinking, communication, teamwork, and professionalism in today’s competitive job market. The seminar included a Q&A session, where participants sought clarification and job-related advice. Positive feedback emphasized the clarity and practicality of the information presented.

2. Workshop on “Explore your possibilities and Forget your Insecurities “

The Department of Commerce and Management studies , in association with IQAC and ED Club of Kottakkal Farook Arts and Science College, organized a one-day hand embroidery workshop titled “Explore Your Possibilities and Forget Your Insecurities.” on 12th August 2022. The workshop, led by entrepreneur and BBA alumna Scenath K, aimed to impart embroidery skills and motivate participants to become successful entrepreneurs. The program began with an inaugural

The Department of Commerce and management studies organized a seminar titled “Step Up, Explore the Avenue” on 31st January 2023 for final year BCom students. The seminar aimed to inspire and guide students as they approach graduation, encouraging them to explore new opportunities and pathways in their fields. Professor Abdul Nabil, CEO of Eclat International, highlighted identifying opportunities, embracing innovation, pursuing passions, networking, mentorship, and entrepreneurial spirit. The seminar concluded with an interactive Q&A session, providing valuable insights and motivation for the students’ future careers

6.Seminar on” Project Skilling “

The PG Department of Commerce and Management studies , in association with IQAC organized a seminar on “Project Skilling” on 24th February 2023. The seminar aimed to equip students with the skills needed to undertake research projects effectively, including choosing research problems, forming hypotheses, selecting methods, collecting and analyzing data, and preparing project reports. The event, held from 10:00 AM to 4:00 PM, featured sessions led by faculty members covering various aspects of research methodology.

DEPARTMENT OF ENGLISH
EXTENSION ACTIVITIES
2022-23

1: Community Survey Initiative

On June 17, 2022, fifth-semester students of Department of English conducted a community survey in Ward 31, Kizhakkekundu Panchayath, to identify community needs, challenges, and opportunities for collaboration. The survey, designed with input from academic experts and community leaders, targeted diverse community members and collected data through offline, online, and in-person interactions. The survey aimed to understand educational and skill development requirements, evaluate interest in community activities, and explore potential collaborations.

Department of English conducted a community survey in Ward 3

Outcome: The results highlighted key community needs, educational levels, willingness to participate in activities, and potential areas for joint projects, fostering stronger community-college connections.

2: Community Engagement Program for Children

On July 20, 2022, third-semester students of Department of English conducted a program for children in Anganwadi 1 and 2 of Ward 31, Kizhakkekundu Panchayath. The program included storytelling, arts and crafts, outdoor games, and interactive learning. Objectives were to make learning enjoyable, develop social and emotional skills, enhance language and communication, spark creativity, encourage physical activity, and create a sense of belonging.

Community Engagement Program for Children by Department of English

Outcome: The program enhanced social, emotional, and communication skills among children, increased creativity and physical activity, and created a sense of belonging and community for the children.

3: Book Drive to Promote Literacy

On November 25, 2022, first-semester students of Department of English organized a book drive to promote literacy in Kizhakkekundu Panchayath. Objectives included encouraging reading, providing knowledge, improving reading skills, offering diverse books for all ages, and highlighting literacy's importance. The methodology involved assessing community literacy needs, partnering with local schools, collecting books, sorting them by genre and age, and organizing a distribution event.

Organized a Book drive initiative to promote literacy in Kizhakkekundu Panchayath

Outcome: The initiative distributed books to various age groups, promoting literacy, enhancing reading habits and skills within the community, and providing valuable resources to those lacking access to books.

4: English Conversation Circle

On January 20, 2023, the Department of English at Kottakkal Farook Arts and Science College organized an English Conversation Circle led by fourth-semester students. The event aimed to enhance language proficiency, boost confidence, facilitate cultural exchange, and foster community cohesion. Activities included group discussions, role-playing, and language games.

English Conversation Circle

Outcome: The event improved English fluency among participants, strengthened community ties, and received positive participant feedback to refine future workshops.

5: Community Cultural Exchange Fair

On March 6, 2023, the Department of English at Kottakkal Farook Arts and Science College held a Community Cultural Exchange Fair led by second-semester students to foster cultural understanding and appreciation. The event featured cultural exhibits, performances, and interactive activities like language exchanges and storytelling.

Community Cultural Exchange Fair

Outcome: The fair enhanced cultural appreciation, strengthened community cohesion, and successfully celebrated diversity and unity with 42 participants from Ward 31, inspiring future cultural events.

DEPARTMENT OF ECONOMICS

EXTENSION ACTIVITIES

2022-2023

I. Impact of Digital Payment Systems for Consumers in Ward 1, Kottakkal Municipality

The extension activity conducted on JUNE 14, 2022, by 5th semester economics students from Kottakkal Farook Arts and Science College provided insightful data on the impact of digital payment systems among consumers in Ward 1 of Kottakkal Municipality. The study, which combined quantitative surveys of 150 households and qualitative interviews with 20 participants including local shop owners, highlighted high awareness (95%) and substantial usage (78%) of digital payments, with 60% of users engaging in digital transactions at least weekly. The primary benefits identified were convenience (85%), time-saving (70%), and enhanced security (65%), although significant challenges such as technical issues (40%), lack of knowledge (30%), and limited vendor acceptance were also noted. The study further revealed that digital payments influenced consumer behavior, with 55% of users reporting an increase in spending and 50% indicating improved financial management. Based on these findings, the report recommends educational programs to enhance consumer and vendor knowledge, the establishment of a local helpline to address technical issues, incentives for vendors to increase digital payment acceptance, and improvements in network infrastructure to ensure reliability. The activity underscored the positive impact of digital payments on financial inclusion and economic efficiency while recognizing the need for addressing existing challenges to further boost adoption.

Impact of Digital Payment Systems for Consumers in Ward

Outcome: This comprehensive analysis not only sheds light on the current state of digital payment systems in the local community but also provides actionable recommendations for enhancing their efficiency and adoption, thereby contributing to a more inclusive and economically efficient society. The study was made possible through the cooperation of Ward 1 residents and the dedicated efforts of the faculty and students of the Department of Economics, to whom we extend our heartfelt gratitude.

2. Analysis of Healthcare Issues in Ward 1, Kottakkal Municipality

On July 25, 2022, the Department of Economics at Kottakkal Farook Arts and Science College conducted an extension activity to analyze healthcare issues in Ward 1, Kottakkal Municipality, focusing on public health policies and healthcare financing. This activity, led by third semester economics students, aimed to evaluate the effectiveness of public health policies, the challenges of healthcare financing, and the economic impact on households. The study employed a mixed-methods approach, including surveys of 200 households, interviews with 30 healthcare providers and community leaders, and two focus group discussions to gather diverse perspectives. The findings revealed that 80% of respondents were aware of public health policies, yet only 40% felt they were adequately implemented. Out-of-pocket healthcare expenses were a significant burden for 70% of households, with only 30% having health insurance. Additionally, while 65% of respondents lived within 5 km of a healthcare facility, 45% reported issues with service quality, such as long wait times and inadequate facilities. Economically, households spent 10-15% of their monthly income on healthcare, with 40% resorting to borrowing money or selling assets to cover costs. The activity's outcomes included raising awareness about the economic dimensions of healthcare policies and providing policy recommendations. These recommendations emphasized the need for enhanced awareness programs about health insurance, improved implementation of public health policies, targeted financial support for vulnerable households, and infrastructure development to improve service quality.

Analysis of Healthcare Issues in Ward 1, Kottakkal Municipality

Outcome: The activity also highlighted the need for further research on healthcare financing and policy effectiveness at the local level. The extension activity offered valuable insights into the healthcare challenges in Ward 1, underscoring the necessity of addressing economic burdens and policy implementation issues to achieve better health outcomes and financial stability for the local community. We extend our gratitude to the residents of Ward 1 for their participation and cooperation, and to the faculty members and students of the Department of Economics for their dedication to this study.

3. Agricultural Economic Workshop

On December 10, 2022, an Agricultural Economic Workshop was held for the farming community in Ward I of Kottakkal Municipality, organized to address the economic challenges faced by local farmers and equip them with essential knowledge and tools for improved agricultural productivity and financial stability. The workshop aimed to enhance economic understanding, promote sustainable practices, improve financial management, facilitate market access, and foster collaboration among farmers. To achieve these objectives, the methodology included a pre-workshop survey to assess farmers' current practices and needs, the development of a targeted curriculum, and expert-led facilitation by agricultural economists, market analysts, and successful local farmers. Interactive learning sessions with presentations, group discussions, and hands-on activities were used to engage participants, who also received educational materials for future reference. A feedback mechanism was implemented to evaluate the workshop's effectiveness and gather suggestions for future initiatives.

The workshop yielded several positive outcomes. Participants reported significant improvements in their understanding of agricultural economics, market dynamics, and financial management. Many farmers expressed intentions to adopt sustainable farming practices introduced during the workshop, recognizing their potential for long-term economic benefits. Additionally, farmers gained valuable skills in budgeting, saving, and investment, which they planned to apply to enhance their financial stability. Improved market strategies were also a key outcome, as farmers were provided with information and techniques to better access and navigate local and regional markets, allowing them to sell their produce at more competitive prices. The workshop fostered a strong sense of community among participants, who appreciated the opportunity to share experiences and learn from each other, promoting ongoing collaboration and support. Based on participant feedback, follow-up sessions and continuous support initiatives were planned to ensure the ongoing application of the knowledge and skills gained during the workshop.

Agricultural Economic Workshop

Outcome: The Agricultural Economic Workshop was a valuable initiative that provided the farming community in Ward I of Kottakkal Municipality with essential economic knowledge and tools. The positive outcomes reflect the workshop's success in enhancing farmers' economic practices and fostering a collaborative community spirit. This initiative has laid the groundwork for continued support and development of sustainable, economically viable farming practices in the region.

4: Career Guidance Workshop in Ward 1, Kottakkal Municipality

On January 15, 2023, the Department of Economics at Kottakkal Farook Arts and Science College organized a career guidance workshop for residents of Ward 1, Kottakkal Municipality, conducted by 4th semester economics students under faculty supervision. The workshop aimed to provide young individuals with career guidance, helping them make informed decisions about their future. Objectives included providing information on career options post-higher secondary education, guiding participants on required skills and qualifications, offering insights into the job market and emerging career trends, emphasizing the importance of higher education and vocational training, and empowering participants with knowledge on preparing for competitive exams and interviews. Data collection involved a pre-workshop survey among 150 individuals aged 15-25 to understand their career aspirations and knowledge gaps, and in-depth interviews with local educators and professionals to identify relevant career opportunities and challenges.

The workshop featured presentations by experts in various fields, interactive sessions for personalized advice, distribution of resource materials, and follow-up support for career counseling. Key findings indicated that while many participants aspired to traditional careers in engineering, medicine, and government services, awareness of emerging fields like data science and renewable energy was limited. Participants sought more information on educational qualifications for competitive exams such as NEET, JEE, and UPSC, and showed a strong interest in developing both soft and technical skills. The workshop highlighted local job opportunities in healthcare, education, and small-scale industries, as well as global career trends in IT, healthcare, and environmental sciences. The importance of higher education and vocational training was emphasized, along with strategies for preparing for competitive exams and job interviews.

The workshop was well-received, with participants appreciating the valuable information and support provided. Outcomes included increased awareness of career options, greater motivation and confidence to pursue career goals, and enhanced support from the college for the local community.

Career Guidance Workshop in Ward 1, Kottakkal Municipality

Prof. M. Abdul Azeez
Prof. M. ABDUL AZEEZ

KOTTAKKAL FAROOK ARTS & SCIENCE COLLEGE
PARAPPUR.P.O. - 676 503

Outcome: The career guidance workshop effectively addressed the career-related concerns of young individuals in Ward 1, providing essential information, guidance, and motivation. By continuing such initiatives, the Department of Economics can further contribute to the personal and professional development of the local community. Gratitude is extended to the residents of Ward 1 for their participation, the invited experts for their contributions, and the faculty members and students of the Department of Economics for their dedication and hard work in organizing this successful event.

5. Financial Inclusion Workshop in Ward 1, Kottakkal Municipality

The financial inclusion workshop conducted on February 22, 2023, by 2nd semester economics students from the Department of Economics at Kottakkal Farook Arts and Science College aimed to enhance financial literacy among residents of Ward 1, Kottakkal Municipality. The workshop sought to educate participants on the importance of financial inclusion, introduce them to various financial services, and guide them in managing bank accounts, using digital payment systems, and accessing credit and insurance services. Preceding the workshop, surveys and focus group discussions with 100 households provided insights into the residents' financial literacy and access to services. Presentations by experts, interactive sessions, practical demonstrations, and distribution of informational materials formed the core structure of the workshop. Key findings highlighted that while 70% of participants were aware of banking services, only 40% were familiar with digital financial tools. Bank account ownership stood at 60%, but there was low usage of credit (25%) and insurance services (20%). Barriers to financial inclusion included a lack of knowledge and trust in digital tools (50%) and cumbersome documentation requirements (30%). The workshop's impact was significant, improving participants' awareness, confidence in using digital financial tools, and financial management skills. It also promoted economic stability and empowerment, particularly among marginalized groups. Overall, the workshop was well-received, fostering community engagement and collaboration with local financial institutions.

Financial Inclusion Workshop in Ward 1

Outcome: The success of this initiative underscored the importance of continuing such efforts to further enhance the economic well-being and development of the local community. The Department of Economics extends gratitude to the residents of Ward 1 for their participation, the experts for their contributions, and the faculty and students for their dedication in organizing the event.

DEPARTMENT OF POLITICAL SCIENCE

EXTENSION ACTIVITIES

2022-2023

I. ANTI-DRUG DAY CAMPAIGN 2022

The Anti-Drug Campaign organized by the fifth-semester students of the Department of Political Science at Kottakkal Farook Arts and Science College on June 27, 2022, was a powerful initiative aimed at raising awareness about the dangers of drug abuse and promoting a healthy, drug-free lifestyle in the Fourth Ward of Kottakkal Municipality. The campaign's primary objective was to educate the local community about the harmful effects of drug abuse, empower them to make informed choices, and provide necessary resources and support for those struggling with addiction. The event, part of the World Anti-Drug Day observance, included educational workshops and awareness activities, beginning with informative presentations by the students at 2 pm. These presentations covered various aspects of drug abuse, including its impact on physical and mental health, social consequences, and legal ramifications. Students also engaged in pamphlet distribution, providing crucial information on the effects of drug abuse, warning signs of addiction, health risks, prevention strategies, and available resources for help. The pamphlets were handed out to people on the roadsides, in nearby houses, and schools, ensuring widespread dissemination of vital information. The campaign's outcome was significant, resulting in increased awareness and understanding of the risks associated with drug abuse among the local population. It empowered students and community members to make informed decisions and resist peer pressure related to drug use. Furthermore, the campaign promoted a supportive and inclusive culture that prioritizes health and well-being, providing access to resources and support services for those struggling with addiction or seeking recovery. The collaboration with community stakeholders underscored a collective effort to address drug-related issues and foster a drug-free environment.

Prof. M. ABDUL AZEEZ
PRINCIPAL
KOTTAKKAL FAROOK ARTS & SCIENCE COLLEGE
PARAPPUR P.O. - 676 503

Outcome: Anti-Drug Campaign organized by the Department of Political Science students has made a substantial impact on the Fourth Ward of Kottakkal Municipality, fostering a culture of prevention, intervention, and support for those affected by substance abuse. This initiative served as a critical step towards creating a safer and healthier community by empowering individuals with knowledge and resources, thus aiming to establish a drug-free environment for all residents of the Fourth Ward and beyond.

2. PERSONALITY DEVELOPMENT PROGRAMME FOR HIGHER SECONDARY STUDENTS

On July 9, 2022, the Department of Political Science at Kottakkal Farook Arts and Science College, in collaboration with the local Library Club, organized a Personality Development Programme for higher secondary humanities students in the Fourth Ward of Parappur Panchayat. Conducted by 3rd semester political science students, the program aimed to enhance personal growth, self-confidence, and readiness for future academic and professional endeavors. The event began with an inauguration ceremony led by the head of the department, Mr. Sampreeth T M, followed by panel discussions led by faculty members and alumni, focusing on communication skills, leadership development, self-awareness, and goal setting. Participants engaged in activities such as personality assessments, goal-setting exercises, and reflection sessions, which helped them improve their verbal and non-verbal communication skills and boosted their confidence. The program's outcomes were significant, with students gaining valuable skills in communication, leadership, time management, and self-awareness, enhancing their personal and professional development. Increased confidence levels empowered students to express themselves effectively, take on leadership roles, and pursue their goals with greater determination. Career readiness was also addressed, providing insights into various career options and guidance on academic and professional pathways, better preparing students for the transition to higher education or the workforce. Feedback from participants was overwhelmingly positive, with many expressing gratitude for the opportunity to develop their skills and gain valuable insights into personal growth and development.

Personality Development Programme for Higher Secondary Students

Outcome: The successful execution of the Personality Development Programme highlighted the importance of holistic education and lifelong learning in preparing students for success in an increasingly competitive and dynamic world. The collaboration between the Department of Political Science and the Library Club played a crucial role in the program's success, demonstrating the benefits of community engagement and practical learning experiences in educational initiatives.

3. NONVIOLENCE DAY CAMPAIGN 2022

On October 2nd, 2022, the Department of Political Science at Kottakkal Farook Arts and Science College organized a Nonviolence Day Campaign in the Fourth Ward of Kottakkal Municipality, spearheaded by third semester political science students. This event aimed to raise awareness about nonviolence, peace, and harmony, inspired by Mahatma Gandhi's principles. The campaign included educational workshops at the Fourth Ward Anganwadi on Gandhian philosophy, highlighting nonviolence's historical significance and practical applications. Interactive discussions and group activities explored empathy, tolerance, dialogue, and conflict resolution, while participants were invited to pledge personal commitments to nonviolence. The campaign successfully increased awareness of nonviolent conflict resolution, promoted social justice, and empowered participants to advocate for peaceful solutions to societal problems. It fostered community engagement by bringing together individuals from diverse backgrounds to work towards peace and nonviolence. Participants were inspired to take concrete actions to promote nonviolence in their personal lives and communities through dialogue, advocacy, or community service. The Nonviolence Campaign was a meaningful and impactful initiative that underscored the relevance of nonviolent principles in addressing contemporary challenges and building a more just and compassionate society.

Outcome: Through a combination of educational workshops, interactive discussions, and community outreach activities, the campaign raised awareness, inspired action, and facilitated dialogue on the transformative potential of nonviolence in promoting social change.

4: SUPPLIED ESSENTIAL MEDICINES TO POOR FAMILIES IN 4TH WARD, KOTTAKKAL MUNICIPALITY

On January 6, 2022, 4th semester political science students from Farook Arts and Science College, in association with the Palliative Care Center Parappur, organized an extension activity to distribute essential medicines to impoverished families in the 4th Ward of Kottakkal Municipality. The initiative aimed to supply necessary medications, raise health awareness, and support vulnerable populations, particularly those with chronic illnesses. Initial planning involved surveying to identify medical needs, followed by collaboration with the palliative care center to procure medicines. Funding was secured through fundraising activities and donations from alumni, local businesses, and charitable organizations. The campaign featured a medicine distribution drive at community centers and educational sessions on proper medication use, potential side effects, and the importance of adherence to prescribed treatments. The program successfully provided essential medications to over 50 poor families, significantly improving their health outcomes. It also raised awareness about medication adherence and general health practices within the community. Feedback from beneficiaries was overwhelmingly positive, with many expressing gratitude for the support. Some logistical challenges were noted, particularly in distributing medicines and ensuring follow-up care, highlighting areas for improvement in future initiatives. The success of the campaign underscores the importance of thorough planning, community involvement, and collaboration with healthcare professionals. This initiative not only met its objectives of providing healthcare support but also strengthened community ties and raised health awareness.

Supplied Essential Medicines to Poor Families

Outcome: The positive outcomes of this campaign demonstrate the vital role of community-focused health initiatives in addressing healthcare access gaps and supporting vulnerable populations. The experience provides a valuable blueprint for future efforts, emphasizing the importance of health education, resource mobilization, and sustained community engagement to achieve long-term health improvements. Overall, the initiative was a resounding success, showcasing the commitment of the students and their partners to improving community health and wellbeing through targeted, compassionate interventions.

5: HUMAN RIGHTS AWARENESS CAMPAIGN

On March 7 2022, 2nd semester students from Farook Arts and Science College initiated and led a comprehensive Human Rights Awareness Campaign at the Library Club in the 4th Ward of Kottakkal Municipality. The campaign aimed to educate students and the community about human rights issues, encourage active participation in human rights advocacy, and equip students with the knowledge and tools to become advocates for human rights in their communities. Under the theme "Dignity, Freedom, and Justice for All," the event featured interactive workshops, panel discussions, and exhibitions designed to align with the global focus of Human Rights Day. The inauguration ceremony, led by the President of the Library Club and inaugurated by Mr. Sampreeth T M, Head of the Political Science Department, emphasized the importance of personal growth, self-confidence, and readiness for future endeavors. This was followed by panel discussions led by Mr. Sampreeth TM, Mr. Anjali KG, and Mr. Shamsudeen C. P, which focused on raising awareness about various human rights issues, both local and global. The campaign achieved several key outcomes. It significantly increased awareness among college students about human rights issues at local, national, and global levels. Participants gained a deeper understanding of the principles of human rights, including equality, dignity, and justice, which are crucial for fostering a culture of respect and advocacy. The event empowered students to become active advocates for human rights within their communities and beyond, fostering a culture of respect and dignity. Through the interactive and engaging activities, students were provided with the knowledge and tools necessary to address human rights challenges and promote advocacy efforts effectively. The Human Rights Awareness Campaign proved to be a powerful platform for promoting understanding, advocacy, and action on human rights issues.

Outcome: The involvement of students in planning and executing the event highlighted the importance of youth engagement in human rights advocacy. The campaign not only educated participants but also inspired them to take an active role in promoting and defending human rights. As we reflect on Human Rights Day, this campaign reaffirms our collective commitment to defending and promoting human rights for all, emphasizing that the fight for human dignity, freedom, and justice is ongoing and must be pursued with dedication and passion every day.

DEPARTMENT OF PHYSICS EXTENSION ACTIVITIES 2022-2023 REPORT

1. Community Based Research Project by PG Department of Physics

The PG Department of Physics at Kottakkal Farook Arts and Science College organized a Community Based Research project on June 25, 2022, in Ward 14, Parappur Panchayath, engaging 35 students and 20 local residents to address environmental challenges. The project aimed to investigate water quality, measure air pollution, assess energy usage patterns, and engage the community in scientific research. Students collected and tested water samples for contaminants, monitored air quality with portable sensors, conducted energy usage surveys, and held interactive workshops to educate residents on sustainable practices. The findings revealed high bacterial contamination in water sources, elevated PM2.5 levels indicating poor air quality, and excessive energy usage in some households. Recommendations included improved sanitation, better air quality management, and adoption of energy-efficient practices. The project successfully enhanced community awareness about environmental issues and established a collaborative framework for future research initiatives.

Outcome: Residents raised concerns about the accuracy of water testing methods, health implications of air pollution, and practical ways to reduce energy consumption. This initiative demonstrated the potential of community-based research in providing valuable data and empowering local communities to take proactive steps towards sustainability.

2. Report on Repair and Maintenance Assistance by PG Department of Physics

On July 15, 2022, the Second Year students of the PG Department of Physics at Kottakkal Farook Arts and Science College organized a "Repair and Maintenance Assistance" program in Ward 14, Parappur Panchayath. This initiative aimed to provide technical support for the repair and maintenance of scientific equipment and infrastructure in local schools, community centers, and clinics, with 15 students and 22 residents participating. The project's objectives included assisting schools with scientific equipment repairs, providing maintenance support for community centers, ensuring proper calibration of clinic instruments, educating residents on basic maintenance techniques, and fostering community service and technical collaboration. The methodology involved initial assessments of local facilities, task allocation to student teams, on-site repairs, and interactive workshops. Teams repaired and calibrated scientific instruments in schools, addressed technical issues in community centers, and enhanced the operational efficiency of medical instruments in clinics. Detailed reports documented the issues identified, actions taken, and future recommendations.

Outcome: The outcomes included improved functionality and reliability of scientific instruments, smooth operation of community center equipment, better healthcare services through efficient medical instruments, increased awareness of maintenance practices among residents, and strengthened community ties. The project significantly supported local educational and healthcare infrastructure, addressing technical challenges and educating the community, thus contributing to the overall improvement of facilities in Ward 14. Residents raised doubts about the longevity of repairs, proper calibration techniques, and regular maintenance schedules, highlighting the importance of ongoing support and education in these areas.

3. Skill Development Program

On December 5, 2022, the Third Year students of the PG Department of Physics at Kottakkal Farook Arts and Science College organized a "Skill Development Program" at the college, aimed at empowering community members from Ward 14, Parappur Panchayath by imparting practical skills based on physics principles. This comprehensive program featured workshops on electronics, robotics, programming, and 3D printing, involving 35 students and 30 residents. The objectives were to teach basics of electronics and circuit design, introduce robotics fundamentals, provide hands-on programming experience, demonstrate the use of 3D printing technology, and encourage continuous learning in technical fields. Pre-event planning identified workshop topics and resources, and community members were invited to participate. The sessions included hands-on activities in electronics, building simple robots, programming with Arduino and Raspberry Pi, and 3D printing demonstrations. Q&A sessions allowed participants to clarify doubts, and feedback was collected to evaluate the program's effectiveness.

Outcome: Outcomes included participants gaining a solid understanding of electronics and circuit design, sparking interest in robotics, enhancing problem-solving skills through programming, and showcasing innovative applications of 3D printing. The program successfully fostered a culture of continuous learning and technical skill development, with participants expressing enthusiasm for further learning. Key areas of doubt included the complexity of programming, troubleshooting electronic circuits, and practical applications of 3D printing, highlighting the need for ongoing support and education in these areas.

5. Report on Science Equipment Donation by PG Department of Physics

On February 12, 2023, the Third Year students of the PG Department of Physics at Kottakkal Farook Arts and Science College organized a "Science Equipment Donation" initiative to enhance the quality of education in local schools and community centers in Ward 14, Parappur Panchayath. With participation from 35 students and 18 residents, the project aimed to identify specific needs for science equipment, raise funds, procure necessary items, and donate them to enhance educational experiences. The methodology included conducting surveys to determine needs, organizing fundraising events, purchasing equipment like microscopes and lab kits, and holding a formal donation event with proper documentation and acknowledgment. Follow-up visits were planned to ensure effective use and gather feedback.

Outcome: Outcomes included successfully identifying needs, raising sufficient funds, enhancing science education quality with modern apparatus, increasing community awareness about science education, and fostering a spirit of giving among students. The project significantly improved science education in local schools, but residents raised concerns about equipment maintenance, proper use of sophisticated apparatus, and the continuity of such initiatives. This initiative marked a meaningful step towards supporting science education in the community, addressing local educational needs, and encouraging ongoing community engagement and support for future educational projects.

**DEPARTMENT OF MATHEMATICS
EXTENSION ACTIVITIES
2022-2023**

I. REPORT ON TRAINING SESSION ON NMMS STUDENTS

The National Means-cum-Merit Scholarship (NMMS) scheme is crucial for supporting meritorious students from economically weaker sections to reduce dropout rates at the secondary level. To support this, the Mathematics Department of Kottakkal Farook Arts and Science College organized a training session for 50 students from grades 8 and 9 at Farook English Medium School Kottakkal. The session aimed to provide an overview of the NMMS scheme, familiarize students with the examination pattern and syllabus, enhance problem-solving skills, and offer practice sessions and mock tests. Activities included detailed explanations of the NMMS scheme, examination pattern, intensive training in mathematics and logical reasoning, motivational talks, and mock tests.

Outcome: The session resulted in improved understanding, enhanced skills, increased confidence, and positive feedback from students and parents. The success of this program highlights its importance in empowering students to excel in the NMMS examination. Future sessions will incorporate more interactive and advanced training methodologies.

2. REPORT ON PUBLIC OPINION SURVEY ON VARIOUS LOCAL ISSUES

The Mathematics Department of Kottakkal Farook Arts and Science College conducted a public opinion survey in the 13th ward of Parappur Panchayath to understand local issues, engage students in data collection, and provide insights for local authorities. The survey covered public safety, education, infrastructure, healthcare, environmental concerns, community services, economic opportunities, public involvement, utilities, and future outlook. Results indicated a general sense of safety, moderate satisfaction with education, mixed reviews on infrastructure, positive views on healthcare accessibility, high concern for environmental issues, good but improvable community services, mixed perceptions of job opportunities, moderate community engagement, high satisfaction with utilities, and optimism about future development. Specific findings showed that 70% felt somewhat or very safe, 60% were satisfied with local education, and 35% rated infrastructure as fair. Healthcare was deemed accessible and effective by 45%, while 75% were concerned or very concerned about environmental issues. Community services were rated good by 50%, and utilities satisfied 65% of respondents. Job opportunities had mixed feedback, with 35% agreeing on adequacy. Community engagement was moderate, with 40% involved or very involved. Optimism about future development was prevalent, with 55% optimistic.

Outcome: The survey provided actionable insights for local authorities and practical experience for students, highlighting strengths and areas for improvement to enhance residents' quality of life.

3. Report on Tutoring Mathematics Revision Classes for SSLC students

The Secondary School Leaving Certificate (SSLC) examination is a critical milestone for students, marking the completion of secondary education. To aid in preparation, the Mathematics Department organized an extension activity focused on tutoring SSLC students of IUHSS Parappur in mathematics. The objectives were to provide comprehensive revision of key mathematical concepts, enhance problem-solving skills, offer personalized tutoring, and prepare students through practice tests and review sessions. The activity targeted 60 students and included a diagnostic assessment to identify strengths and weaknesses, concept revision covering topics such as Algebra, Geometry, Trigonometry, Mensuration, and Statistics, daily problem-solving sessions, weekly mock tests, regular doubt-clearing sessions, distribution of study materials, and motivational talks.

Outcome: Outcomes included improved understanding of mathematical concepts, increased confidence, better performance, and positive feedback from both students and parents. The students noted improvements in problem-solving skills and exam readiness, while parents appreciated the personalized attention and structured revision plan. The mathematics revision classes were highly effective, providing the necessary support and guidance for students to prepare confidently for their final exams, as evidenced by the positive feedback received.

4. REPORT ON TEACHING THE CHAPTER "NEW NUMBERS" FOR 9TH STUDENTS OF IUHSS PARAPPUR

The Department of Mathematics at Kottakkal Farook Arts and Science College conducted an extension activity to teach the chapter "New Numbers" to 9th-grade students from IUHSS Parappur, focusing on complex numbers and their advanced numerical concepts. The objectives were to provide a thorough understanding of complex numbers, their arithmetic operations, and practical applications through engaging, interactive, and hands-on learning activities. Sixty students participated in various activities, including the introduction to the imaginary unit 'i,' representation of complex numbers, arithmetic operations, graphical representation on the complex plane, and practical applications in electrical engineering, signal processing, and solving quadratic equations. The interactive segment included group problem-solving, the use of graphing calculators, quizzes, games, and projects on the history and development of complex numbers, fostering enhanced understanding, skills, and engagement among students. The feedback was overwhelmingly positive, with students appreciating the hands-on approach and real-life applications, while teachers noted improved grasp of difficult concepts and increased enthusiasm.

Outcome: Overall, the initiative was a resounding success, effectively combining theoretical teaching, practical applications, and interactive activities to help students understand and appreciate the importance and utility of complex numbers.

MATHEMATICAL COMPETITION FOR HIGH SCHOOL STUDENTS OF IUHSS PARAPPUR

The Mathematics Department organized a competition for high school students at IUHSS Parappur, aiming to foster a love for mathematics and enhance problem-solving skills. Seventy students from grades 8-10 participated, beginning with registration and an orientation session outlining competition guidelines. The preliminary round featured a written test on topics like Algebra, Geometry, Trigonometry, and Probability, from which the top 20 students advanced to the intermediate round. This round focused on advanced topics and real-world applications, requiring detailed solutions. The top six then proceeded to the final round, which combined individual problem-solving with team-based activities to test creativity and collaborative skills. Interactive workshops with mathematicians further enriched the experience. Awards were given to top performers, with special recognition for innovative solutions.

Outcome: The competition boosted interest in mathematics, improved problem-solving and collaborative skills, and received positive feedback from students, teachers, and parents, highlighting its success in promoting mathematical enthusiasm and academic excellence.

DEPARTMENT OF BOTANY EXTENSION ACTIVITIES

2022-2023

I. EMPOWERING COMMUNITIES ON WATER MANAGEMENT AND CONSERVATION

On July 22, 2022, the Department of Botany at Kottakkal Farook Arts and Science College, led by Third semester students, organized a workshop titled "Empowering Communities: Water Management and Conservation" in collaboration with Ward 12 of Parappur Panchayath. The workshop aimed to address prevalent issues such as water scarcity, pollution, contamination, and inefficient usage within the region. Objectives included raising awareness about water management and conservation, educating villagers on sustainable strategies, facilitating rainwater harvesting, organizing campaigns against water pollution, and fostering community participation. The methodology involved interactive sessions, practical demonstrations, and group activities, where students actively engaged with residents to construct rainwater harvesting systems, conduct educational sessions, and organize awareness campaigns. Forty residents participated alongside fifteen students, leading to successful implementation of rainwater harvesting structures, increased awareness about water conservation, and strengthened community resilience.

Workshop on Water Management and Conservation

Outcome: Key areas of resident doubts included maintenance of rainwater harvesting systems, feasibility of implementing conservation techniques, and long-term sustainability of community-led initiatives. Through collaborative efforts, the workshop empowered the community to tackle water-related challenges and fostered a sense of collective responsibility towards preserving water resources.

2. HERBARIUM AND PLANT DOCUMENTATION

On January 17, 2023, second semester students from the Department of Botany at Kottakkal Farook Arts and Science College launched the "Herbarium and Plant Documentation" project in Veenalukkal, Parappur Panchayath, aiming to establish a community herbarium to systematically document and preserve local plant diversity. Objectives included collecting and identifying plant specimens, creating a comprehensive database, organizing workshops, and promoting awareness about plant biodiversity. Through active participation from students and residents, 30 residents and 21 students collaborated to collect specimens and conduct workshops, resulting in the successful establishment of a community herbarium. Key outcomes included hands-on experience in plant identification, fostering appreciation for biodiversity, and addressing concerns such as sustainability, preservation, accessibility, and human impact on local plant diversity.

Herbarium and Plant Documentation Initiative by Department of botany

Outcome: This report underscores the significance of community collaboration in preserving and documenting local plant biodiversity through the Herbarium and Plant Documentation project.

3.PROMOTING HEALTH AND NUTRITION WORKSHOP

On December 13, 2023, the 1st semester students of the Department of Botany at Kottakkal Farook Arts and Science College organized a workshop titled "Promoting Health and Nutrition." Aimed at emphasizing the importance of balanced diets, encouraging the cultivation of nutritious plants, and collaborating with local healthcare providers, the workshop attracted 30 residents from Ward 12 of Parappur Panchayath, Veenalukkal, and 15 students. Utilizing interactive sessions, presentations, and practical demonstrations, participants were enlightened about dietary choices and shown various plants suitable for cultivation.

Outcome: The workshop received positive feedback, indicating increased awareness of health and nutrition among participants. However, some residents raised concerns about specific dietary requirements and the feasibility of plant cultivation in their region. Overall, the workshop successfully achieved its objectives, fostering community engagement and responsibility towards health and nutrition.

4. ORGANIC GARDENING INITIATIVE

On January 9, 2023, the 4th students of the Department of Botany at Kottakkal Farook Arts and Science College initiated the "Organic Gardening Initiative" in Ward 12, Veenalukkal of Parappur Panchayath, aiming to empower local communities through the promotion of organic farming techniques and sustainable agriculture practices. Objectives included establishing and supporting community gardens, educating villagers on sustainable agriculture principles, and assisting in setting up organic gardens. Through collaborative efforts, students provided hands-on assistance in garden setup, conducted educational sessions on organic farming principles, and organized workshops on composting and natural pest management. With 42 residents and 21 students actively participating, the initiative resulted in the successful establishment of several community gardens, fostering community solidarity and empowerment. However, residents raised concerns about the feasibility and maintenance of organic gardens in urban environments, as well as accessibility issues for marginalized communities.

Organic Gardening Initiative in Ward 12, Veenalukkal

Outcome: Addressing these concerns will be crucial for ensuring the long-term success and inclusivity of organic gardening initiatives, highlighting the transformative impact of community collaboration in promoting sustainable agriculture and environmental stewardship.

DEPARTMENT EXTENSION ACTIVITIES
DEPARTMENT OF COMMERCE & MANAGEMENT
2022-23

1. A STUDY ON USAGE OF E-BANKING FACILITIES WITH A SPECIAL REFERENCE TO KOTTAKKAL MUNICIPALITY

On 19th June 2022, the Department of Commerce & Management at Kottakkal Farooq Arts and Science College successfully conducted an extension activity titled "E-Banking Facilities with a Special Reference to Kottakkal Municipality." The program targeted shop owners in the Kottakkal Municipality, aiming to equip them with the knowledge and skills needed to navigate the digital banking landscape.

The session began with an informative presentation on the various e-banking services available, including online banking, mobile banking apps, and digital payment systems. Participants were introduced to the benefits of these services, such as convenience, time-saving features, and enhanced security measures. The focus then shifted to practical demonstrations, where shop owners were guided step-by-step on how to use e-banking platforms for tasks like fund transfers, bill payments, and account management.

A significant emphasis was placed on promoting financial inclusion, particularly for those who may have limited experience with digital tools. By the end of the session, participants expressed increased confidence in using e-banking services, which is expected to lead to greater adoption of digital financial solutions in the local business community. The feedback received was overwhelmingly positive, with many shop owners acknowledging the importance of staying updated with technological advancements in banking. This extension activity not only fulfilled its objectives but also contributed to the broader goal of fostering a digitally inclusive economy in Kottakkal Municipality.

OUTCOME: The extension activity successfully increased the confidence and adoption of ebanking services among shop owners in Kottakkal Municipality, contributing to the promotion of a digitally inclusive economy.

2..REPORT ON FINANCIAL PLANNING OF OXYGEN DIGITAL AND HOW TO IMPROVE CURRENT FINANCIAL PLANNING.

The extension activity held from July 20 to 22, 2022, at the Oxygen Digital Outlet in Kottakkal Changuveti was a comprehensive effort to address financial planning. The third-semester students from Kottakkal Farook Arts and Science College conducted the sessions, focusing on educating the employees about the significance of financial planning in business. The sessions were structured to cover several key areas: the necessity of financial planning for business success, methodologies for effective financial planning, and practical advice on managing income and expenses. The students provided detailed explanations on creating budgets, setting financial goals, and forecasting future financial needs. They also demonstrated how to align financial practices with business objectives to ensure sustainable growth.

A questionnaire was used to gather feedback from the employees on their understanding of the concepts presented and their satisfaction with the sessions. The feedback highlighted that the employees gained a clearer understanding of financial planning and appreciated the practical advice provided. Suggestions were collected to improve future sessions, particularly in refining investment strategies and enhancing the presentation content. Overall, the activity achieved its goals by improving financial literacy among employees and providing actionable insights into financial management.

OUTCOME: The extension activity successfully enhanced financial literacy among employees at the Oxygen Digital Outlet, providing them with valuable insights into financial planning and management, while also gathering constructive feedback for future improvements.

3. UPI TRANSACTIONS AND TYPES OF INVESTMENTS SPECIAL REFERENCE TO KUDUMBASREE MEMBERS IN IRINGALLUR WARD, PARAPPUR PUNCHAYATH

On 10th December 2022, first semester bcom students , Department of Commerce and Management Studies at Kottakkal Farook Arts and Science College successfully organized an extension activity focused on "UPI Transactions and Types of Investment with Special Reference to Kudumbashree Members in Iringallur Ward, Parappanad Panchayat." This program aimed to provide a comprehensive understanding of UPI transactions and investment options to Kudumbashree members, enhancing their financial literacy and inclusion. The activity began with an introduction to UPI transactions, highlighting their benefits such as ease of use, quick processing, and enhanced security. Participants were educated on how to use UPI for daily transactions, manage money efficiently, and the importance of maintaining financial records. The session emphasized how UPI can facilitate seamless financial management and promote financial inclusion.

In addition to UPI, the program covered various types of investments, including savings accounts, fixed deposits, mutual funds, and stocks. Participants gained insights into the advantages and risks associated with each investment type, enabling them to make informed decisions about their financial futures. The interaction with Kudumbashree members allowed for a practical exchange of ideas and experiences, further reinforcing the concepts discussed. The activity was well-received, with positive feedback indicating an increased awareness and understanding of UPI transactions and investment strategies. This extension activity effectively contributed to the financial empowerment of the community and underscored the importance of financial education in everyday life.

OUTCOME : The extension activity successfully enhanced the financial literacy and inclusion of Kudumbashree members in Iringallur Ward, Parappanad Panchayat, by increasing their understanding of UPI transactions and investment options, thereby contributing to their financial empowerment.

4. INSURANCE AND TYPES OF INSURANCE WITH SPECIAL REFERENCE TO RESIDENTS NEAR ANGANAWADI, KOTTAKKAL

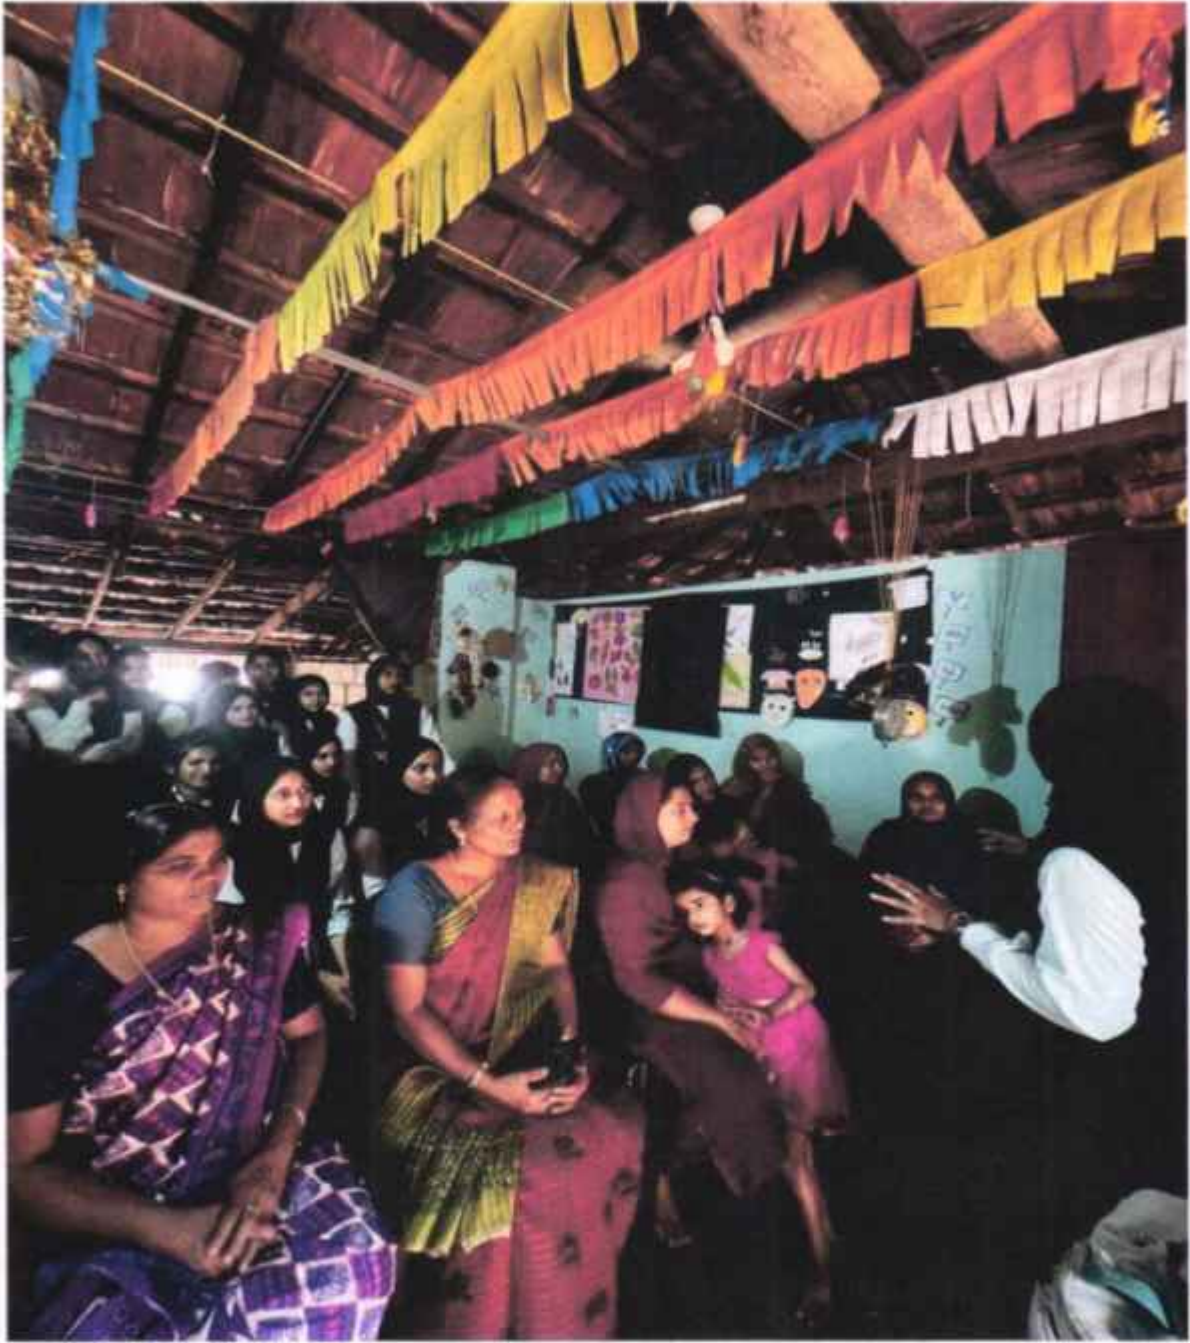

On 29th January 2023, Kottakkal Farook Arts and Science College's Department of Commerce and Management conducted an extension activity focusing on "Insurance and Its Awareness" for the residents near Anganwadi in Kottakkal Municipality. The program, led by 4th-semester students, aimed to address the financial vulnerability prevalent in the community and promote understanding of insurance. The session provided a comprehensive overview of various types of insurance, including health, life, and property insurance. Students emphasized how insurance can safeguard individuals and families from unforeseen financial burdens, thereby contributing to their overall well-being. Through interactive presentations and discussions, participants learned about the importance of insurance in mitigating risks and planning for future uncertainties.

Jaya, the Anganwadi teacher, played a pivotal role in the activity by organizing the residents and facilitating their engagement. Her efforts ensured the smooth execution of the program and maximized its impact. Feedback from participants indicated an increased awareness and appreciation of insurance, reflecting the activity's success in achieving its objectives. This initiative has laid a foundation for future efforts in enhancing financial literacy and security in the community.

OUTCOMES : The extension activity successfully increased awareness and appreciation of insurance among residents near Anganwadi in Kottakkal Municipality, contributing to their financial literacy and security.

5. CAREER DEVELOPMENT PROGRAM WITH SPECIAL REFERENCE TO KOTTAKKAL FAROOK HIGHER SECONDARY SCHOOL

On 20th February 2023, second semester the BCom students, Farook Arts and Science College, Kottakkal, organized a comprehensive Career Development Program for the plus two students of Farook English Medium Higher Secondary School, Kottakkal. The program aimed to provide valuable insights and guidance on various career paths and opportunities available post-high school. The objectives included familiarizing students with different career options, offering guidance on choosing suitable career paths based on individual interests and strengths, providing information about higher education opportunities, and inspiring students to set career goals and develop plans to achieve them. Activities included interactive sessions covering diverse career fields, career counseling to address individual queries and provide personalized guidance, skill development workshops to enhance employability skills, guest lectures by renowned professionals on emerging career trends and industry expectations, mock interviews and resume building workshops, and a career expo featuring stalls and displays from various educational institutions and companies.

Outcome: The outcomes of the program were significant: students gained increased awareness of diverse career options, developed essential employability skills, were equipped to make informed decisions about their futures, built confidence through mock interviews and counseling sessions, and benefited from valuable networking opportunities at the career expo. The Career Development Program proved highly beneficial for the students, broadening their horizons and empowering them to make well-informed decisions regarding their future career paths. Such initiatives are crucial for nurturing the aspirations of young minds and bridging the gap between education and employment.

OUTCOME : The Career Development Program significantly enhanced the career awareness, employability skills, and confidence of plus two students at Farook English Medium Higher Secondary School, empowering them to make informed decisions about their future career paths.
